EMT Exam Study Guide 2020-2021 Princeton Review
REA's TExES PPR EC-12 (160) Test Prep with Online Practice Tests (6th ed.) Gets You Certified and in the Classroom! Fully revised and updated 6th edition! Our test prep is designed to help teacher candidates master the information on the TExES PPR EC-12 (160) exam and get certified to teach in Texas. It's perfect for college students, teachers, and career-changing professionals who are looking

to teach Early Childhood through Grade 12 in Texas. Written by a leading specialist in teacher education, our complete study package contains an in-depth review of all four state-defined domains and the 13 competencies, including discussions of key educational concepts and theories, as well as relevant laws. A diagnostic test and three full-length practice tests are offered online in a timed format with instant scoring, diagnostic feedback, and detailed explanations of answers. Each test features every type of question, subject area, and skill you need to know for the exam. Our online practice tests replicate the Pearson TExES question format, allowing you to assess your skills and gauge your test-readiness. The book includes two of the three practice tests in print. The online tests at REA's Study Center offer the most powerful scoring and diagnostic tools available today. Automatic scoring and instant reports help you zero in on the topics and types of questions that give you trouble now, so you'll succeed when it counts. Every practice exam comes with detailed feedback on every question. We don't just say which answers are right - we explain why the other answer choices are wrong - so you'll be prepared on test day. This complete test prep package comes with a customized study schedule and REA's test-taking strategies and tips. This test prep is a must-have for anyone who wants to teach EC-12 in Texas!

EMT Study Guide John Wiley & Sons
If you want to pass the NREMT Exam but don't have a lot of time for studying keep reading..... You are no doubt a busy student with a lot of things going on! It can be challenging to find the time to read your EMT textbook in preparation for the NREMT Exam. However, the truth is that the NREMT is a challenging computer adaptive test, meaning the difficulty of the questions are adjusted based on the responses you provide. It is normal to have some anxiety about taking this test. The NREMT only allows a max number of 6 tries to pass the test. Thorough preparation cannot be overlooked therefore. That is why the author Jamie Montoya, an EMS professional, developed the EMT Study Guide! This Edition Contains hundreds of practice questions, from all categories of the exam. It comes in text format, so that you can bring it wherever life takes you! It's sections include: Airway, Respiration & Ventilation Cardiology & Resuscitation EMS Operations Medical Emergencies & Gynecology Trauma Each section is divided into further subsections making sure all aspects of the exam are covered! If you read our study guide and take the time to really understand the concepts, we are confident you will pass the NREMT and be on your way to a new career!

EMT Basic Exam Textbook Research & Education Association REA's EMT Flashcard Book, 4th Edition Raise your score with 400 must-study test questions! REA's flashcard book for the EMT exam helps you check your test-readiness and get a high score. Our flashcard book is the perfect refresher and offers a quick and convenient way to practice answering questions while pinpointing your strengths and weaknesses. Written by an expert with nearly 30 years of experience in the fire and EMS arenas, our flashcards give you full scenarios to evaluate in a multiple-choice format, just like the actual test. The book contains 400 must-study questions that cover all the test categories on the EMT exam: airway and breathing, cardiology, medical, obstetrics and pediatrics, and trauma. Handy icons help you locate questions by subject, so you can review and test your knowledge in specific areas. The book also includes fun facts about the medical/EMT profession and its history. Unlike most flashcards that come loose in a box, our flashcards are bound in an organized, portable book that makes studying a breeze. Our concise question and answer format makes it easy to find the right answer, and we give details explaining why the answer is correct. REA's EMT flashcards are perfect for on-the-go review and ideal for individual, classroom, or group study.
