Nys Common Core Algebra Regents Conversion Charts

As with last year's Common Core Algebra Regents exam, there is
a remarkable contrast between "Passing" and "Mastery" scores.
To pass this exam (a 65 "scaled" score), a student must earn a raw
score of 30 out of 86 (35%); to earn a "Mastery" score on this
exam (an 85 "scaled" score), a student must earn a raw score of
75 out of 86 (87%). It seems clear that the new conversions are
designed to reduce the number of "Mastery" scores on these
exams.
