Wikipedia

Nothing Feels Good: Punk Rock, Teenagers and Emo is a book by Andy Greenwald, then a senior contributing writer at Spin magazine, published in November 2003 by St. Martin's Press. The title Nothing Feels Good is taken from an album by The Promise Ring, a representative band of the mid-1990s emo scene. The book explores the evolution of the emo scene from basement concerts in the 1980s to stadium shows in the early 2000s, and how this culture has affected its target group, teenagers.
