Using the principles of standard precautions, the nurse would wear gloves in what nursing interventions?. A. Providing a back massage B. Feeding a client

Staff Nurse Exam Questions and Answers - Updated [2020]

Nursing licenses are renewed every two years and nursing certifications are typically renewed every three years, however, this may vary according to the particular certification. Passing the NCLEX examination and receiving a nursing license indicates that the graduate has at least the minimal competency necessary to provide safe patient care.
