With its delectable recipes and charming girl-next-door tone, *Homemade With Love* is sure to be a welcome addition to the kitchens of longtime readers of the blog, In Jennie's Kitchen. Jennifer Perillo has long written on the pleasures and importance of cooking from scratch, buying local, and eating at home. Jennie shares her love for her farmers' markets and local purveyors while dishing out a hearty dose of practical culinary know-how for the working parent-or any busy cook. Jennie has been writing online since 2006, and developing recipes for more than 15 years, even after the sudden death of her young husband, Mikey, in 2011. Gathering her family together around the table was her recipe for healing; though many things about her life have changed, her commitment to eating for nourishment-physical and spiritual-has not. A seasoned recipe developer and personal chef, Jennie has crafted shortcuts (like two homemade all-purpose baking mixes, used as a base for baked goods such as breads, muffins, and cupcakes) to make good eating just a little easier. Try recipes like Orange-Scented Waffles, Carrot Fennel Soup, Lentil Ricotta Meatballs, Drop Biscuit Chicken Pot Pie,

Strawberry Blender Sherbet, and Lemon Buttermilk Doughnuts. Simple, soulful recipes for every meal of the day emphasize farm-fresh produce and whole foods. Jennie's distinctive voice is an evangelist for eating close to home, lingering around the table.

Fathers know that doing things with their daughters is important. Shared activities build trust and self-esteem, show how much dads care, and allow everyone to cut loose and have fun. But even fathers who can beat the generation and gender gaps that make them feel awkward can't always dream up cool places to go or mutually enjoyable things to do. Like the coach of their favorite team, dads need a game plan, and that's exactly what Joe Kelly provides in *Dads & Daughters Togetherness Guide*. Appropriate for girls of any age, the guide enables dads to grab their daughters by the hand and say "Let's go..." See how things are made: Take a made-in-America tour and see how everything from jumbo jets (Boeing) to chocolate kisses (Hershey's) is produced. Bake a funny cake: She'll laugh herself silly in the kitchen making Kitty Litter Cake, a German chocolate sheet cake covered with "cat litter" (dyed, crumbled cookies) and topped with miniature Tootsie Rolls. Take a drive to nowhere: Let the copilot navigate, and leave time for fun stops to poke around in flea markets or join a game of pickup softball for a few innings. With dozens of other engaging activities—such as creating a daddy-daughter journal, devising secret codes, and exchanging poems—this is the ultimate rain-or-shine resource for developing wonderful parent-child rapport.

Following Susan Cox's Minotaur Books/Mystery Writers of America First Crime Novel award-winning debut, *The Man in the Microwave Oven* is her next delightfully quirky mystery featuring San Francisco transplant Theo Bogart. Fleeing from a murder and family tragedy in her native England, where she was

the scandal du jour for the tabloid press, Theo Bogart changed her name and built an undercover life in a close-knit San Francisco neighborhood. She didn't expect to find love and friendship there, and now she doesn't know how—or if—to reveal the truth. After a confrontation with a difficult neighbor, Theo fears her secrets are about to be uncovered after all. When the woman who threatened to expose her is murdered, Theo is embroiled in the kind of jeopardy she crossed an ocean to escape. Worse yet, dangerous family secrets have followed her. Theo's grandfather unveils a glimpse of the shadowy world he once inhabited as an agent for the British Secret Service, bringing an even bigger breed of trouble—and another death—to Theo's doorstep. She finds herself fighting to protect herself, her family, and her new friends, aware that one of them might be a murderer. Susan Cox has once again painted a delightfully quirky portrait of a colorful San Francisco neighborhood and a woman finding her way through exactly the kind of scandalous mystery she was trying to leave behind.
