The OpenIntro project was founded in 2009 to improve the quality and availability of education by producing exceptional books and teaching tools that are free to use and easy to modify. We feature real data whenever possible, and files for the entire textbook are freely available at [openintro.org](http://openintro.org). Visit our website, [openintro.org](http://openintro.org). We provide free videos, statistical software labs, lecture slides, course management tools, and many other helpful resources.

**The Baseball Codes** Springer Science & Business Media

Writing in a rigorous, thought-provoking style, the author takes us on a far-reaching tour through the philosophical ramifications of consciousness, offering provocative insights into the relationship between mind

and brain.

The Conscious Mind Dell

Presenting a fascinating insider's view of U.S.A.F. special operations, this volume brings to life the critical contributions these forces have made to the exercise of air & space power. Focusing in particular on the period between the Korean War & the Indochina wars of 1950-1979, the accounts of numerous missions are profusely illustrated with photos & maps. Includes a discussion of AF operations in Europe during WWII, as well as profiles of Air Commandos who performed above & beyond the call of duty. Reflects on the need for financial & political

---

support for restoration of the forces. Bibliography. Extensive photos & maps. Charts & tables.

Midnight in the Garden of Good and Evil

St. John's Press

From the start of operations in Iraq in March 2003 until mid-2009, ground troops from thirty-seven countries fought at the side of U.S. forces, with many more providing indirect support and assistance. These countries furnished significant military aid to the United States Army and performed vital missions relevant to combat, intelligence, reconstruction, and support operations. The participation of these coalition partners proved critical to the success of the overall mission. Allied Participation in Operation Iraqi Freedom

examines the achievements and contributions of the allied nations that supplied ground troops to the U.S.-led coalition in Iraq during 2003-2009. It does not cover forces deployed to Iraq under the aegis of the United Nations or the North Atlantic Treaty Organization. The U.S. military's experience in Operation IRAQI FREEDOM reconfirms the necessity of coalition building in modern warfare, even when the U.S. Army and Marine Corps ground forces shoulder the largest burden. This monograph offers separate sections on each coalition ally and presents basic information about deployed military forces and their general operational experiences in Iraq. It also provides a framework for more detailed histories to follow.

*The Big Field* Random House  
NATIONAL BESTSELLER • A  
modern classic of true crime,  
set in a most beguiling  
Southern city—now in a 30th  
anniversary edition with a  
new afterword by the author  
“Elegant and wicked . . .  
might be the first true-crime  
book that makes the reader  
want to book a bed and  
breakfast for an extended  
weekend at the scene of the  
crime.”—The New York Times  
Book Review Shots rang out in  
Savannah’s grandest mansion  
in the misty, early morning  
hours of May 2, 1981. Was it

murder or self-defense? For  
nearly a decade, the shooting  
and its aftermath reverberated  
throughout this hauntingly  
beautiful city of moss-hung  
oaks and shaded squares. In  
this sharply observed,  
suspenseful, and witty  
narrative, John Berendt  
skillfully interweaves a  
hugely entertaining first-  
person account of life in this  
isolated remnant of the Old  
South with the unpredictable  
twists and turns of a landmark  
murder case. It is a  
spellbinding story peopled by  
a gallery of remarkable

---

characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the "soul of pampered self-absorption"; the uproariously funny drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young people dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. Brilliantly conceived and masterfully written, *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience.

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion,

the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Morning Jumpstarts Routledge  
From the #1 New York Times bestselling author of Heat, Travel Team and Million-Dollar Throw. Playing shortstop is a way of life for Hutch—not only is his hero, Derek Jeter, a shortstop, but so was his father, a former local legend turned pro. Which is why having to play second base feels like demotion to second team. Yet that's where Hutch ends up after Darryl "D-Will" Williams, the best

---

shortstop prospect since A-Rod, joins the team. But Hutch is nothing if not a team player, and he's cool with playing in D-Will's shadow—until, that is, the two shortstops in Hutch's life betray him in a way he never could have imagined. With the league championship on the line, just how far is Hutch willing to bend to be a good teammate?

Sound & Communications Harper Collins

Military intervention in a conflict without a reasonable prospect of success is unjustifiable, especially when it is done in the name of humanity. Couched in the debate on the responsibility to

protect civilians from violence and drawing on traditional 'just war' principles, the central premise of this book is that humanitarian military intervention can be justified as a policy option only if decision makers can be reasonably sure that intervention will do more good than harm. This book asks, 'Have past humanitarian military interventions been successful?' It defines success as saving lives and sets out a methodology for estimating the number of lives saved by a particular military intervention. Analysis of 17 military operations in six conflict areas that were

---

the defining cases of the 1990s- northern Iraq after the Gulf War, Somalia, Bosnia and Herzegovina, Rwanda, Kosovo and East Timor-shows that the majority were successful by this measure. In every conflict studied, however, some military interventions succeeded while others failed, raising the question, 'Why have some past interventions been more successful than others?' This book argues that the central factors determining whether a humanitarian intervention succeeds are the objectives of the intervention and the military strategy employed by

the intervening states. Four types of humanitarian military intervention are offered: helping to deliver emergency aid, protecting aid operations, saving the victims of violence and defeating the perpetrators of violence. The focus on strategy within these four types allows an exploration of the political and military dimensions of humanitarian intervention and highlights the advantages and disadvantages of each of the four types. Humanitarian military intervention is controversial. Scepticism is always in order about the need to use military

---

force because the consequences can be so dire. Yet it has become equally controversial not to intervene when a government subjects its citizens to massive violation of their basic humanrights. This book recognizes the limits of humanitarian intervention but does not shy away from suggesting how military force can save lives in extreme circumstances.

Worth Dying For Simon and Schuster

A timely, nonstop action-adventure about the War on Terror -- and a family torn apart. Kamran Smith has it

all. He's the star of the football team, dates the most popular girl in school, and can't wait to join the Army like his big brother, Darius. Although Kamran's family hails from Iran, Kamran has always felt 100% American. Accepted. And then everything implodes. Darius is accused of being a terrorist. Kamran refuses to believe it, but the evidence is there -- Darius has been filmed making threats against his country, hinting at an upcoming deadly attack. Kamran's friends turn on him -- suddenly, in their eyes,

---

he's a terrorist, too. Kamran knows it's up to him to clear his brother's name. In a race against time, Kamran must piece together a series of clues and codes that will lead him to Darius -- and the truth. But is it a truth Kamran is ready to face? And is he putting his own life at risk? *Texas Monthly* John Wiley & Sons Do you feel the soul of another calling to you? Do you know in your heart that your destiny and his were meant to merge In the cosmos? We can help you find him. When Romiette Cappelle and her best friend, Destiny, decide to order The Scientific Soul Mate System from the back of Heavy Hunks magazine, they're not sure what they're getting into. But Destiny, a self-proclaimed psychic, assures Romi that for \$44.99 plus shipping and handling, it's the only way they're ever going to find out who their soul mates really are. If nothing else, maybe Romi will get some insight into that recurring dream she's been having about fire and water. But they never expect that the scented candle and tube of dream ointment will live up to their promises and merge Romiette's

---

destiny with that of Julio Montague, a boy she's just met in the "cosmos" of an Internet chat room. It turns out they go to the same high school, not to mention having almost the same names as Shakespeare's famous lovers! Sweet-scented dreams of Julio have almost overtaken Romi's nightmares... ..when suddenly they return, but this time in real life. It seems the Devildogs, a local gang, violently oppose the relationship of Romiette and Julio. Soon they find themselves haunted by the purple-clad shadows of the gang, and the fire and water of Romiette's

dream merge in ways more terrifying -- and ultimately more affirming -- than even Destiny could have foreseen.

A journey into the mindset of a historic basketball superstar, and the importance of his landmark career. The seven-foot Dirk Nowitzki is

---

one of the greatest players in become an all-time top ten basketball history. The Dallas scorer and NBA champion? How Maverick's legend can a superstar stay so revolutionized the sport, humble? Award-winning novelist redefining the role of the big and sportswriter Thomas man in the modern game. Dirk Pletzinger spent over seven moved differently: flexible years traveling with Nowitzki. and fast, confident and in He witnessed Dirk's summer control. He thought workouts, involving fingertip differently, too. On the pushups and the study of the court, his shots were physics, and spent days masterful—none more venerated discussing literature and than his signature one-legged philosophy with Holger flamingo fadeaway, a move that Geschwindner, Dirk's enigmatic lives on in the repertoire of mentor and coach. Watching today's most skilled NBA Nowitzki in empty gyms and in players. How did this lanky packed arenas with 30,000 kid from the German suburbs fans, Pletzinger began to

---

understand how Dirk and Holger's philosophical insights on performance, creativity, and freedom enabled his success and longevity. The Great Nowitzki tells Dirk's dramatic story like never before. Pletzinger describes Dirk's youth in small-town Germany, follows the steep learning curve of Dirk's early seasons, the devastating Finals loss to the Miami Heat, and the triumphant championship five years later. Traveling with Dirk in his final seasons, Pletzinger immerses himself in the community of people impacted by Nowitzki's game, interviewing everyone from average fans in Dallas and security guards at the arena to front office executives and Hall of Fame teammates, who reflect on what Dirk's career means to the next generation of ballplayers. And to the game itself. A masterpiece of sports writing that reads like a novel, *The Great Nowitzki* brims with a fan's passion. Pletzinger shows how strongly basketball influences our imagination and the extraordinary journey an icon

---

like Dirk Nowitzki must take to reach the pinnacle of the game.

The Craft of Scientific Presentations McFarland

Since it was first published in 1991, *The Ethics Challenge in Public Service* has become a classic text used by public managers and in public management programs across the country. This second edition is filled with practical tools and techniques for making ethical choices in the ambiguous, pressured world of public service. It explores the day-

to-day ethical dilemmas managers face in their work, including what to do when rules recommend one action and compassion another, and whether it is ethical to dissent from agency policy. This essential text explores managers' accountability to different stakeholders and how to balance the often competing responsibilities.

---

education. As a leisure guide, TEXAS MONTHLY continues to be the indispensable authority on the Texas scene, covering music, the arts, travel, restaurants, museums, and cultural events with its insightful recommendations.

*Moneyball (Movie Tie-in Edition) (Movie Tie-in Editions)* W. W. Norton & Company

More than any other sport, baseball has developed its own niche in America's culture and psyche. Some researchers spend years on detailed statistical analyses

of minute parts of the game, while others wax poetic about its players and plays. Many trace the beginnings of the civil rights movement in part to the Major Leagues' decision to integrate, and the words and phrases of the game (for example, pinch-hitter and out in left field) have become common in our everyday language. From AARON, HENRY onward, this book covers all of what might be called the cultural aspects of baseball (as opposed to the number-rich statistical information so widely available elsewhere).

---

Biographical sketches of all Hall of Fame players, owners, executives and umpires, as well as many of the sportswriters and broadcasters who have won the Spink and Frick awards, join entries for teams, owners, commissioners and league presidents. Advertising, agents, drafts, illegal substances, minor leagues, oldest players, perfect games, retired uniform numbers, superstitions, tripleheaders, and youngest players are among the thousands of entries herein. Most entries open with a topical quote and conclude with a brief bibliography of sources for further research. The whole work is exhaustively indexed and includes 119 photographs.
