The Love You Hate Paperback Press
Selected works of Emmuska Orczy from the series "Best of the Best" is the book that everyone should read to understand themselves and each other. The authors and works for this book series were selected, as a result of numerous studies, analysis of the texts over the past 100 years and the demand for readers. It must be read in order to understand the world around us, its history, to recognize the heroes, to understand the winged expressions and jokes that come from these literary works. Reading these books will mean the discovery of a world of self-development and self-expression for each person. These books have been around for decades, and sometimes centuries, for the time they recreate, the values they teach, the point of view, or simply the beauty of words. This volume of the Best of the Best series includes famous works • THE SCARLET PIMPERNEL • I WILL REPAY • THE ELUSIVE PIMPERNEL • EL DORADO • LORD TONY'S WIFE • THE LEAGUE OF THE SCARLET PIMPERNEL • THE LAUGHING CAVALIER • THE OLD MAN IN THE CORNER • PETTICOAT RULE • THE BRONZE EAGLE • BEAU BROCADE • CASTLES IN THE AIR • THE NEST OF THE SPARROWHAWK • THE TANGLED SKEIN • A SHEAF OF BLUEBELLS • "UNTO CÆSAR" • THE END A BRIDE OF THE PLAINS • THE HEART OF A WOMAN • LEATHERFACE • HIS MAJESTY'S WELL-BELOVED

The Masters CIA Thriller Series - Books 1 - 3 Strelbytskyy Multimedia Publishing
An enemies to lovers, standalone novel in The Charge Men Series. A steamy, 18+ standalone novel. Nate Sullivan Keep this chick alive. Don't let her know I'm her bodyguard. What should be an easy task, something I'm trained for, and well practiced in, is a living nightmare. Presley is moody, thinks she's funny when she's not, impossible to track down, and highly unpredictable. As her Charge Man, I'm responsible for keeping her heart beating. The thing is, the closer I get to her, the more my own heart starts beating... for her. Charge Men don't ever fall in love. Especially with their infuriating Principals. It's forbidden. Presley Cohen I went into a protection program after my father tanked the world's economy. He is quite literally the most hated man in the world. Because of that, I'm a target. Gold Hawke, Colorado, isn't a place anyone dreams of visiting, let alone, living. It's a far cry from the glamorous, billionaire lifestyle I'm accustomed to, but at least I'm breathing. I created a redo bucket list. It's filled with things I would never be able to do in my former life in the spotlight. My new frenemy, Nate Sullivan, is infuriated by my list, but who doesn't want to join a roller derby team? Or strip at a strip club? Or ride a bull? Or make that exasperatingly attractive good guy fall in love with you? I have nothing left to lose.

The Return Macmillan
Toni Webster had a vision of what life in her thirties was going to be, but life as she knows it-homeless, jobless, and at odds with her best friend-is nowhere near what she'd hoped. To make matters worse, she has been called back to Lake Harbor, WI where she will be forced to confront past actions and lies. Reluctantly, Toni returns with a plan to leave again as soon as possible. What she doesn't expect is the challenge Gran leaves for Toni in her will. Can a shoebox of letters change her life? It seems unlikely, but Toni has literally nothing left to lose, and everything to gain, if she can find the courage to meet this challenge head-on. Maybe this will be just what she needs to finally set her life back on track. Here's to hoping!
Hate is a Strong Word Independently Published

At age 68, Linda Hilliard was an obese 250 pounds. A lifetime of dieting led to one failed attempt after another. Humiliated by her weight, she had no self-esteem and lacked confidence.Eventually those extra pounds impacted her overall health. There was a cancer scare. She needed double knee replacements. Climbing a flight of stairs left her gasping for air.Aware of her advancing age and the assault of the excess weight on her body, she inwardly feared that her life would be cut short.She was at a crossroad. She could cut years from her life by remaining an overweight, unhealthy woman or she could commit to a diet and reverse a lifetime of bad eating habits. To Linda, it really was a life or death decision.Committing to a diet program, in just two years she lost 110 pounds and shrunk from a size 24 to a size 6. She now exercises daily and is in better physical shape than in her 40s (even her 20s).In Nothing Left to Lose, Linda shares her diet philosophy and how she succeeded in changing her unhealthy eating habits. Let Linda inspire you so you can beat your own diet demons and finally lose the weight you know you should.Linda is proof: It is never is too late to lose weight.

The Entire Works of John Bunyan ... Edited, with Original Introductions, Notes, and a Memoir of the Author, by Henry Stebbing ... Illustrated with Engravings, Etc CreateSpace
Bethany's devastation is complete. Secrets, lies and impossible choices have torn her world apart but it is not the first time she has had to rebuild her world. So she'll do it again...she has to. When Bethany meets Daniel, she is backed into a corner and with the threat of losing even more she comes out fighting. Daniel quickly learns there is nothing quite as intoxicating as a woman with nothing left to lose and nothing quite as irresistible as his Bethany. But there are more games being played than either of them are truly aware and the winning prize is a coveted Happy Ever After.

Hitman from Hell Independently Published
DarioCarelli has one job-get the new bakery owner to fall in line. Cuoricino, New York, their sleepy, small town, has rules. Rules his ironically kind-hearted mob boss brother set in place to keep everyone safe. But Ava Anderson has no intention of following a single one. The woman is a hassle Dario doesn't need. She ignores his ultimatums and mocks his intimidating guards, sending them back to him with a basket

of baked goods and amped up on too much espresso. If Dario thought the charm he once had before landing in prison for a crime that wasn't his would work, he'd teach Miss Ava a lesson in pleasure she wouldn't soon forget. But behind her sarcastic tone and forced smiles, Dario recognizes the same flight-or-fight look in Ava's eyes that had grown sharper in his own reflection during his time locked inside one of New York's roughest prisons: the desperation of someone with nothing left to lose. When Ava takes off, only to return months later pretending she's not looking over her shoulder every time she walks down the street, Dario realizes there's something more dangerous in Cuoricino than the enemies his brother's rules try to safeguard: a woman he'd die to possess and kill to protect.

Silent Echo The University of Sydney
Heartbeats returns readers to the quaint resort town of Sun Valley, Idaho with a moving story about three sisters rebuilding their lives when they've got nothing left to lose. Karyn Macadam is starting over after losing her husband to a skiing accident. She's given her heart to a handsome backcountry pilot and has a new job running the Sun Valley Lodge. Finally, her trampled heart is healing. That is, until a surprise visitor shows up and creates a plot twist that will shock even the most ardent readers. Leigh Ann Blackburn faces an unexpected turn of events that opens old wounds and upends the world Leigh Ann has carefully built--and the results, though not entirely what she expected, might be what she's been yearning for all along. Joie Abbott's long-awaited new beginning comes with unanticipated twists and turns . . . and a risk that will cost her far more than she could have imagined--perhaps more than she can survive. "Welcome into a family you feel you've known for years." A great reading option for fans of Debbie Macomber and Susan Wiggs.

Stage 3 Eden Butler
Sizzling hot and full of action, the Elite Ops military romance series is perfect for fans of Suzanne Brockmann, Julie Ann Walker, and Lynne Ray Harris. The higher the risk, the harder the fall. Maj. Missy Malden loves her job, her plane, and its pilot-not that she could ever let him know. He's way too cocky, way too sexy, and in their job, any distraction is way too dangerous. But when a training exercise spirals out of control, Missy's in the hot seat, and Conrad's the only one who can bail her out . . . Lt. Col. Francis Conrad has always valued Missy too much as his weapons specialist to ever tell her how he really feels. But now that she's been accused of treason, he can't sit back and let her fly solo. To keep her safe, he'll put everything on the line-his career, his heart, and even his life.

The Only Choice Independently Published
When a shattering piece of news awakens his buried desire for vengeance, Richard Marder, with nothing left to lose, sets out to punish the people whose actions, years earlier, changed his life and, with an old army buddy by his side, encounters a colorful cast of dangerous characters along the way.

The Red Couch AuthorHouse
WARNING: THIS BOOK CONTAINS A CLIFFHANGER As with most beginnings, it started with death. When I had nothing left to lose, I traveled to the hut in the woods; the one no one dared approach. The witch who lived there recognized the darkness in my soul and took me under her wing-to witness her reign of terror firsthand and eventually, to inherit her legacy as my own. Now I'm the monster they fear; the one humans avoid at all costs. In this welcome isolation, I've attempted to forget my past and the future that was taken from me. Until three men appear, somehow able to break through my protective wards and see me in my true form. While resistant to their intrusion, I recognize they may be the ones I've been waiting for-the ones I need to ascend to my full power. Too bad I would rather grind their bones than invite them in. But something is mysteriously devouring the forest, and I suspect the threat may be the same one I barely escaped many moons ago. If it is, he will find me a more worthy opponent than the last time we met. I am the Yaga and I may be broken, but my edges are sharp. -- The Yaga's Riders is based on the folklore of Baba Yaga, with creative liberties taken. The Rise of the Witch is the first book in a steamy, paranormal romance saga featuring alphaholes, mysterious forces in magical woods, and a slightly frightening heroine who never has to choose just one man. M/MFM Multiple POV This series is meant for readers 18 and over. Beware: Cliffys ahead! Possible triggers: Sweary dialogue Graphic sex, including kink and various edgeplay Gore and violence Reference to past sexual assault and pregnancy loss General weirdness and medium-dark

elements

In the trilogy's thrilling conclusion, they'll discover if they truly have each other forever To Have and To Hold.

Tricycle Master Communicator's Writing Services
It turns out giving up your “right” to be offended can be one of the most freeing, healthy, simplifying, relaxing, refreshing, stress-relieving, encouraging things you can do. It’s a radical, provocative idea: We’re not entitled to get offended or stay angry. The idea of our own “righteous anger” is a myth. It is the number one problem in our societies today and, as Dallas Willard says, Christians have not been taught out of it. But what if Christians were the most unoffendable people on the planet? In Unoffendable you will find concrete, practical ways to live life with less stress, including: Adjusting your expectations to fit human nature Replacing perpetual anger with refreshing humility and gratitude Embracing forgiveness and beginning to love others in unexpected ways In a humorous and conversational style, Unoffendable seeks to lift religious burdens from our backs and allow us to experience the joy of gratitude, perhaps for the first time, every single day of our lives—flourishing the way God intended.

To Have and to Hold Washington, D.C. : Carnegie Endowment for International Peace
Hell on Earth is a phrase that has been used to describe everything from war to gridlock. Now it will be used to literally describe Hell on Earth. The Bronx can be hard and hot, especially when you've decided to screw the mob in the middle of the summer. Professor Dunlop is a loser's loser, posting a winless record over the past decade, both personally and professionally. He's got one shot at the title, but as with most boxers with a glass jaw relying on a puncher's chance, he's no more likely to succeed than a snowball in Hell. The Mob wants him, but the Devil owns him. Nothing left to lose, including his soul, Dunlop goes to the mats on the very people that coined the term. All Hell breaks loose, even before, Hell breaks loose... Hitman from Hell is a joyous ride through a place no one wants to go to. This book has zero redeeming qualities, and is most likely the least PC book you've ever read. On top of being absolutely deplorable, it's unapologetic to the point of making Trump look like Carter. If you're easily insulted, don't bother reading it, for there are 50 million plus books to choose from. If, on the other hand you want to laugh, while not over thinking why, this may turn out to be one of your favorite books of all time!

Exchange Forever Yours
Clint's city is in ruins. His business is near bankruptcy. But medical hackers have taken control of people's bodies, and Clint is the only one who can stop them. Everyone wants a piece of him, but how much can a man take before he falls apart too? What if all he has isn't enough? When another tragedy rocks the city, Clint finds the connection to the medical hackers. But not before innocent people die. Maybe, someone in the White House. Suffering massive losses, Clint's expected to ignore his company while he chases a monster created by the CIA. Why should they expect Clint to go on this mission and stay sober? How can he stop a madman with nothing left to lose? Another twisty thriller you'll race through because this time, Clint also battles his demons. Get a copy and find out if Clint can even save himself. RECOMMENDED READING ORDER: All my stories intersect, so your favorite characters in one novel may reappear in a completely different series. Mine is a single story world, where storylines and people cross into other lives. Consequently, my books could be read either by series or by the order in which they were written, so I've included both lists: The Masters CIA Thriller Series 3 LIES THE MASTERS' KEY DEAD STORM The Cruise FBI Thriller Series OCEAN OF FEAR SPIDER GAMES ECHOES FROM DEATH The Fender Hacker Thriller Series DARK POOL By Publication Date: 3 LIES DARK POOL OCEAN OF FEAR THE MASTERS' KEY DEAD STORM SPIDER GAMES ECHOES FROM DEATH If you enjoy my work, please tell your friends and leave a review. Your good opinion matters to me and encourages other readers to try my novels. I'd consider it a favor. All the best, Helen p.s. I love to hear from readers. You can find me and get a free thriller here: HelenHanson.com

Nothing Left to Lose SUNY Press
Never mess with a woman with nothing left to lose. Another state. Another city. Another dead-end job. A stellar FBI agent until tragedy set her adrift, Karen Pantelli finds herself working at a pizza joint in Billings, Montana, trying to ignore the increasing global unrest dominating the news, when three armed men walk through the door. Soon a shocking turn of events launches her on a cross-country quest for a former college classmate, an alluring but manipulative woman with just one goal in life: to marry rich. Very rich. But what happens when this stunning beauty ensnares the richest, most powerful man of them all? He may have a singular ambition of his own ... with lethal consequences for a world already in turmoil.
Nothing Left to Give Thomas Nelson

Comparative analysis of the 2011 Arab Spring uprisings. How do we make sense of the Arab revolution of 2011? What were its successes, its failures, and significance in world history? The Arab Revolution of 2011 brings together a broad range of perspectives to explain the causes, processes, and consequences of the revolution of 2011 and its critical implications for the future. The contributors, in this major addition to the sociology of revolutions, step back from the earlier euphoria of the Arab Spring to provide a sober analysis of what is still an ongoing process of upheaval in the Middle East. The essays address the role of national armies and foreign military intervention, the character and structure of old regimes as determinants of peaceful or violent political transformation, the constitutional placement of Islam in post-revolutionary regimes, and the possibilities of supplanting authoritarianism with democracy. The revolution of 2011 is also examined within a broad historical perspective, comparing the dynamics of revolution and counterrevolution in countries such as Tunisia, Egypt, and Libya with such epochal events as the European revolution of 1848 and Russia in 1917.

Lethal Beauty Flying Raven Press
A story about what could happen when a man loses his marriage, wealth, resources and his son to terrorism -- everything. With nothing left to lose or live for, Jim Colby becomes the inevitable man with the necessary skills to attempt vengeance. He is taken into custody and conscripted by the CIA. Leslie Reardon, senate staffer assigned ot investigate finances, closes in on CIA use of illegal assets and is fired for getting too close to the truth, and to Jim Colby. An emotionally demanding fascination propels her to Colby, unleashing the astonishing conclusion.
The Arab Revolution of 2011 Createspace Independent Publishing Platform
Someone's hellbent on taking revenge on Abi and her husband, Henry. But they have absolutely no idea who - or why... Nothing Left To Lose is an electrifying psychological thriller from the No.1 bestselling author, AJ Wills.
