July 6, 2016. McCloud Services Whitepaper. One example of the technological revolution that is occurring in the pest management industry is that of the new Field Guide App from the National Pest Management Association (NPMA). The app is based on content from NPMA's Field Guide to Structural Pests, an 800-page reference source that includes detailed information on identification, biology, and control of nearly 200 different structural pests with color photos and

drawings.
