European History For Dummies Little, Brown Books for Young Readers

Private detective Paul Artisan investigates the disappearance of one of a pair of adult twins, the scions of a wealthy but tragedy-prone family, but as he follows a trail across the globe, he discovers that there may be more at stake than a fortune.

**The Crossover** Sourcebooks, Inc.

Lending a creepy and undesirable makeover to the age old near-death experience, *The Layover* takes you on a peculiar journey into the unknown. On this journey, laced with tormented memories and deep regret, reality crosses paths with an unexplored and seemingly chaotic ethereal plane. After enduring a near-fatal car accident, an emotionally tormented advertising executive finds that life after death might be a real possibility. Although it may not be exactly what one would expect. While awaiting resuscitation, the protagonist experiences an out-of-body "layover". This layover is hosted by a vile night watchman—an unkempt ex-mortician who has a fetish for the dead. Curious circumstances are scattered beneath the surface of the past, just waiting to be uncovered. And unearthing the wrong fact could prove to be fatal. Can the past ever truly be buried? Or is it bound to linger on, haunting the living—and the dead.

*In the Blood* Macmillan

This box set contains the first three books in the *Royals of Valleria* series: *Alexander & Rebecca*, *Marcello & Grace*, and *Arianna & Finn*. These novels feature royal families that love one another (even while they annoy or fight with each other), elements of suspense and politics, and a look behind fictional palace walls. These are standalone novels in the series with no cliffhanger, and feature sexy scenes and swearing.

Emotional trigger warning: potential assault, domestic abuse, and pregnancy. \*\*\* *Alexander & Rebecca* (*Royals of Valleria* #1) A future king claiming the woman he loves. Prince Alexander, heir to the throne of Valleria, takes his duties very seriously. So seriously, in fact, that he's followed duty over pursuing the woman he's loved for years. However, now it's time for him to marry, and he's tired of waiting. He'll pursue her despite royal objections, and despite her own. A commoner falling in love with a prince. Rebecca Campo loves her work as chief of staff to Princess Catharine, her friend and Prince Alexander's twin sister. Alex is every woman's dream, and it comes as a shock when he seems to want her. Even after their passions overtake them, Rebecca still doesn't believe they're meant for forever because she's only a commoner, not a future queen. An unexpected threat that can destroy them both. When a death threat is made against Alex, the whole family goes on alert. What no one counted on, however, was Rebecca getting caught in the crossfire. This novel features an older virgin and the future king who wants her, a royal family that loves one another (even while they annoy each other),

and a look behind fictional palace walls. \*\*\* *Marcello & Grace* (*Royals of Valleria* #2) A widow with a tragic past, who never thought she'd love again. Widowed one year after a disastrous marriage, English Lady Grace still carries the visible and hidden scars of her past, yet she's finally ready for a visit from one of her oldest friends, Valleria's Princess Catharine. What she didn't expect was a visit from her brother, Prince Marcello. When she begins to feel the first stirrings of love within her, can she overcome the horrors of her past to make a future with him? A prince protecting his country, torn from the woman he loves for a dangerous mission. Prince Marcello, head of Valleria's national security and defense, is still dealing with the fallout from security breaches under his watch. After long days and nights of political maneuvering in London to reclaim Valleria's and his reputation, he takes a needed break by joining his sister on a visit to her friend, Lady Grace. What he thought would be a relaxing week becomes anything but when he begins to fall in love with her. In the midst of blooming love, Marcello is asked to lead a secret, dangerous mission to thwart an international threat. Marcello knows he must go, both for his country's honour and for his own. Will he survive? And, if he does, will Grace be waiting for him upon his return? This novel features a widow and the badass prince who loves her, a royal family that loves one another (even while they annoy each other), and a look behind fictional palace walls. \*\*\* *Arianna & Finn* (*Royals of Valleria* #3) A Princess engaged to a man she doesn't love. Proper Princess Arianna vowed to stay on the straight and narrow after a disastrous decision years ago embarrassed both her and her royal family. When a marriage of convenience is proposed between her and Brazenbourg's ruling prince, she jumps at the chance for redemption. She doesn't believe in love anymore – at least she thought she didn't until she met her fiancé's brother, Prince Finn. Drawn to another man she shouldn't want. As second in line to the throne of Brazenbourg, bad boy Prince Finn cares little for his arrogant older brother Henry, but does care deeply for Brazenbourg. When Henry becomes engaged to Arianna for convenience and not love, he can't help but be intrigued by a woman who would give up her future for her country. When the passionate nature she hides breaks through her prim exterior, Finn realizes he wants her and not just in bed. He knows his brother may make a more proper match, but can he convince her, and himself, to take a chance on each other despite the international fallout? For a love that won't be denied. When Henry's true motives are revealed and Arianna is placed in danger's path, can Finn act quickly enough to help her? Or will Arianna need to save herself? This novel features a proposed marriage of convenience with the wrong man and a love that can't be denied with the right man, a royal family that loves one another (even while they annoy each other), and a look behind fictional palace walls. \*\*\* Meet the *Royals of Valleria*, a country as old as the fall of the Roman Empire. The reigning king and patriarch rules with his beloved queen. Nine children, now grown, ranging from the eldest twins to the youngest son, watch over the country they love and care for. Bound by honour, duty, and loyalty, follow their lives as they fall in love, face tragedies, and triumph against the evils facing them. Want more *Royals*? Book 1: *Alexander & Rebecca* Book 2: *Marcello & Grace* Book 3: *Arianna & Finn* Book 4: *Charlotte & Nate* Book 5: *A Royal Holiday* (novella) Book 6: *Catharine & Edward* Book 7: *Royally Ever After* Book 8: *Lorenzo & Lily* Book 9: *Sarah & Vittorio* Book 10:

Permanently Princess (novella) Book 11: Ethan & Anda Box Set: Books 1-3 Box Set: Books 4-6 Box Set: Books 7-9

*Calico: Children of the Shawnee* Penguin

Sometimes evil has a familiar face . . . Paul Artisan, P.I. is a new version of an old breed -- a righter of wrongs, someone driven to get to the bottom of things. Too bad his usual cases are of the boring malpractice and fraud variety. Until now. His new gig turns on the disappearance of one of a pair of twins, adult scions of a rich but tragedy-prone family. The missing twin -- a charismatic poster-boy for irresponsibility -- has spent his life daring people to hate him, punishing himself endlessly for his screw-ups and misdeeds. The other twin -- Artisan's client -- is dutiful and resentful in equal measure, bewildered that his "other half" could have turned out so badly, and wracked by guilt at his inability to reform him. He has a more practical reason, as well, for wanting his brother found: their crazy father, in failing health and with guilty secrets of his own, will not divide the family fortune until both siblings are accounted for. But it isn't just a fortune that's at stake here. Truth itself is up for grabs, as the detective's discoveries seem to challenge everything we think we know about identity, and human nature, and family. As Artisan journeys across the globe to track down the bad twin, he seems to have moved into a mirror-world where friends and enemies have a way of looking very much alike. The P.I. may have his long-awaited chance to put his courage and ideals to the test, but if he doesn't get to the bottom of this case soon, it could very well cost him his life. Troup's long-awaited *Bad Twin* is a suspenseful novel that touches on many powerful themes, including the consequence of vengeance, the power of redemption, and where to turn when all seems lost. *Bad Twin* is a work of fiction and all names, characters and incidents are used fictitiously; the author himself is a fictional character.

*Royals of Valleria Box Set (Books 1-3)* Harlequin

In a society that purges thirteen-year-olds who are creative, identical twins Aaron and Alex are separated, one to attend University while the other, supposedly Eliminated, finds himself in a wondrous place where youths hone their abilities and learn magic.

**The Crossover** Disney Electronic Content

Jessica Salone had a one night stand that resulted in twins. Years later, a hereditary issue arises. The only way to help her son is to get in touch with his father, who doesn't even know the twins exist. Facing her regrets head on, she takes her twins to the resort where it all started. Will Alexander reject them? Will Jessica find the answers she needs? Or will she be thrown into a world of the unknown. Alexander Jamison is trying to find information as to why unknown shifters have been in the area. When he hears that a woman called asking questions, he is suspicious. Is something in his past catching up to him? Could the timing be a coincidence or is there something more sinister going on?

Open Road Media

Harry Mathews's last novel is one of his most accessible—and perhaps one of his best. Harry Mathews's brilliant final work, *The Solitary Twin*, is an engaging mystery that simultaneously considers the art of storytelling. When identical twins arrive at an unnamed fishing port, they become the focus of the residents' attention and gossip. The stories they tell about the young men uncover a dizzying web of connections, revealing passion, sex, and murder.

Fates are surprisingly intertwined, and the result is a moving, often hilarious, novel that questions our assumptions about life and literature.

*The Unwants* GENERAL PRESS

A New York Times–bestselling trilogy about the ancient Greek kingdom of Macedon and its leader from an author hailed by Hilary Mantel as “a shining light.” *Fire from Heaven* is a gripping account of the formative years of Alexander's life. The story tells of his complex relationship with his parents; of his two great bonds—to his horse, Oxhead, and to his dearest friend and eventual lover, Hephaestion—and of the army he commands when he is barely an adult. Coming of age during the battles for southern Greece, Alexander the Great first takes someone's life at age twelve and swiftly eliminates his rivals as soon as he comes to power, emerging in this novel as a captivating and complex figure. The iconic Persian Boy centers on the Macedon king as seen through the eyes of his lover and most faithful attendant, the eunuch Bagoas. When Bagoas is very young, his father is murdered and he is sold as a slave to King Darius of Persia. Then, when Alexander conquers the land, he is given Bagoas as a gift, and the boy is besotted. This passion comes at a time when much is at stake—Alexander has two wives, conflicts are ablaze, and plots on his life abound. The result is a riveting account of a great conqueror's years of triumph and, ultimately, heartbreak. In *Funeral Games*, a bloody struggle for power rages after the death of Alexander, leaving an empire that extends from the Adriatic Sea to the Indus River. The power players include Ptolemy, two father-son teams, and a cadre of influential women—not least of whom is Eurydike, whose plan is to marry Alexander's disabled brother, Arridaios. Brimming with outsize personalities, brazen plots, and a sweeping sense of history, *Funeral Games* brings to vivid life the world of Alexander the Great, and the seismic tumult in the wake of his death. This ebook features an illustrated biography of Mary Renault including rare images of the author. “Mary Renault is a shining light to both historical novelists and their readers. She does not pretend the past is like the present, or that the people of ancient Greece were just like us. She shows us their strangeness; discerning, sure-footed, challenging our values, piquing our curiosity, she leads us through an alien landscape that moves and delights us.” —Hilary Mantel

**Can't Resist Her** Andersen Press Limited

Fourteen-year-old twin basketball stars Josh and Jordan wrestle with highs and lows on and off the court as their father ignores his declining health.

*Always* Lulu.com

Examining the interactive roles of nature and nurture in psychological and physical development, Neubauer and Neubauer show how each person is greater than the sum of his or her parts. They discuss how temperament, tastes and skills unfold throughout life and the need for this to remain unimpeded.

"A lush, beautifully written story about the indelible mark of first love. Intelligent, fresh, and utterly lovely."—KRISTAN HIGGINS Can a smoldering kiss on the beach . . . Rekindle old flames? Dr. Imani Grant isn't looking for love. Between the rigors of medical school and the opening of her own dermatology practice, there is simply no room in her life. But when she's called upon—yet again—to be a bridesmaid for one of her best friends, she comes face to face with the man who broke her heart ten years ago. Xavier Whitted may be just as handsome and charming as she remembers, but their knee-trembling kiss on the beach won't change a thing. Except—it changed everything. Now Xavier is back in her life and determined to win her heart. And, though Imani harbors a secret that could put both their blossoming careers in jeopardy, she's finding it harder and harder to keep her distance. "A page-turner." ?RT Book Reviews for *This Tender Melody* *The Name of this Book Is Secret* Harper Collins

From the author of *Messiah*, *Storm* and *Vodka* comes a thrilling mystery set during the Great Fog of post-World War Two London, a time of secrets and intrigue. At first, it seems the Great Fog has claimed another victim. A drunk, perhaps, wandering unsighted through Hyde Park and stumbling into the icy shallows of Long Water. But Max Stensness was stone cold sober when he died. And in the hours before his death, the young biochemist had claimed to be in possession of a secret that would change the world. Having traded MI5 for New Scotland Yard, Detective Inspector Herbert Smith thinks he

---

has left the murky world of espionage behind him – until he begins retracing the final footsteps of Max Stensness. Suddenly he's being tailed, and thinly veiled threats are issued—danger lurks at every turn in the investigation. The CIA, KGB and MI5 are all vying to get their hands on the dead man's secret, and as the body count climbs, it's clear there's someone who will stop at nothing to claim it.

Alexander and the Terrible, Horrible, No Good, Very Bad Day

HarperCollins

The story of Gio's Heart was inspired by the life of my son, Gianni "Gio" Young, who was born with a congenital heart defect called Hypoplastic Left Heart Syndrome or HLHS. Gio's Heart embellishes on personal lessons learned throughout a challenging ICU experience to illustrate the effect that one child's heart had on all who were connected to him. Gio's Heart encourages the spread of love, forgiveness, hope, and kindness, as well as allows young readers to practice visual recognition, use their motor skills, and use their imagination. Gio's Heart was written and illustrated with young children who have brief or extended stays in the ICU, as well as their parents and family members in mind. It is our hope that you can find support, representation, and encouragement within this book. Gio's Heart is dedicated to Gio and to all of the brave children with congenital heart defects worldwide.

**Bad Twin** John Wiley & Sons

Read the series that's sold more than 2 million copies--if you dare! Warning: this description has not been authorized by Pseudonymous Bosch. As much as he'd love to sing the praises of his book (he is very vain), he wouldn't want

you to hear about his brave 11-year old heroes, Cass and Max-Ernest. Or about how a mysterious box of vials, the Symphony of Smells, sends them on the trail of a magician who has vanished under strange (and stinky) circumstances. And he certainly wouldn't want you to know about the hair-raising adventures that follow and the nefarious villains they face. You see, not only is the name of this book secret, the story inside is, too. For it concerns a secret. A Big Secret.
