Shana Ab é has entranced countless readers with her passion-filled novels of adventure, intrigue, and romance. Now the author of *The Secret Swan* delivers a gift from the sea: three hauntingly beautiful tales connected by a legend, a locket, and a love beyond time. 531 a.d.: The tiny island of Kell is said to be enchanted, inhabited by an extraordinary creature who comforts shipwrecked sailors passing into the next world. Prince Aedan of the Isles believes in no such nonsense—until he awakens on Kell itself and meets the sensuous siren who rescued him from the sea. 1721: Ronan MacMhuirich, Earl of Kell, is the target of an unlikely assassin: Leila, a mysterious woman from an exotic land. But his irresistibly beautiful would-be slayer is in just as much danger as Ronan when she falls for this man with a magic of his own. 2004: What do you do when you inherit a Scottish island you never knew existed—and find yourself pursued by a handsome stranger who wants to buy it from you? That ’ s what happens to Ruri Kell when she accepts Iain MacInnes ’ s invitation to visit her birthright, and listens to a proposition as sinfully tempting as everything else about him. Three seductive love stories, three passionate couples, all linked by one of the most romantic myths of all.

Gentlehands

Natasha Munro is your typical twenty eight year old girl, well your typical twenty eight year old English loud 'n' proud Geordie; curvy, fun and a whole load of fab-u-lous. Her life is all going to plan - good job, great friends, close family and a loving boyfriend - until an unexpected event stands everything on its head.Nursing a broken heart and decked head-to-toe in tasselled chaps and rhinestones, Natasha and her flamboyant fairy of a gay best friend, Tink, uproot from their North-Eastern nest, throw caution to the wind and embark on a new life together in Canada. Canada - Land of the Rocky Mountains, maple syrup; oh, and an 'in-between movies' Hollywood mega-star.Enter infamous bad-boy of the big screen, Tudor North -Tudor 'bloody' North! Tudor is towering, brooding and gorgeous, and he is harbouring a deep secret. His outward demeanour is cold and intimidating, and with it he successfully keeps everyone at arm's length; that is everyone except a certain Ms. Munro.It soon becomes clear; what with her smart mouth and lusciously ample arse, that Natasha proves more than a match for our emotionally-distant mega-star.Will Natasha settle into her new life in Canada? Will she ever find her fairytale happy ending? Can a movie star and an ordinary girl

from England ever really make it work? Or will the secrets lurking in Tudor's past scupper their chance of happiness?Eternally North is addictive, funny and heart-warming; a fast paced comedic journey of self-discovery; unyielding friendship and, of course, it would not be complete without a generous sprinkling of good old-fashioned British 'slap-and-tickle'. WARNING: Contains a foul-mouthed voluptuous Brit; a self-confessed and self-promoted Friggin' Fantastic Fairy; and an abundance of tattoo-smothered muscles nicely wrapped up in one gorgeous bad-boy package.

Eternally North

This book is dedicated to Prof. Dr. Heinz Gerh ä user on the occasion of his retirement both from the position of Executive Director of the Fraunhofer Institute for Integrated Circuits IIS and from the Endowed Chair of Information Technologies with a Focus on Communication Electronics (LIKE) at the Friedrich-Alexander-Universit ä t Erlangen-N ü rnberg. Heinz Gerh ä user's vision and entrepreneurial spirit have made the Fraunhofer IIS one of the most successful and renowned German research institutions. He has been Director of the Fraunhofer IIS since 1993, and under his leadership it has grown to become the largest of Germany's 60 Fraunhofer Institutes, a position it retains to this day, currently employing over 730 staff. Likely his most important scientific as well as application-related contribution was his pivotal role in the development of the mp3 format, which would later become a worldwide success. The contributions to this Festschrift were written by both Fraunhofer IIS staff and external project team members in appreciation of Prof. Dr. Gerh ä user's lifetime academic achievements and his inspiring leadership at the Fraunhofer IIS. The papers reflect the broad spectrum of the institute's research activities and are grouped into sections on circuits, information systems, visual computing, and audio and multimedia. They provide academic and industrial researchers in fields like signal processing, sensor networks, microelectronics, and integrated circuits with an up-to-date overview of research results that have a huge potential for cutting-edge industrial applications.
