Liberator "Everyone wanted
to believe that endless love
was possible. She'd believed
in it once, too, back when
she was eighteen." In the
spring of 1984, high school
students Amanda Collier
and Dawson Cole fell
deeply, irrevocably in love.
Though they were from
opposite sides of the tracks,
their love for one another
seemed to defy the realities
of life in the small town of
Oriental, North Carolina.
But as the summer of their

senior year came to a close,
unforeseen events would tear
the young couple apart,
setting them on radically
divergent paths. Now,
twenty-five years later,
Amanda and Dawson are
summoned back to Oriental
for the funeral of Tuck
Hostetler, the mentor who
once gave shelter to their
high school romance.
Neither has lived the life they
imagined . . . and neither
can forget the passionate first
love that forever changed
their lives. As Amanda and
Dawson carry out the
instructions Tuck left behind
for them, they realize that
everything they thought they
knew -- about Tuck, about
themselves, and about the
dreams they held dear -- was
not as it seemed. Forced to
confront painful memories,
the two former lovers will
discover undeniable truths

about the choices they have made. And in the course of a single, searing weekend, they will ask of the living, and the dead: Can love truly rewrite the past?

The bad girls of Gotham meet the good girls of Riverdale! Hiram Lodge (Veronica's father) wants to invest in the future by building a university with free tuition for Riverdale's residents. His site is a protected swamp on the outskirts of town, and

once news of the plan reaches Gotham City, a certain eco-warrior (a.k.a. Poison Ivy) is determined to prevent the dream from becoming reality.

However, once Poison Ivy and her bestie Harley Quinn arrive, they get mixed up in the sort of hijinks that can only happen in Riverdale. At a superhero-themed costume party, the night's entertainment--Zatanna--manages to place the personas of the Gotham City Sirens into the bodies of the town's notorious frenemies: Betty Cooper and Veronica Lodge. While Ivy (in Ronnie's body) seeks to derail Lodge's agenda from within, more than a few nefarious forces--from Jason and Cheryl Blossom to the Clown

Prince of Crime himself--have their own foul plans. This groundbreaking miniseries teams up two of fandom's best-known duos, bringing the ladies of Gotham and Riverdale together for the first time! This madcap mayhem comes courtesy of Paul Dini (Harley Quinn) and Marc Andreyko (Wonder Woman '77), with art by Laura Braga (DC Comics: Bombshells)! Collects Harley & Ivy Meet Betty & Veronica #1-6.

Collected interviews
featuring the Nebula
Award – winning author
and his thoughts on
topics like literary
criticism, comic books,
race, and sexuality. For
nearly three decades,

Samuel R. Delany ' s
science fiction has
transported millions of
readers to the fringes of
time, technology, and
outer space. Now Delany
surveys the realms of his
own experience as a
writer, critic, theorist,
and gay Black man in this
collection of written
interviews, a type of
guided essay. Because
the written interview
avoids the “ mutual
presence positioned at
the semantic core ” of
traditional interview,
Delany explains, “ a kind
of cut remains between
the participants—a fissure
in which the truths there
may be more malleable,
less rigid. ” Within that
fissure Delany pursues
the breadth and depth of
his ideas on language and
theory, the politics of
literary composition, the
experience of

marginality, and the philosophical, commercial, and personal contexts of writing today. Gathered from sources as diverse as *Diacritics* and *The Comics Journal*, these interviews reveal the broad range of Delany's thought and interests. "Delany has a unique place in late twentieth century letters. A lifelong inhabitant of the margins, both social and literary, he has used his marginalized status as a lens to focus his astute observations of American literature and society. From these interviews his voice emerges, provocative, precise, and engaging." —Kathleen Spencer, University of Nebraska

"Samuel R. Delany never shies away from contestable positions or provocative opinions. In his fiction, Delany can write like quicksilver, and in lectures or panel discussions, he is easily SF's most articulate spokesperson in academia. . . . There is much here that is not covered in Delany's critical or autobiographical writings, and much that anyone seriously interested in SF—or many of Delany's other favorite topics—ought to consider." —Locus

"Delany is fascinating whether discussing SF, comics, or his experiences as a Black American, and this collection . . . is as entertaining as it is informative." —Science Fiction Chronicle

"Yevgeny Zamyatin? Stanislaw Lem? Forget it! Delany is both, with a lot of Borges and Bruno

Schultz thrown in. ”

A sweeping adventure, set in the late 19th century, about science, love, and finding your place in the world, perfect for fans of Ruta Sepetys and Julie Berry. Seventeen-year-old Elizabeth Bertelsen dreams of becoming an astronomer, but she knows such dreams are

as unreachable as the stars she so deeply adores. As a Mormon girl, her duty is to her family and, in a not too far away future, to the man who'll choose to marry her. When she unexpectedly finds herself in Colorado, she's tempted by the total eclipse of the sun that's about to happen--and maybe even meeting up with the female scientists she's long admired. Elizabeth must learn to navigate this new world of possibility: with her familial duties and faith tugging at her heartstrings, a new romance on the horizon, and the study of the night sky calling to her, she can't possibly have it all...can she?

A crowd of siblings gathers in Dublin for the wake of their wayward brother in this “stunning novel by the award-winning author of *Actress* (The Washington Post). The surviving children of the Hegarty clan are gathering for the wake of their wayward, alcoholic brother, Liam, drowned in the sea after filling his pockets with stones. He is the third of the twelve Hegarty siblings to die. His sister, Veronica, collects the body and keeps the dead man company, guarding the secret she shares with him—something that happened in their grandmother’s house in the winter of 1968. As prize-winning author Anne Enright traces the

line of betrayal and redemption through three generations, her distinctive intelligence twists the world a fraction and gives it back to us in a new and unforgettable light. The *Gathering* is an “wonderfully elegant and unsparing” epic of an Irish family (Los Angeles Times)—a novel about love and disappointment, how memories warp and secrets fester, and how fate is written in the body, not in the stars. “Entrancing...a haunting look at a broken family stifled by generations of hurt and disappointment, struggling to make peace with the irreparable.” —Entertainment Weekly “A melancholic love and rage bubbles just beneath the surface of this Dublin clan, and Enright explores it

unflinchingly.” —Publisher’s Weekly “Her sympathy for her characters is as tender and subtle as Alice McDermott’s; her vision of Ireland is as brave and original as Edna O’Brien’s. The Gathering is her best book.” —Colm Toibin

“Hypnotic.” —Booklist (starred review)

Washington, D.C., and

Alabama. The silver

fleece refers to the

story, Blessed Alwyn tries to come to terms with how a black man can integrate into society. He gets an education and moves to Washington, where he meets well-to-do blacks who seem to be living the kind of lives slaves had struggled for. Only, Blessed comes to find out, they have to make many compromises in order to be accepted by their white neighbors. Anyone with an interest in race relations and life at the turn of the 20th century will find this book about economics, race, love, and the hero's quest an astute sociological study.
