*Two Is a Lonely Number* Pink Elephant Press

"From the New York Times bestselling author of *The Winter Sister* comes a new work of psychological horror about a therapist who returns to the old family home after her sister drowns in its swimming pool, where she discovers that it has something sinister lurking beneath its surface"--

So Complicated Pink Elephant Press

Four complete books for one low price! Characters you can relate to.

Welcome the Peterson sisters into your life as they find their way back to one another, overcoming challenges and finding their happily-ever-afters at the same time.

Book One

*A Heart to Call Home*

After an indifferent divorce, Reed Peterson traded in her high-profile career in the city for an opportunity to try her hand at running a business of her own. She 's not sure if the small town life is for her, but since part of her new mission in life is to adopt the free-spiritedness her mother had once embodied, she knows she has to give it a try. She needs her freedom, and she needs it now. Even if the fresh air might suffocate her.

Rogan Douglas agrees to take on the job of getting Reed 's property up-to-snuff so she can re-open the once grand—now dilapidated—cottage motel in town. Struggling to raise his five kids on his own after

---

the accidental death of his wife, Rogan didn't realize the job would cost him so much. Like his sanity. And his heart.

Reed and Rogan are venturing down different paths in life, but can they resist the powerful attraction that threatens the way they see themselves? Their futures? And is it possible for two people with such different personalities and values to find a way to call each other's heart their home?

## Book Two

### Loving a Wildflower

Simplicity Peterson has never cared about fitting in, but she's ready to put her couch-surfing days behind her. First step toward planting roots—find a way to

make a difference in her new community.

Volunteering to help the reclusive and notoriously difficult Ethan Witherford will help people see the good side of her. If she tries hard enough, she should be able to keep everyone in town from thinking of her as the crazy hippie. She expects to feel good about performing this important community service, but she's far from prepared when Ethan turns out to be the most dangerous rollercoaster she's ever had the pleasure of riding.

Ethan had been tortured enough as a POW. He doesn't need this free-spirited nymph interfering in his quiet, uncomfortable existence. His one goal in life is to make his estranged parents miserable, and he can't fulfill that destiny if Simplicity continues yanking him from his dark cave as she chases a world of make-believe.

His scars are external. Hers are internal. She can look past his. Can he do the same?

---

## Book Three

### Wherever You Go

The last thing Paisley Peterson needs is to fall in love. She left her high-stress job in Boston so she could heal in Healing Springs--isn't that what the town is about? She needs her sisters. She does not need a man.

Asher has always been the one to take care of the people in his life, so when sexy Paisley strolls in and takes the lead, he finds himself turned on by her independence and confidence in a way he has never been turned on before. But after suffering too many losses in life and with a plate already brimming with family members who need his care and protection,

can he handle the truth behind her sudden appearance in Healing Springs? How is he supposed to allow himself to get close to her when he could lose her?

Asher and Paisley are from two different worlds with two different life plans. Will their unplanned love affair turn into a dead end? Or will it be just the detour they have both needed all along?

## Book Four

### Imperfect Harmony

A marriage of convenience isn't on Harmony Peterson's agenda when she's forced to sneak into Healing Springs to retrieve important papers, but if marrying a stranger keeps her from reuniting with her estranged sisters, how dumb would she be to turn down the offer? She'll do whatever it takes to keep

---

her vow to protect the infant she hadn't planned on raising.

Keegan O'Malley knows he's not qualified to save anyone, but if a sham marriage can help this beautiful, intriguing stranger who forced her way into his life and maybe help him in return, why should he talk himself into reason? Though he's failed to live up to his moral code before, he has to believe he's somehow been given a second chance to right the wrongs.

A fake marriage may be something they can live with. But can they honor the unspoken promise to keep their hearts out of the bargain?

Wherever You Go Amanda Torrey

The first book to present medical evidence that mineral springs can prevent and cure disease--and to tell you which spas are most effective • Lists more than 200 of

the best hot springs and mineral springs in the world and the health conditions best treated at each, with a special emphasis on springs in the U.S. and Canada • Reviews additional healing techniques that best complement bathing in and drinking medicinal waters--such as acupuncture, homeopathy, fasting programs, and fitness training • Includes photos of everything from famous spas to little-known hot springs The Fountain of Youth does exist! Author Nathaniel Altman shows that "taking the waters" is a powerful healing tool that rejuvenates the body and prevents a host of illnesses. Until now, it's been the best-kept secret for promoting and maintaining health and vitality. The use of natural

---

mineral spring water for the prevention and cure of disease dates back 5000 years to the Bronze Age. Hot springs reached their heyday in the United States in the latter part of the 19th century and were well attended until the early 1940s. Balneotherapy--using natural mineral spring water for the prevention and cure of disease--continued to thrive elsewhere in the world and is making a big comeback in the United States. It is an accepted form of mainstream medicine in Europe and Japan, where an abundance of medical evidence shows that in addition to relieving stress, certain mineral waters can help the body heal itself from heart, liver, and kidney problems, skin diseases,

asthma, digestive disorders, arthritis, and a host of other health problems.

**Eureka Springs Amanda Torrey**  
Certain things should never be known about one ' s best friend. How they rate as a kisser is at the top of the list. Turning thirty wouldn ' t be a big deal if Aleen hadn ' t been given bad news about her future fertility potential. Now the clock is ticking and she needs to find a man who can not only get her body and heart buzzing, but who is also husband and father material. She hasn ' t had a date in years, but finding a man shouldn ' t be so hard to do in this age of internet dating, right? Finding an adequate man in thirty days is a challenge she has no choice but to

---

accept. Luke tried the relationship thing for the sake of his dying mother. It didn't work out. When his best friend, Aleen, starts searching for love in all the wrong places, he offers to step up to the plate. What the heck—they already love each other, why not commit to being more than friends? Her response? Laughter. She doesn't believe he's capable of deviating from his quest for the next bright and shiny thing in life, and thus would not make a good life partner. But after a staged kiss in the bar, she's the only woman he can think about. And he wants to get to know parts of her he hasn't yet known. Aleen is trying to hunt down a man. Luke is chasing after her. With their emotional wires crossed and burning, does their friendship stand a chance of survival?

[A Heart to Call Home](#) Pink Elephant Press

Vengeance or Forgiveness? What would you choose? Being a teenager has its ups and downs. Ups? Hot boys, the mall, best friends, dreams of an amazing future. So much potential. Downs? Hot boys, parental drama, frenemies, emotional craziness, snakes emerging from your head when angry... Yeah, I was surprised, too. How am I supposed to stay on my carefully planned path when my true biological heritage presents its ugly head—ahem, heads. And when the messengers of my so-called destiny happen to be two of the most incredibly hot and irritating males on the planet, I'm left fantasizing about my previously boring life. Am I supposed to believe that my duty is to seek vengeance? Or to grant mercy to the offender? And how on earth am I qualified to make these decisions? I'm bound to make mistakes along the way, but keep your fingers crossed that I don't

---

inadvertently send the world to Tartarus in a hand basket.

*English Mechanic and Mirror of Science* Library of Alexandria

\*In this second chance romance, Savannah and Quentin struggle to overcome a dark moment in their history in order to rekindle love in small town New England.\* She's running from a painful past. Can he catch her and help her heal? Savannah Grace left her hometown after the traumatic death of her young brother ten years ago. Fresh out of high school, she trudged through life under a shroud of guilt and shame. She couldn't face her family after what she did, and she knew she didn't deserve happiness. Quentin Elliott became a paramedic so he could save people. He hadn't been able to help his high school girlfriend's brother, but he vowed to prevent as many tragedies as possible. He managed to build a life without Savannah, but he never moved past her. When Savannah returns to town in hopes of donating

bone marrow to her estranged mother, Quentin knows he will only have a short time to help Savannah realize she should stay in Healing Springs. Where she belongs. With him. Savannah prefers to lace up her running shoes, but Quentin is determined to create a treatment plan to help her settle in for the long haul. Can a decade of pain be healed with a healthy dose of love? Or will Healing Springs fail to live up to its legendary name?

*Love Again* Pink Elephant Press

Reviewers are calling this series a binge-worthy series. Find out why. The Blackthorne brothers are notorious for their good looks, their strength, and on occasion, their charm. They are not known for sticking around. Estranged from their hometown for eight years, the Blackthorne brothers are called back to search for their missing father. Convinced by Miss Molly--their great-aunt and the town's matriarch--that something dire has happened,

---

the Blackthorne brothers remember an old brotherhood oath taken years ago. They are forced to disrupt their vastly different lives, leave their corners of the world, and return to their roots to keep the family dairy farm running in their father's absence. They are not interested in changing their lives, but will fate step in and force them out of their comfort zones? And will Healing Springs bring the brothers together or drive them further apart? \*\*\*This is a seductive small town romance series with a riveting mystery from the author of the Healing Springs series. Each book features an independent, standalone romance story with a happily-ever-after in each of the four books, but there is a mystery plot that carries on throughout the four books. \*\*\*

*Teen Fury: The Complete Collection* Pink Elephant Press

Sixteen-year-old Felicia Murphy has learned the pitfalls of letting the snakes in her head control her life, and she has no intention of letting them interfere in her future. She knows

---

it's not her duty to dish out vengeance, but, oh, the temptation... Battling near-constant headaches bites, but with Ryder by her side, she's able to keep the Fury at bay. She doesn't care that Meg, her biological-mother-from-hell, has escaped Mercy's prison and will be playing dirty to get Felicia on her side. What she does care about is having a perfect night at the prom and successfully debuting the new mentor room for the troubled kids in town. She refuses to play into Meg's sick, twisted games. Lines become blurred when Felicia's best friend is brutalized. Felicia knows she could have prevented the pain if she had been willing to wield her one secret weapon. What once was black and white now becomes soiled with shades of gray. Will this self-discovery encourage her to embrace her craving for vengeance? And if so, will Ryder be able to

accept her for who she has become?

### **Blackthorne Brothers Prequel: Healing Springs Romance** Amanda Torrey

He may not say much, but once provoked... Or enticed... All bets are off. Blaze learned early in life that his voice didn't matter. He developed his fighting skills and now has big career plans and sponsors willing to support his time in the ring. But first, he needs to find his missing father so he can leave his hometown once again. Following clues leads him to danger, but no amount of danger carries as great a risk as being taunted by the woman who tempts him beyond all reason. The one woman in the world he vowed never to touch. His best friend's little sister won't leave him alone. But once an oath is broken, what does a man have left? And why is it that the one opponent he can't beat happens to be the one that lives inside his

---

head? \*\*\*BLAZE is a seductive small town romance with a riveting mystery from the author of the Healing Springs series.\*\*\*

*Stay Pink* Elephant Press

How did the unfettered wilderness of the Ozarks, America's early frontier, evolve into a prized health retreat for early pioneers before settling into a beloved historic town? Eureka Springs was founded for the healing properties of the naturally soothing waters, and that special sense of place has always informed the town's history. Yet a complete chronological history from pre-founding to present-day Eureka Springs has never been written--until now. Respected local historians June Westphal and Kate Cooper tell the whole story of Eureka Springs, recounting the important people and major events that shaped this remarkable town tucked in the Ozarks. Learn how these healing

springs were formed and how they, in turn, formed the foundation of a community.

Not Over You Simon and Schuster

His reputation is everything. So why is he falling for the one woman who could destroy it all? Planted on Hollywood's A-list, Kaden thought working the family dairy farm was part of his distant past. Though he had to return to help his brothers locate their missing father, there's nothing in Healing Springs that he wants. Or so he thought. Chasing clues and narrowing in on their father's whereabouts forces Kaden to work in close proximity to a woman he can't stand. The woman responsible for chasing him away eight years ago. The woman who now intrigues him. If the paparazzi sniffs out their growing relationship, Kaden could lose everything he hopes to gain, including a role he desires above all else. But

---

can he put a value on the way she makes him feel? The way she sees him like no one ever has? Regardless of what happens in Healing Springs, Kaden knows he'll never be the same. \*\*\*KADEN is a seductive small town romance with a riveting mystery from the author of the Healing Springs series.\*\*\*

*More Than Pizza* Amanda Torrey

First comes...baby? A one-night stand is meant to be just that—one night. Not a lifetime. When Karly and Ben hook up at a wedding, they never dream the passion will spark something that will last into the next week, never mind the next eighteen or more years. Can two self-professed players commit to raising a child they didn't intend to conceive? And is a baby enough to bind together the lives of two slightly damaged,

extremely commitment-phobic adults?

Up for Seconds by Melissa Chambers He won't get in her head again... Tori Jacobs has spent the past year moving on from her intense relationship with Jack Massey, but now he's trying to win her back. His jealousy

---

ruined them. They're too different, anyway. He's a stuffy, number-cruncher from a wealthy family, and she's a hot mess from a place that would make his family clutch their pearls. But Jack has never failed at anything in his life except for his relationship with her, and he doesn't intend to lose at that again. *More Than Cocoa* by Christine DePettrillo She likes her cocoa hot. She likes her men hotter. When one steamy kiss mistakenly gets ex-con Harris Wilder involved in Detective Rachel Lorensen's latest undercover case, the safety of seventeen missing women is on the line. So is the mending of two broken hearts that remember the first time Harris and Rachel met. Can they solve the case and get a second chance at happily ever after? *True Harmony* by Amy Knupp She has a secret that will send his life into chaos. He's all business all the time...until an unforgettable woman from his past lays a four-year-old truth bomb on him that blows up his priorities. Their attraction still hums, but she has two hearts to protect. Can he find the balance to give them a second chance at love? *Can't Lose Me* by Amanda Torrey If someone leaves without a goodbye, can they expect to be welcomed back with an open heart? When fate laughs in their faces and thrusts them back together, neither Mackenzie nor Gabe knows how to navigate the muddied waters. Is the love they once shared strong enough to get them through the lowest of marital woes? And if they manage to brave this storm, will they be able

---

to settle the undercurrents that continuously threaten to tear them apart?

*The Healing Spring* History Press (SC)

If someone leaves without a goodbye, can they expect to be welcomed back with an open heart? Mackenzie O'Brien made the biggest mistake of her life when she left her husband on the eve of their sixth anniversary. But when she returns to Healing Springs to beg for forgiveness, she's met with a man who is harder and angrier than the sweet, kind man she left behind. This new version of her husband has no problem humiliating her and casting her aside. She won't go so easily this time... Gabe never imagined his loving wife would leave him like an unwanted kitten, but he's been dealing with the abandonment every day. When she shows up at his door—the door she slammed behind her—expecting him to take her back, his

first temptation is to slam the door right back at her. He's done his best to harden his heart, but having her and her vulnerability in close proximity messes with his head... and other parts. When fate laughs in their faces and thrusts them together, neither Mackenzie nor Gabe knows how to navigate the muddied waters. Is the love they once shared strong enough to get them through the lowest of marital woes? And if they manage to brave this storm, will they be able to settle the undercurrents that continuously threaten to tear them apart?

**Fons Sanitatis; or the healing spring at Willowbridge in Staffordshire; found out by the Lady J. Gerard Baroness of Bromley. Published ... by S. G., etc** Pink Elephant Press

Tired of being the subject of the town's gossip for a scandal she hadn't known was in the making, Abigail Moore is ready to leave Healing Springs

---

before her four-year-old becomes aware of the dirty looks and mumbled rumors. With no family remaining to anchor her to her hometown, she can sell the toy shop her parents left her and move somewhere far away. Preferably to a place where Christmas is a little less... well, Christmasy. Enrique Gonzalez is on a mission to give his daughter the childhood she deserves. The postcard-perfect town of Healing Springs checks off all the boxes for creating a joyful, trauma-free existence. When he finds a toy shop with a year-round Christmas department for sale in the idyllic small town, he knows he needs to leap on the opportunity. New to operating a business, he's lucky enough to get the current owner to agree to stay until the New Year in order to teach him the ropes. Little does he know the woman selling him the shop will check off a few boxes for him, too. Though the timing is impossible, they're unable to keep things professional. And just when they are ready to wrap it all up in ribbons and bows, outside forces threaten everything they tried not to hope for. As much as they wish the spirit of Christmas could light the way, they both know that falling in love was not in the contract either of them signed. He helps her see herself and her hometown with the newness of sparkly snow on a Christmas morning. She helps his heart learn to believe in the goodness of humanity and the power of trust. Will their strong feelings for one another be enough to conquer the icy patches on their road to love? Or is the idea of making a life together too great a burden to place on even the most magical wish-fulfilling elves?
