#### *A Dream Called Home* ABC-CLIO

From bestselling author of the remarkable memoir, *The Distance Between Us* comes an inspiring account of one woman's quest to find her place in America as a first-generation Latina university student and aspiring writer determined to build a new life for her family one fearless word at a time. "Here is a life story so unbelievable, it could only be true"

(Sandra Cisneros, bestselling author of *The House on Mango Street*). As an immigrant in an unfamiliar country, with an indifferent mother and abusive father, Reyna had few resources at her disposal. Taking refuge in words, Reyna's love of reading and writing propels her to rise above until she achieves the impossible and is accepted to the University of California, Santa Cruz. Although her acceptance is a triumph, the actual experience of American college life is intimidating and unfamiliar for someone like Reyna, who is now estranged from her family and support system. Again, she finds solace in words, holding fast to her vision of becoming a writer, only to discover she knows nothing about what it takes to make a career out of a dream. Through it all, Reyna is determined to make the impossible possible, going from undocumented immigrant of little means to "a fierce, smart, shimmering light of a writer" (Cheryl Strayed, author of *Wild*); a National Book Critics Circle Award Finalist whose "power is growing with every book" (Luis Alberto Urrea, Pulitzer Prize finalist); and a proud mother of two beautiful children who will never have to know the pain of poverty and neglect. Told in Reyna's exquisite, heartfelt prose, *A Dream Called Home* demonstrates how, by daring to pursue her dreams, Reyna was able to build the one

thing she had always longed for: a home that would endure.

**The Worst Vacation Ever!** Thirteen-year-old Kyle thought spending a vacation on the Oregon coast with his family would be great. He'd never flown before, and he'd never seen the Pacific Ocean. One evening Kyle is left in charge of his younger sister, BeeBee, while his parents attend an adults-only Salesman of the Year dinner on an elegant yacht. Then the earthquake comes -- starting a fire in their hotel! As Kyle and BeeBee fight their way out through smoke and flame, Kyle remembers the sign at the beach that said after an earthquake everyone should go uphill and inland, as far from the ocean as possible. Giant tsunami waves -- three or four stories high can ride in from the sea and engulf anyone who

doesn't escape fast enough. Kyle and BeeBee flee uphill as a tsunami crashes over the beach, the hotel, and the town. The giant wave charges straight up the hillside and through the woods where the children are running for their lives. The perfect vacation has become a nightmare! Somehow Kyle and BeeBee have to outwit nature's fury and save themselves from tsunami terror.

[A Guide for Using Johnny Tremain in the Classroom](#) Penguin

Dear Gram and Grampop, Please do not address yours truly as California anymore, California Morning Whipple being a foolish name for a duck much less a girl. I call myself Lucy now. I cannot hate California and be California. I know you will understand. California doesn't suit Lucy Whipple -- not the name, not the place. But moving out West to Lucky Diggins, California, was her mama's dream-come-true. And now her brother, Butte, and sisters, Prairie and Sierra, seem to be Westerners at heart, too. For Lucy, Lucky Diggins is hardly a town at all -- just a bunch of ramshackle tents and tobacco-spitting miners. Even the gold her mama claimed was just lying around in the fields isn't panning out. Worst of all, there's no lending library! Dag diggety! So Lucy vows to be plain miserable until she can hightail it back East where she belongs. But Lucy California Morning Whipple may be in for a surprise -- because home

is a lot closer than she thinks... When California Morning Whipple's widowed mother uproots her family from their comfortable Massachusetts environs and moves them to a rough mining camp called Lucky Diggins in the Sierras, California Morning resents the upheaval. Desperately wanting to control something in her own life, she decides to be called Lucy, and as Lucy she grows and changes in her strange and challenging new environment. Here Karen Cushman helps the American Gold Rush spring to colorful life, just as she did for medieval England in her previous two books, *Catherine*, *Called Birdy* and *The Midwife's Apprentice*, which won Newbery Honor status and a Newbery Medal respectively.
