The House on the Cliff HarperCollins
A beautifully heartfelt story about one boy’s journey toward acceptance. A book that Jill Soloway, the award-winning creator of Transparent, called “a terrific read for all ages” and Ami Polonsky, author of Gracefully Grayson, called “an emotionally complex and achingly real read.” Twelve-year-old Shane Woods is just a regular boy. He loves pitching for his baseball team, working on his graphic novel, and hanging out with his best friend, Josh. But Shane is keeping something private, something that might make a difference to his friends and teammates, even Josh. And when a classmate threatens to reveal his secret, Shane’s whole world comes crashing down. It will take a lot of courage for Shane to ignore the hate and show the world that he’s still the same boy he was before. And in the end, those who stand beside him may surprise everyone, including Shane.

Notes from a Young Black Chef Hachette UK
By the early nineties, singer-songwriter and former Blake Babies member Juliana Hatfield ’ s solo career was taking off: She was on the cover of Spin and Sassy. Ben Stiller directed the video for her song "Spin the Bottle" from the Reality Bites film soundtrack. Then, after canceling a European tour to treat severe depression and failing to produce another "hit," she spent a decade releasing well reviewed albums on indie labels and performing in ever-smaller clubs. A few years ago, she found herself reading the New Yorker on a filthy couch in the tiny dressing room of a punk club and asked, "Why am I still doing this?" By turns wryly funny and woundingly sincere, When I Grow Up takes you behind the scenes of rock life as Hatfield recounts her best and worst days, the origins of her songs, the source of her woes, and her quest to find a new purpose in life. Lord of the Flies Wendy Lamb Books

In this tender-hearted debut, set against the tumultuous backdrop of life in 1973, when homosexuality is still considered a mental illness, two boys defy all the odds and fall in love. Now in paperback. The year is 1973. The Watergate hearings are in full swing. The Vietnam War is still raging. And homosexuality is still officially considered a mental illness. In the midst of these trying times is sixteen-year-old Jonathan Collins, a bullied, anxious, asthmatic kid, who aside from an alcoholic father and his sympathetic neighbor and friend Starla, is completely alone. To cope, Jonathan escapes to the safe haven of his imagination, where his hero David Bowie's Ziggy Stardust and dead relatives, including his mother, guide him through the rough terrain of his life. In his alternate reality, Jonathan can be anything: a superhero, an astronaut, Ziggy Stardust, himself, or completely "normal" and not a boy who likes other boys. When he completes his treatments, he will be normal—at least he hopes. But before that can happen, Web stumbles into his life. Web is everything Jonathan wishes he could be: fearless, fearsome and, most importantly, not ashamed of being gay. Jonathan doesn't want to like brooding Web, who has secrets all his own. Jonathan wants nothing more than to be "fixed" once and for all. But he's drawn to Web anyway. Web is the first person in the real world to see Jonathan completely and think he's perfect. Web is a kind of escape Jonathan has never known. For the first time in his life, he may finally feel free enough to love and accept himself as he is.

Say You Swear Grove Press
"Utterly romantic." --Jenny Han, NYT bestselling author of To All the Boys I've Loved Before The bestselling author of Windfall and The Statistical Probability of Love at First Sight returns with a meet-cute romance about Hugo and Mae, two teens who are thrown together on a cross-country train trip that will teach them about love, each other, and the futures they can build for themselves. It's the perfect idea for a romantic week together: traveling across America by train. But then Hugo's girlfriend dumps him. Her parting gift: the tickets for their long-planned last-hurrah-before-uni trip. Only, it's been booked under her name. Nontransferable, no exceptions. Mae is still reeling from being rejected from USC's film school. When she stumbles across Hugo's ad for a replacement Margaret Campbell (her full name!), she's certain it's exactly the adventure she needs to shake off her disappointment and jump-start her next film. A cross-country train trip with a complete stranger might not seem like the best idea. But to Mae and Hugo, both eager to escape their regular lives, it makes perfect sense. What starts as a convenient arrangement soon turns into something more. But when life outside the train catches up to them, can they find a way to keep their feelings for each other from getting derailed? "One of the loveliest, most touching romances of 2019 thus far that gets at the nature of something deeply buried in all of our hearts." --Entertainment Weekly "This warm, romantic, never overly sentimental story is told with humor and heart....A deeply satisfying read about a life-changing journey full of poignant moments." --Kirkus, starred review **Liner Notes On Parents, Children, Exes, Excess, Decay & A Few More Of My Favourite Things** Vintage

For anyone who's ever felt that boys were a different species....Wildly creative seventh grader Kara McAllister just had her best idea yet. She's going to take notes on all of the boys in her grade (and a few elsewhere) in order to answer a seemingly simple question: How can she get a boyfriend?But Kara's project turns out to be a lot more complicated than she imagined. Soon there are secrets, lies, and an embarrassing incident in the boy's bathroom. Plus, Kara has to deal with mean girls, her slightly spacey BFF, and some surprising uses for duct tape. Still, if Kara's research leads her to the right boy, everything may just be worth it. . . .Full of charts and graphs, heart and humor, this hilarious debut will resonate with tweens everywhere. **The Lincoln Highway** Scholastic Inc.
Told in alternating timelines, THE THINGS WE LEAVE UNFINISHED examines the risks we take for love, the scars too deep to heal, and the endings we can't bring ourselves to see coming. Twenty-eight-year-old Georgia Stanton has to start over after she gave up almost everything in a brutal divorce—the New York house, the friends, and her pride. Now back home at her late great-grandmother's estate in Colorado, she finds herself face-to-face with Noah Harrison, the bestselling author of a million books where the cover is always people nearly kissing. He's just as arrogant in person as in interviews, and she'll be damned if the good-looking writer of love stories thinks he's the one to finish her grandmother's final novel...even if the publisher swears he's the perfect fit. Noah is at the pinnacle of his career. With book and movie deals galore, there isn't much the “golden boy” of modern fiction hasn't accomplished. But he can't walk away from what might be the best book of the century—the one his idol, Scarlett Stanton, left unfinished. Coming up with a fitting ending for the legendary author is one thing, but dealing with her beautiful, stubborn, cynical great-granddaughter, Georgia, is quite another. But as they read Scarlett's words in both the manuscript and her box of letters, they start to realize why Scarlett never finished the book—it's based on her real-life romance with a World War II pilot, and the ending isn't a happy one. Georgia knows all too well that love never works out, and while the chemistry and connection between her and Noah is undeniable, she's as determined as ever to learn from her great-grandmother's mistakes—even if it means destroying Noah's career. **When I Grow up** Sourcebooks, Inc.
A graphic novel in which three young drifters are caught up in a nameless war in a Balkan country.

Notes to Boys A&C Black
#1 NEW YORK TIMES BESTSELLER • PULITZER PRIZE FINALIST • This inspiring, exquisitely observed memoir finds hope and beauty in the face of insurmountable odds as an idealistic young neurosurgeon attempts to answer the question What makes a life worth living? NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • People • NPR • The Washington Post • Slate • Harper's Bazaar • Time Out New York • Publishers Weekly • BookPage Finalist for the PEN Center USA Literary Award in Creative Nonfiction and the Books for a Better Life Award in Inspirational Memoir At the age of thirty-six, on the verge of completing a decade's worth of training as a neurosurgeon, Paul Kalanithi was diagnosed with stage IV lung cancer. One day he was a doctor treating the dying, and the next he was a patient struggling to live. And just like that, the future he and his wife had imagined evaporated. When Breath Becomes Air chronicles Kalanithi's transformation from a naïve medical student “possessed,” as he wrote, “by the question of what, given that all organisms die, makes a virtuous and meaningful life” into a neurosurgeon at Stanford working in the brain, the most critical place for human identity, and finally into a patient and new father confronting his own mortality. What makes life worth living in the face of death? What do you do when the future, no longer a ladder toward your goals in life, flattens out into a perpetual present? What does it mean to have a child, to nurture a new life as another fades away? These are some of the questions Kalanithi wrestles with in this profoundly moving, exquisitely observed memoir. Paul Kalanithi died in March 2015, while working on this book, yet his words live on as a guide and a gift to us all. “I began to realize that coming face to face with my own mortality, in a sense, had changed nothing and everything,” he wrote. “Seven words from Samuel Beckett began to repeat in my head: ‘I can’t go on. I’ll go on.’” When Breath Becomes Air is an unforgettable, life-affirming reflection on the challenge of facing death and on the relationship between doctor and patient, from a brilliant writer who became both.

Notes on a Silencing Orchard Books
If he had been with me everything would have been different... I wasn't with Finn on that August night. But I should've been. It was raining, of course. And he and Sylvie were arguing as he drove down the slick road. No one ever says what they were arguing about. Other people think it's not important. They do not know there is another story. The story that lurks between the facts. What they do not know—the cause of the argument—is crucial. So let me tell you... **Notes for a War Story Collector's Edition** Delacorte Press
Bridget Jones's Diary meets Mean Girls as lovably flawed high school student Chloe Snow chronicles her junior year as she navigates the highs and lows of family, friendship, school, and losing her virginity. I'll be honest: junior year has been a disaster. My horrible mom is back from Mexico. My dad's girlfriend is living in our house. Did I mention my parents aren't divorced yet? On the plus side, I lost my virginity!...and then the whole school found out and I got slut-shamed. Then, somehow, I got popular! But according to some people, it turned me into a monster, and I'm pretty sure everyone hates me now. Oh, and there was the Thanksgiving fiasco, and the prom queen debacle, and the illegal middle-of-the-night drive to the hospital. Want to hear the whole wild story? You'll have to read my notes.

If He Had Been with Me Penguin
The #1 New York Times bestselling WORLDWIDE phenomenon Winner of the Goodreads Choice Award for Fiction | A Good Morning America Book Club Pick | Independent (London) Ten Best Books of the Year "A feel-good book guaranteed to lift your spirits."—The Washington Post The dazzling reader-favorite about the choices that go into a life well lived, from the acclaimed author of How To Stop Time and The Comfort Book. Somewhere out beyond the edge of the universe there is a library that contains an infinite number of books, each one the story of another reality. One tells the story of your life as it is, along with another book for the other life you could have lived if you had made a different choice at any point in your life. While we all wonder how our lives might have been, what if you had the chance to go to the library and see for yourself? Would any of these other lives truly be better? In The Midnight Library, Matt Haig's enchanting blockbuster novel, Nora Seed finds herself faced with this decision. Faced with the possibility of changing her life for a new one, following a different career, undoing old breakups, realizing her dreams of becoming a glaciologist; she must search within herself as she travels through the Midnight Library to decide what is truly fulfilling in life, and what makes it worth living in the first place.

Notes to My Son Simon and Schuster
New York Times bestseller • Winner of the Los Angeles Times Book Prize • One of the Washington Post's 10 Best Books of the Year “It's no exaggeration to say that Behave is one of the best nonfiction books I've ever read.” —David P. Barash, The Wall Street Journal "It has my vote for science book of the year.” —Parul Sehgal, The New York Times "Immensely readable, often hilarious...Hands-down one of the best books I've read in years. I loved it." —Dina Temple-Raston, The Washington Post From the bestselling author of A Primate's Memoir and the forthcoming Determined: A Science of Life Without Free Will comes a landmark, genre-defining examination of human behavior and an answer to the question: Why do we do the things we do? Behave is one of the most dazzling tours d’horizon of the science of human behavior ever attempted. Moving across a range of disciplines, Sapolsky—a neuroscientist and primatologist—uncovers the hidden story of our actions. Undertaking some of our thorniest questions relating to tribalism and xenophobia, hierarchy and competition, and war and peace, Behave is a towering achievement—a majestic synthesis of cutting-edge research and a heroic exploration of why we ultimately do the things we do . . . for good and for ill.

The Boy Project Entangled: Amara

The author and TV/film writer spent countless hours of her high school years writing letters to her (usually unrequited) crushes--and shares them here.

Behave Faber & Faber

From the expert team behind IT'S PERFECTLY NORMAL and IT'S SO AMAZING! comes a book for younger children about their bodies — a resource that parents, teachers, librarians, health care providers, and clergy can use with ease and confidence. Young children are curious about almost everything, especially their bodies. And young children are not afraid to ask questions. What makes me a girl? What makes me a boy? Why are some parts of girls' and boys' bodies the same and why are some parts different? How was I made? Where do babies come from? Is it true that a stork brings babies to mommies and daddies? IT'S NOT THE STORK! helps answer these endless and perfectly normal questions that preschool, kindergarten, and early elementary school children ask about how they began. Through lively, comfortable language and sensitive, engaging artwork, Robie H. Harris and Michael Emberley address readers in a reassuring way, mindful of a child's healthy desire for straightforward information. Two irresistible cartoon characters, a curious bird and a squeamish bee, provide comic relief and give voice to the full range of emotions and reactions children may experience while learning about their amazing bodies. Vetted and approved by science, health, and child development experts, the information is up-to-date, age-appropriate, and scientifically accurate, and always aimed at helping kids feel proud, knowledgeable, and comfortable about their own bodies, about how they were born, and about the family they are part of.

It's Not the Stork! Simon and Schuster

After a decade apart, childhood sweethearts reconnect by chance in New York Times bestselling author Christina Lauren's touching, romantic novel Love and Other Words...how many words will it take for them to figure out where it all went wrong? The story of the heart can never be unwritten. Macy Sorensen is settling into an ambitious if emotionally tepid routine: work hard as a new pediatrics resident, plan her wedding to an older, financially secure man, keep her head down and heart tucked away. But when she runs into Elliot Petropoulos—the first and only love of her life—the careful bubble she's constructed begins to dissolve. Once upon a time, Elliot was Macy's entire world—growing from her gangly bookish friend into the man who coaxed her heart open again after the loss of her mother...only to break it on the very night he declared his love for her. Told in alternating timelines between Then and Now, teenage Elliot and Macy grow from friends to much more—spending weekends and lazy summers together in a house outside of San Francisco devouring books, sharing favorite words, and talking through their growing pains and triumphs. As adults, they have become strangers to one another until their chance reunion. Although their memories are obscured by the agony of what happened that night so many years ago, Elliot will come to understand the truth behind Macy's decade-long silence, and will have to overcome the past and himself to revive her faith in the possibility of an all-consuming love.

Boy Kings of Texas Simon and Schuster

"THE GREATEST GIFT FOR DADS OF ALL AGES AND IN ALL STAGES." "Your path is your own." "No one can tell you how to walk it." "Responsibility lies with you." These are just a few of the important conversations we are gently reminded to embrace within Notes to My Son. With parenting, there are so many things we need to do and take care of, but what conversations are we having to be sure we truly impart the wisdom of our lives into our loved ones? Are we having difficult conversations, asking hard questions and talking about issues without regret? Don't let another day pass by without this book. In Notes to My Son, you'll discover twenty-five topics to inspire deeper, more meaningful conversations throughout your child's life, even if your child is now an adult.

It's Not Summer Without You Candlewick Press

From the author of Models Don't Eat Chocolate Cookies comes a middle grade novel hailed by Linda Urban as “A perfect blend of laugh out loud funny and real-world heart.” Elsie Wyatt wants to be an orchestra superstar, like her dad and grandfather. The first step? Get into a super-selective summer music camp. In order to qualify, Elsie must “expand her musical horizons” by joining her high school's marching band. Not only does this mean wearing a plumed hat and polyester pants, but it also means she can't play her own instrument, can't sit down, and can't seem to say the right thing to anyone...let alone Jake, the cute trumpet player she meets on the first day. Plus, everything she does seems to cause a disaster. Surviving marching band is going to be way harder than Elsie thought. For fans of funny, realistic, every-girl novels like Wendy Mass's 13 Gifts and Lisa Greenwald's My Life in Pink & Green. “It has humor, heart, and a touch of romance that will provide ample fodder for booktalks.”—School Library Journal “Marching-band kids everywhere will enjoy this believable celebration of a life-changing, musical rite of passage.”—Kirkus

When Breath Becomes Air Small Beer Press

The New York Times bestselling “taut, sophisticated thriller” (BCCB, starred review) packed with twists and turns that will leave you breathless. They say Delia burned herself to death in her stepfather's shed. They say it was suicide. But June doesn't believe it. June and Delia used to be closer than anything. Best friends in that way that comes before everyone else—before guys, before family. It was like being in love, but more. They had a billion secrets, binding them together like thin silk cords. But one night a year ago, everything changed. June, Delia, and June's boyfriend Ryan were just having a little fun. Their good time got out of hand. And in the cold blue light of morning, June knew only this—things would never be the same again. And now, a year later, Delia is dead. June is certain she was murdered. And she owes it to her to find out the truth...which is far more complicated than she ever could have imagined. Sexy, dark, and atmospheric, Suicide Notes from Beautiful Girls will keep you guessing until the very last page.

All American Boys Shiloh Kidz

NEW YORK TIMES BESTSELLER AND NATIONAL BOOK AWARD FINALIST A lyrical and authentic book that recounts the story of a border-town family in Brownsville, Texas in the 1980's, as each member of the family desperately tries to assimilate and escape life on the border to become "real" Americans, even at the expense of their shared family history. This is really un-mined territory in the memoir genre that gives in-depth insight into a previously unexplored corner of America.
