## **Developing Vocabulary and Oral Language in Young Children**

Notion Press

You have studied English for years, yet you still don't speak English well. You've tried many methods and you still make grammar mistakes, you still can't speak English fluently, and you still can't pronounce English words correctly. You can read English, but you feel too nervous or too shy to speak English. The good news is, this is very normal. You have simply used ineffective methods to learn to speak English. Ken has been in your situation before, but now he can speak English like a native, and he accomplished that in six months. In this book, Ken is going to teach you how to completely get rid of your accent and develop an American

or British accent to speak English just like a native speaker, and he'll teach you how to accomplish that in just six months. In this book, you'll:

- \*learn to speak like a native in six months or less
- \*learn to do that on a busy schedule
- \*learn to speak English without translating it first
- \*learn grammar without memorizing grammar rules
- \*learn to build a vocabulary that lasts
- \*learn to pronounce English words like native American or native British
- \*learn to speak English fluently, correctly, naturally, effectively, effortlessly
- \*and more...

to speak English like a native speaker. You have studied English for years, yet you still can't speak English well. The reason is simply: The methods you used were ineffective. Change your approach now. Learn from the success who has walked in your shoes before and is getting the result you want. Effortlessly follow the step-by-step instructions in the book to achieve the highest level of fluency to help you speak English like a native speaker. Add to Cart

their knowledge of the language at the intermediate or advanced level.

Spoken English Rex Bookstore, Inc.

The two books, Oral English 1 and Oral English 2, are unique publications in the field of spoken English for English learners at the college or similar level. They're unique in three important ways: First, the books treat all the popular topics, thirty in total, from fun topics like sports to serious topics like politics. Each topic is covered in an unprecedentedly comprehensive way, using various approaches ranging from key words to games. Second, the books can be used as class textbooks, in which case they have more than enough material for a whole academic year. They can also be used for self-study and as reference books. Third, the books are very user-friendly: they present content in a logical format, use clear and helpful illustrations, and provide hints and answers to questions. The two books are the result of more than a decade of research and teaching oral English to non-native speakers. Readers will find the books not only educational, but also very informative and quite entertaining.

Spoken English For Telugu Speakers PHI Learning Pvt. Ltd.

Grounded in linguistic research and argumentation, THE ENGLISH LANGUAGE: FROM SOUND TO SE01 General/tradeE offers readers who have little or no analytic understanding of English a thorough treatment of the various components of the language. Its goal is to help readers become independent language analysts capable of critically evaluating claims about the language and the people who use it.

*The English Language* Cambridge University Press

The Way of The Linguist, A language learning odyssey. It is now a cliché that the world is a smaller place. We think nothing

of jumping on a plane to travel to another country or continent. The most exotic locations are now destinations for mass tourism. Small business people are dealing across frontiers and language barriers like never before. The Internet brings different languages and cultures to our finger-tips. English, the hybrid language of an island at the western extremity of Europe seems to have an unrivalled position as an international medium of communication. But historically periods of cultural and economic domination have never lasted forever. Do we not lose something by relying on the wide spread use of English rather than discovering other languages and cultures? As citizens of this shrunken world, would we not be better off if we were able to speak a few languages other than our own? The answer is obviously yes. Certainly Steve Kaufmann thinks so, and in his busy life as a diplomat and businessman he managed to learn to speak nine languages fluently and observe first hand some of the dominant cultures of Europe and Asia. Why do not more people do the same? In his book *The Way of The Linguist*, A language learning odyssey, Steve offers some answers. Steve feels anyone can learn a language if they want to. He points out some of the obstacles that hold people back. Drawing on his adventures in Europe and Asia, as a student and businessman, he describes the rewards that come from knowing languages. He relates his evolution as a language learner, abroad and back in his native Canada and explains the kind of attitude that will enable others to achieve second language fluency. Many people have taken on the challenge of language learning but have been frustrated by their lack of success. This book offers detailed advice on the kind of study practices that will achieve language breakthroughs. Steve

has developed a language learning system available online at: [www.thelinguist.com](http://www.thelinguist.com).

Third, the books are very user-friendly: they present content in a logical format, use clear and helpful illustrations, and provide hints and answers to questions.

The two books are the result of more than a decade of research and teaching oral English to non-native speakers.

Readers will find the books not only educational, but also very informative and quite entertaining.

**Oral English 1** Wentworth Press

In today's competitive world, Spoken English is considered as a passport for success in life. The craze for learning spoken English has led to the growth of coaching institutes all over the country. Much as they may profess and advertise, it is not really possible to learn any language in 30 days. A person who genuinely wants to learn the language needs to spend two

to three hours every day for at least five or six months before he or she would feel confident to communicate in English. The prime objective of this book is to encourage students to learn English as a tool of communication and to enable them to understand the language thoroughly. The book basically takes off from the learner's point of view and guides them through cooperative learning methods in order to help master the effective communication skills in English. The book has been divided into four convenient units of Grammar, Pronunciation, Conversation and Vocabulary. Each chapter covers one main area of learning English - explained with examples. Carefully selected and graded exercises have also been included throughout the book to give readers ample practice and a complete understanding of the subject. In short, the book follows the modern functional approach to the study of English. So readers, it is definitely a one-stop solution for speaking English!

Reading and Speaking English by Sound V&S  
Publishers

**Exercise Book. Audio Available** You want to  
learn to speak English, but you don't know  
where to start, you think there's too much to  
learn, and you think it takes too long to learn.  
In addition, you already know some English,  
you can read English, yet you can't speak  
English well or you can't speak a sentence at  
all. In addition to that, if you already know how  
to speak English and you think you're  
speaking it right, trust me, you are speaking it  
wrong. I have been in your shoes before, and I  
know you are speaking it wrong. The good  
news is, these are all normal. My name is Ken  
Xiao. I didn't speak any English when I moved  
to the United States as a young man, but now  
I can speak English like a native. In this  
course, I will teach you how to speak English  
like a native speaker. If you have been  
learning English in classrooms, ask yourself  
this, "why don't I speak English well?" That's  
because classrooms are designed for you to  
learn to read and write, not to speak. In this  
lesson, I will show you step by step  
instructions on how to open your mouth and  
begin to speak English like a native speaker.
