To Have and to Hold Independently Published

Rally around Cole Manchester and Rose Morgan: the rock star and his publicist are about to face their most perilous trials yet. Cole and Rose's passionate love story culminates in this third full-length novel in The Hold series. Back in the spotlight for his world tour, Cole Manchester performs hit after hit before delighted fans. However, his heart remains firmly in Los Angeles with Rose, whose condition remains critical following their terrible car wreck. After lying unconscious for weeks, Rose Morgan awakens to find herself professionally and personally adrift. Her scrambled memories have convinced her Cole is dangerous, compelling her to shut him out and face an uncertain future on her own. With nothing left to lose, Cole's crazed stalker executes her final desperate act. After an explosive finale, who will survive her deadly rampage? Destinies will be altered. Intentions stripped bare. Rose and Cole must face all of their remaining demons if their love is to survive. In the trilogy's thrilling conclusion, they'll discover if they truly have each other forever To Have and To Hold.

The Return Flying Raven Press

Sizzling hot and full of action, the Elite Ops military romance series is perfect for fans of Suzanne Brockmann, Julie Ann Walker, and Lynne Ray Harris. The higher the risk, the harder the fall. Maj. Missy Malden loves her job, her plane, and its pilot—not that she could ever let him know. He's way too cocky, way too sexy, and in their job, any distraction is way too dangerous. But when a training exercise spirals out of control, Missy's in the hot seat, and Conrad's the only one who can bail her out . . . Lt. Col. Francis Conrad has always valued Missy too much as his weapons specialist to ever tell her how he really feels. But now that she's been accused of treason, he can't sit back and let her fly solo. To keep her safe, he'll put everything on the line—his career, his heart, and even his life.

The Love You Hate Independently Published

Penniless and disgraced, Adelaide Wentworth is feeling rather desperate. With nothing left to lose, she and her sister, Louisa, flee to Lake Geneva with Adelaide's lover, the infamous poet Julian Estes. There, Louisa hopes to persuade Bayard Sonnier—celebrated writer and her former lover—to advance Julian's career. He is their last hope for salvation. At the Villa Diodati—the place that inspired the writing of Frankenstein sixty years

earlier—Louisa plots to rekindle her affair with Bayard, while Adelaide hopes to restore her fading love for Julian by being the muse he needs. But soon, secrets are revealed, passions ignited, and hidden talents discovered. Adelaide begins to imagine a different life. Confused, she turns to Giovanni Calina—Bayard's assistant and a man with his own secrets and deep resentments—and the two form a dangerous alliance. No one leaves unscathed in this richly imagined, emotionally nuanced tale of passion, ambition, inspiration, and redemption.

Nothing Left to Lose Washington, D.C. : Carnegie Endowment for International Peace

When a shattering piece of news awakens his buried desire for vengeance, Richard Marder, with nothing left to lose, sets out to punish the people whose actions, years earlier, changed his life and, with an old army buddy by his side, encounters a colorful cast of dangerous characters along the way.

Nothing Left To Lose Independently Published

This book presents a comprehensive guide to anxiety disorders, a major mental health concern in Australia. It uniquely explores a biopsychosocial model adopted by the University of Sydney. Anxiety disorders are common psychiatric conditions with a devastating effect on quality of life that is often underestimated. Unfortunately, anxiety is as misunderstood among patients and health practitioners as it is common. While more than 14 percent of Australians exhibit symptoms of anxiety disorders, only half seek treatment. Of great concern is the fact that 40 percent of those who do seek treatment receive misguided advice. Despite this alarming news, there is hope. The Australian mental health community, particularly the faculty of the University of Sydney, is rallying around anxiety research and clinical treatment. The Sydney Handbook of Anxiety Disorders presents the latest and most comprehensive information on the diagnosis and treatment of anxiety. This guide clearly lays out a biopsychosocial model for understanding anxiety that involves biological activity of the brain, psychological theories on attachment, conditioning, cognition and recognition of social triggers. New and traditional psychological and pharmacological treatment options are meticulously analysed in simple language, while case studies give real-life examples of diagnosis and treatment plans. The Sydney Handbook of Anxiety Disorders shares the experience and expertise of the best medical doctors and mental health specialists in Australia. The result is a must-read manual for anxiety sufferers and those who treat them.

Jack Reacher travels alone and so does his son, Jack Cameron. From Amazon Bestseller, Scott Blade. JACK CAMERON. LONER. HERO. DRIFTER. SON. Jack Reacher has been to a lot of places. One such place is Hope, Colorado and another is Despair, which is nothing more than a ghost town. Jack Cameron has been following in his father's footsteps. Now, he's made his way to Hope, but instead of finding a warm welcome, he finds two dead, off-duty cops, shot to death in the desert, still in their police

car. In the first trek of road, Cameron has found two dead cops and in the next a beautiful cop named Vaughn, but she pegs him as the killer. Until she recognizes him as the son of her old friend? Jack Reacher. What seems like a simple case of two dirty cops killed by their criminal partner, soon turns into a race against time to uncover a deadly secret. Cameron and Vaughn have no one to trust, but each other. Ten years ago, Jack Reacher had nothing to lose. Now, Jack Cameron has nothing left, but to help Vaughn against a deadly enemy. This edition includes a special bonus story: Reckoning Road - A Jack Cameron Novella. The only thing that Jack Cameron finds worse than the long day that he has had trying to hitch a ride on a long, lonely stretch of Route 66 between Texas and New Mexico is the car that comes barreling down the road at high speeds and then almost runs him over. After barely missing Cameron, the car crashes into a tree. Cameron rescues the driver and calls an ambulance for him. Only the driver is more than what he seems and Cameron is sucked into a mystery that leads him to a small roadside town and a witness protection case that is twenty-years-old. Jack Cameron is left alone to protect a witness that has no idea that an old enemy is after her. And Cameron has no idea who the enemy is, but he knows one thing that they are right behind him.

Toni Webster had a vision of what life in her thirties was going to be, but life as she knows it—homeless, jobless, and at odds with her best friend—is nowhere near what she'd hoped. To make matters worse, she has been called back to Lake Harbor, WI where she will be forced to confront past actions and lies. Reluctantly, Toni returns with a plan to leave again as soon as possible. What she doesn't expect is the challenge Gran leaves for Toni in her will. Can a shoebox of letters change her life? It seems unlikely, but Toni has literally nothing left to lose, and everything to gain, if she can find the courage to meet this challenge head-on. Maybe this will be just what she needs to finally set her life back on track. Here's to hoping!

Silent Echo SUNY Press

Boston firefighters Matt Lopez and Eugene "Johnny" Johnson have been best friends for longer than either can remember. The kind of friends who can finish each other's sentences, who always have each other's backs, who fit together like hand-and-glove, who don't keep secrets from each other... Well, maybe just one, but how is a guy supposed to admit he's into other guys when his best friend is homophobic? Besides, it's easy for Johnny to keep that particular secret from Matt when girls are just as much of a turn-on as his best friend is. Especially one girl in particular. Eden Evans. She really doesn't expect to live past her twenty-fifth birthday—not that she can admit that to anyone, since she knows darn well the reason sounds crazy—but still, burning her house down isn't the way she expected to go. Good thing Boston's finest were there to buy her a little more time... her and her book. *The List*. One hundred things Eden's determined to do before she dies. With three months left and just three things still to check off, she just might make it, too. Especially when the hot firefighters who saved her bucket list from burning offer to help. They also offer her a place to stay while she figures out what to do next... and living with two men who heat her up in all sorts of unexpected ways when she's got nothing left to lose? It brings out a side of Eden that she didn't know she had. Suddenly, accepting the hand fate seems determined to deal her is the last thing she wants to do... *THREE* is a 112,000 word steamy, standalone MMF bisexual ménage romance with no cliffhangers, some heated discussions about camels, even more heat in the kitchen, and three people who find a way to make love work, even when the odds are stacked against them. It's intended for readers who enjoy explicit scenes of MF, MM, and MMF on the way to the kind of HEA that combines sweet with heat... and doesn't let up

until everybody is fully satisfied.

Three Thomas Nelson

It turns out giving up your "right" to be offended can be one of the most freeing, healthy, simplifying, relaxing, refreshing, stress-relieving, encouraging things you can do. It's a radical, provocative idea: We're not entitled to get offended or stay angry. The idea of our own "righteous anger" is a myth. It is the number one problem in our societies today and, as Dallas Willard says, Christians have not been taught out of it. But what if Christians were the most unoffendable people on the planet? In *Unoffendable* you will find concrete, practical ways to live life with less stress, including: Adjusting your expectations to fit human nature Replacing perpetual anger with refreshing humility and gratitude Embracing forgiveness and beginning to love others in unexpected ways In a humorous and conversational style, *Unoffendable* seeks to lift religious burdens from our backs and allow us to experience the joy of gratitude, perhaps for the first time, every single day of our lives—flourishing the way God intended.

Comparative analysis of the 2011 Arab Spring uprisings. How do we make sense of the Arab revolution of 2011? What were its successes, its failures, and significance in world history? The Arab Revolution of 2011 brings together a broad range of perspectives to explain the causes, processes, and consequences of the revolution of 2011 and its critical implications for the future. The contributors, in this major addition to the sociology of revolutions, step back from the earlier euphoria of the Arab Spring to provide a sober analysis of what is still an ongoing process of upheaval in the Middle East. The essays address the role of national armies and foreign military intervention, the character and structure of old regimes as determinants of peaceful or violent political transformation, the constitutional placement of Islam in post-revolutionary regimes, and the possibilities of supplanting authoritarianism with democracy. The revolution of 2011 is also examined within a broad historical perspective, comparing the dynamics of revolution and counterrevolution in countries such as Tunisia, Egypt, and Libya with such epochal events as the European revolution of 1848 and Russia in 1917.

The Arab Revolution of 2011 Amnos Media Group

The world went blind. Then it went mad. But the Virus has one more trick up its sleeve... From the author of the post-apocalyptic, zombie horror novels, *Stage 3* and *Stage 3: Alpha*, *Stage 3: Bravo* is a fast-paced, nail-biting thriller for fans of *The Walking Dead* and *World War Z*. Hank Mason had nothing left to lose. But then came Mackenzie. And then came Sarah. And then came the others. Though these seven souls had somehow survived the first days of the epidemic, every minute of life in this new world came at a price. Thrown into a relentless battle against a population turned feral on one side, and desperate men willing to do anything to stay alive on the other, the only question remaining was... How much were they willing to pay to survive? Now, those precious few are in a desperate race to save one more lost soul, and time is running out. The clock started ticking the moment they pulled into that forgotten little corner of a world gone insane. Every second brings them closer to death. They'll have to find a way out... or die trying. Dario Carelli has one job—get the new bakery owner to fall in line. Cuoricino, New York, their sleepy, small town, has rules. Rules his ironically kind-hearted mob boss brother set in place to keep everyone safe. But Ava Anderson has no intention of following a single one. The woman is a hassle Dario doesn't need. She ignores his ultimatums and mocks his intimidating guards, sending them back to him with a basket of baked goods and amped up on too much espresso. If Dario thought the charm he once had before landing in prison for a crime that wasn't his would work, he'd teach Miss Ava a lesson in pleasure she wouldn't soon forget. But behind her sarcastic tone and forced smiles, Dario recognizes the same flight-or-fight look in Ava's eyes that had grown sharper in his own reflection during his time locked inside one of New York's roughest prisons: the desperation of someone with

nothing left to lose. When Ava takes off, only to return months later pretending she's not looking over her shoulder every time she walks down the street, Dario realizes there's something more dangerous in Cuoricino than the enemies his brother's rules try to safeguard: a woman he'd die to possess and kill to protect.

Lethal Beauty Independently Published

At age 68, Linda Hilliard was an obese 250 pounds. A lifetime of dieting led to one failed attempt after another. Humiliated by her weight, she had no self-esteem and lacked confidence. Eventually those extra pounds impacted her overall health. There was a cancer scare. She needed double knee replacements. Climbing a flight of stairs left her gasping for air. Aware of her advancing age and the assault of the excess weight on her body, she inwardly feared that her life would be cut short. She was at a crossroad. She could cut years from her life by remaining an overweight, unhealthy woman or she could commit to a diet and reverse a lifetime of bad eating habits. To Linda, it really was a life or death decision. Committing to a diet program, in just two years she lost 110 pounds and shrunk from a size 24 to a size 6. She now exercises daily and is in better physical shape than in her 40s (even her 20s). In *Nothing Left to Lose*, Linda shares her diet philosophy and how she succeeded in changing her unhealthy eating habits. Let Linda inspire you so you can beat your own diet demons and finally lose the weight you know you should. Linda is proof: It is never too late to lose weight.

Clint's city is in ruins. His business is near bankruptcy. But medical hackers have taken control of people's bodies, and Clint is the only one who can stop them. Everyone wants a piece of him, but how much can a man take before he falls apart too? What if all he has isn't enough? When another tragedy rocks the city, Clint finds the connection to the medical hackers. But not before innocent people die. Maybe, someone in the White House. Suffering massive losses, Clint's expected to ignore his company while he chases a monster created by the CIA. Why should they expect Clint to go on this mission and stay sober? How can he stop a madman with nothing left to lose? Another twisty thriller you'll race through because this time, Clint also battles his demons. Get a copy and find out if Clint can even save himself. **RECOMMENDED READING ORDER:** All my stories intersect, so your favorite characters in one novel may reappear in a completely different series. Mine is a single story world, where storylines and people cross into other lives. Consequently, my books could be read either by series or by the order in which they were written, so I've included both lists: The Masters CIA Thriller Series 3 LIES THE MASTERS' KEY DEAD STORM The Cruise FBI Thriller Series OCEAN OF FEAR SPIDER GAMES ECHOES FROM DEATH The Fender Hacker Thriller Series DARK POOL By Publication Date: 3 LIES DARK POOL OCEAN OF FEAR THE MASTERS' KEY DEAD STORM SPIDER GAMES ECHOES FROM DEATH If you enjoy my work, please tell your friends and leave a review. Your good opinion matters to me and encourages other readers to try my novels. I'd consider it a favor. All the best, Helen p.s. I love to hear from readers. The Song of Deborah, Apply'd to the Battle of Dettingen. A Thanksgiving Sermon [on Judges V. 9], Etc Better Argument Publishing

Heartbeats returns readers to the quaint resort town of Sun Valley, Idaho with a moving story about three sisters rebuilding their lives when they've got nothing left to lose. Karyn Macadam is starting over after losing her husband to a skiing accident. She's given her heart to a handsome backcountry pilot and has a new job running the Sun Valley Lodge. Finally, her trampled heart is healing. That is, until a surprise visitor shows up and creates a plot twist that will shock even the most ardent readers. Leigh Ann Blackburn faces an unexpected turn of events that opens old wounds and upends the world Leigh Ann has carefully built—and the results, though not entirely what she expected, might be what she's been yearning for all along. Joie Abbott's long-awaited new beginning comes with unanticipated twists and turns . . . and a risk that will cost her far more than she could have imagined—perhaps more than she can survive. "Welcome into a family you feel you've known for years." A great reading option

for fans of Debbie Macomber and Susan Wiggs.

Dario Strelbytsky Multimedia Publishing

This is a report made after World War I describing the political and social conditions in Germany in an effort "to assist in laying the basis for a new and better understanding of the German people of today." --page vii.

Selected works of Emmuska Orczy Lake Union Publishing

Someone's hellbent on taking revenge on Abi and her husband, Henry. But they have absolutely no idea who - or why... *Nothing Left To Lose* is an electrifying psychological thriller from the No.1 bestselling author, AJ Wills.

The Sydney Handbook of Anxiety Disorders Malachite Publishing

It's called Bear Country, an untamed alternate reality where humans never evolved, but saber-tooth tigers and suspiciously intelligent little green monkeys did. Random chunks of Bear Country are temporarily swapped-exchanged-with Earth, bringing a risk-averse, bubble-wrapped society unimagined threats, from giant bears to the hazards of unknown bacteria. They also bring opportunity for anyone brave enough-or crazy enough-to settle there. Computer guru Sharon Mack prepares to evacuate when she finds out her town is about to be Exchanged . But when her crazed ex-husband kidnaps their autistic daughter, dragging her into Bear Country, Sharon has no choice but to go after them, find her daughter, and escape before the Exchange reverses, cutting her off from her own reality forever. Flash floods and giant bears aren't the most dangerous thing in this wild frontier. Bands of escaped convicts, with nothing left to lose, roam freely in a land with no laws but survival of the strongest. Then there's enigmatic Leo West and the secretive Sister West cult, determined to claim Bear Country for their own. And there are those willing to kill to hide the true secrets of the Exchange. Exchange is the first book in the Exchange universe. The second is *Devouring Wind*, available now.

Rise of the Witch Simon and Schuster

****WARNING: THIS BOOK CONTAINS A CLIFFHANGER**** As with most beginnings, it started with death. When I had nothing left to lose, I traveled to the hut in the woods; the one no one dared approach. The witch who lived there recognized the darkness in my soul and took me under her wing-to witness her reign of terror firsthand and eventually, to inherit her legacy as my own. Now I'm the monster they fear; the one humans avoid at all costs. In this welcome isolation, I've attempted to forget my past and the future that was taken from me. Until three men appear, somehow able to break through my protective wards and see me in my true form. While resistant to their intrusion, I recognize they may be the ones I've been waiting for-the ones I need to ascend to my full power. Too bad I would rather grind their bones than invite them in. But something is mysteriously devouring the forest, and I suspect the threat may be the same one I barely escaped many moons ago. If it is, he will find me a more worthy opponent than the last time we met. I am the Yaga and I may be broken, but my edges are sharp. -- *The Yaga's Riders* is based on the folklore of Baba Yaga, with creative liberties taken. *The Rise of the Witch* is the first book in a steamy, paranormal romance saga featuring alphaholes, mysterious forces in magical woods, and a slightly frightening heroine who never has to choose just one man. M/MFM Multiple POV This series is meant for readers 18 and over. Beware: Cliffys ahead! Possible triggers: Swear dialogue Graphic sex, including kink and various edgeplay Gore and violence Reference to past sexual assault and pregnancy loss General weirdness and medium-dark elements

The Only Choice Eden Butler

When Levi's new job puts him in Thane's path, their chemistry explodes, but their fear of being involved in relationships keeps them apart. Unfortunately, despite the intense desire drawing

them together, neither man can move forward until they get past their own Reservations.
