July 6, 2016. McCloud
Services Whitepaper. One
example of the technological
revolution that is occurring in
the pest management industry
is that of the new Field Guide
App from the National Pest
Management Association
(NPMA). The app is based on
content from NPMA's Field
Guide to Structural Pests, an
800-page reference source that
includes detailed information
on identification, biology, and
control of nearly 200 different
structural pests with color
photos and drawings.
