War-era political

thriller as one intrepid journalist writes the official biography of the mysterious First Lady—uncovering secrets that could destroy them both. Tired of covering the grating dysfunction of Washington and the increasingly outrageous antics of President Henry Caine, White House correspondent Sofie Morse quits her job and plans to leave politics behind. But when she gets a call from the office of First Lady Lara Caine, asking Sofie to come in for a private meeting with Lara, her curiosity is piqued. Sofie, like the rest of the world, knows little about

Lara—only that Lara was born in Soviet Russia, raised in Paris, and worked as a model before moving to America and marrying the notoriously brash future president. When Lara asks Sofie to write her official biography, and to finally fill in the gaps of her history, Sofie’s curiosity gets the better of her. She begins to spend more and more time in the White House, slowly developing a bond with Lara—and eventually a deep and surprising friendship with her. Even more surprising to Sofie is the fact that Lara is entirely candid

about her mysterious past. The First Lady doesn’t hesitate to speak about her beloved father’s work as an undercover KGB officer in Paris—and how he wasn’t the only person in her family working undercover during the Cold War. As Lara’s story unfolds, Sofie can’t help but wonder why Lara is rehashing such sensitive information. Why to her? And why now? Suddenly Sofie is in the middle of a game of cat and mouse that could have explosive ramifications. For fans of *The Secrets We Kept* and *Our American Wife*, *Our*

American Friend is a propulsive Cold War-era spy thriller crossed with a fictional biography of a First Lady. Spanning from the 1970s to the present day, traveling from Moscow and Paris to Washington and New York, Anna Pitoniak's novel is a gripping page-turner—and a devastating love story—about power and complicity and how sometimes, the fate of the world is in the hands of the people you'd never expect.

The Original Watergate

Simon and Schuster

The Brethren is the first detailed behind-the-scenes

account of the Supreme Court in action. Bob Woodward and Scott Armstrong have pierced its secrecy to give us an unprecedented view of the Chief and Associate Justices—maneuvering, arguing, politicking, compromising, and making decisions that affect every major area of American life.

The Trump White House Simon and Schuster

In his unmissable new book Bob Woodward takes the reader on an inside journey from the start of the Iraq War in 2003 right up to the present day, providing a

detailed, authoritative account of President Bush's leadership and the struggles among the men and women in the White House, the Pentagon, the CIA and the State Department. With Bush well into his second term, Woodward breaks new ground, as he has in his thirteen previous international bestsellers, including BUSH AT WAR and PLAN OF ATTACK. Woodward puts the Bush legacy in historical context as he shows this presidency in action in a way that is normally seen only years after a chief executive leaves office. He describes

how Bush and his team have attempted to change the way that wars are fought, and put together a re-election campaign while re-inventing their strategy for the invasion and occupation of Iraq over and over again. Here is the behind-the-scenes story of this administration -- meetings, conversations, and memos; conflicts, manoeuvring, and anguish -- as key administration figures provide a full view of the first presidency of the twenty-first century. **The Price of Politics National Geographic Books**

A warm and witty novel from the acclaimed author of *Good in Bed*, *In Her Shoes* and the forthcoming *Who Do You Love* This is the story of what comes after 'happily ever after' as three young wives make the journey into motherhood, and discover how it changes their sense of themselves and their relationships with friends and family. **There's Becky, a plump, sexy**

chef, with an overworked husband, an adorable baby girl...and the mother-in-law from hell. **There's Kelly, an event planner who's trying to cram sixty hours of work into twenty-hour weeks, all while charting her baby's every move on a spreadsheet and hoping that her husband will pull his life together, pull on some pants, and find a job. And there's Ayinde, who is married to**

Philadelphia's most prominent basketball star, until the combination of new baby and infidelity threatens their marriage. As these three grow closer while attempting to put their lives in order, we also come to know Lia, who returns home to Philadelphia after her life in Los Angeles ends in horrible tragedy. By turns moving, funny, and inspiring, Little Earthquakes is a great big delicious read from a prodigiously talented author. Counterinsurgency Warfare by Simon and Schuster Twenty-five years after Richard Nixon's resignation, investigative journalist Bob Woodward examines the legacy of Watergate. Based on hundreds of interviews - both on and off the record - and three years of research of government archives, Woodward's latest book explains in detail how the premier scandal of US history has indelibly altered the shape of American politics and culture - and has limited the power to act of the presidency itself. Bob Woodward's mix of historical perspective and journalistic sleuthing provides a unique perspective on the

repercussions of Watergate and proves that it was far more than a passing, embarrassing crisis in American politics: it heralded the beginning of a new period of troubled presidencies. From Ford through to Clinton, presidents have battled public scepticism, a challenging Congress, adversarial press and even special prosecutors in their term in office. Now, a

quarter of a century after the scandal emerged, the man who helped expose Watergate shows us the stunning impact of its heritage. The No Spin Zone Little, Brown Award-winning journalist Bob Woodward has spent over thirty years in Washington's corridors of power. In All the President's Men it was he, together with Carl Bernstein, who exposed the Watergate scandal and he has been giving

us a privileged front-row seat to White-House intrigue and decision-making ever since. With PLAN OF ATTACK he brings his investigative skills to bear on the administration of George W. Bush, and the build-up to war in Iraq. What emerges is a fascinating and intimate portrait of the leading powers in Bush's war council and their allies overseas as they prepare their pre-emptive attack and change the course of history.

Our American Friend Bloomsbury Publishing The unvarnished and unbiased inside story of President Donald Trump and his White House by New York Times bestselling author Ronald Kessler Based on exclusive interviews with the president and his staff, The Trump White House: Changing the Rules of the Game tells the real story of what Donald Trump is like, who influences him, how he makes decisions, what he says about the people around him, and how he operates when the television

lights go off, while portraying the inside story of the successes that have already brought solid results as well as the stumbles that have turned off even longtime supporters and undercut his agenda. The Trump White House reveals: Trump aides Ivanka Trump and her husband Jared Kushner have been responsible for Trump's most disastrous decisions. Trump is aware that his daughter and son-in-law are problems and has hinted to them that they should go back to New York. Seeing Jared on TV, Trump said,

“ Look at Jared, he looks like a little boy, like a child. ”

- First Lady Melania Trump has a tremendous impact on policy and strategy. She sits in on meetings and is widely admired by aides for her judgment.
- Kellyanne Conway is the No. 1 White House leaker.
- Trump's Secret Service Director Randolph “ Tex ” Alles proposed withdrawing protection from some Trump family members and aides to save money. Horrified White House staffers shot down the idea.
- Trump has told friends that billionaires are

constantly asking him to fix them up with longtime Communications Director Hope Hicks, a former model, but he says he refuses.

- Trump calls certain reporters directly, feeding them stories attributed to “ a senior White House official, ” creating the impression that the White House leaks even more than it already does. Never before has an American president had so much impact on the country and the world in so short a time as Donald Trump. Yet no president has stirred so much controversy,

dominating media coverage and conversation both pro and con. Months after Trump took office, consumer confidence hit a seventeen-year high, unemployment plummeted to the lowest level in seventeen years, and the stock market zoomed to repeated record highs. At the same time, ISIS was nearly defeated, Arab countries banded together to stop financing terrorists and promoting radical Islamic ideology, and Trump ’ s decision to send missiles into Syria because of its use of chemical weapons and his

strident warnings to North Korean leader Kim Jong-un made it clear to adversaries that they take on the United States at their peril. Yet for all the media coverage, Trump remains a cipher. Ronald Kessler has known Trump and First Lady Melania Trump for two decades and understands him better than any other journalist. The book includes an exclusive interview with Trump, the only interview he says he has given or will give for a book as president. Crammed with media-grabbing revelations. The Trump White House is the

unvarnished and unbiased inside story that answers the question: Who is Donald Trump? Supreme Command Simon and Schuster A template for the defeat of insurgents seeks to define the laws of counterinsurgency warfare, discuss its principles, and outline the corresponding strategy and tactics. Wired Simon and Schuster When Barack Obama won the 2008 presidential election, he also won a long-running debate

with his wife Michelle. Contrary to her fears, politics now seemed like a worthwhile, even noble pursuit. Together they planned a White House life that would be as normal and sane as possible. Then they moved in. In the Obamas, Jodi Kantor takes us deep inside the White House as they try to grapple with their new roles, change the country, raise children, maintain friendships, and figure out what it means to be

the first black President and First Lady. Filled with riveting detail and insight into their partnership, emotions and personalities, and written with a keen eye for the ironies of public life, *The Obamas* is an intimate portrait that will surprise even readers who thought they knew the President and First Lady. [The Agenda](#) Portobello Books Bob Woodward biography: This is a captivating

biography of one of the most influential investigative journalist, Bob Woodward. Bob Woodward is an American journalist, known for his coverage of the Watergate scandal as well as other US political stories. He has written 21 best-selling books, in which more than half of them are about politics or history. He began his career in journalism with the Montgomery County Daily reports in Maryland. Bob Woodward joined The Washington Post, where he gained much recognition for his coverage of Watergate. He has since authored many best-selling books on politics, including "All the President's Men", "The Final Days", and "The Agenda: Inside the Clinton White House". His book, entitled "Obama's Wars" which highlights US policies for combating terrorism. In this book on Bob Woodward Biography, you will discover his: Early Life Personal Life Career Awards and Honors And Many More You can get this book by clicking on the "Buy now with 1-click" button and get to know more about Bob Woodward, the Influential Investigative Journalist. Veil Crown To mark the 40th

anniversary of the Watergate scandal, The Washington Post's seminal Watergate stories have been gathered together for the first time as an eBook, including a foreword by journalists Bob Woodward and Carl Bernstein assessing the impact of their stories 40 years later. "5 Held in Plot to Bug Democrats' Offices Here", said the headline at the bottom of page one in the Washington

Post on Sunday, June 18, 1972. The story reported that a team of burglars had been arrested inside the offices of the Democratic National Committee in the Watergate office complex in Washington. On assignment, Carl Bernstein and Bob Woodward uncovered a widespread political scandal and cover-up at the highest levels of government, culminating with the

resignation of President Richard Nixon. The Post won a Pulitzer Prize for its work, which became the subject of two best-selling books and a renowned movie, "All the President's Men." This eBook is a look back at the dramatic chain of events that would convulse Washington for two years and lead to the first resignation of a U.S. president, forever changing American politics.

State of Denial: Berlin. 1963.
Bush at War
Simon and Schuster
From “master of the genre” (The Washington Post) Joseph Kanon, an espionage thriller set at the height of the Cold War, when a captured American who has spied for the KGB is swapped by the British and returns to East Berlin needing to know who arranged his release and what they want from him.

Berlin. 1963.
The height of the Cold War.
An early morning spy swap, not at the familiar setting for such exchanges, or at Checkpoint Charlie, where international visitors cross into the East, but at a more discreet border crossing, usually reserved for East German VIPs. The Communists are trading two American students caught helping people to escape over the wall and an

aging MI6 operative. On the other side of the trade: Martin Keller, a physicist who once made headlines, but who then disappeared into the English prison system. Keller’s most critical possession: his American passport. Keller’s most ardent desire: to see his ex-wife Sabine and their young son. The exchange is made with the formality characteristic of these swaps.

But Martin has atmospheric making in the

secure fax to Obama on the eve of the final troop decision. President Obama's ordering a surge of 30,000 troops and pledging to start withdrawing U.S. forces by July 2011 did not end the skirmishing. General David Petraeus, the new Afghanistan commander, thinks time can be added to the clock if he shows progress. "I don't think you win this war," Petraeus said privately. "This is the kind of fight we're in for the rest of our lives and

probably our kids' lives." Hovering over this debate is the possibility of another terrorist attack in the United States. The White House led a secret exercise showing how unprepared the government is if terrorists set off a nuclear bomb in an American city—which Obama told Woodward is at the top of the list of what he worries about all the time. Verbatim quotes from secret debates and White House strategy sessions—and

firsthand accounts of the thoughts and concerns of the president, his war council and his generals—reveal a government in conflict, often consumed with nasty infighting and fundamental disputes. Woodward has discovered how the Obama White House really works, showing that even more tough decisions lie ahead for the cerebral and engaged president. Obama's Wars offers the reader a stunning, you-are-there account of the

president, his White House aides, military leaders, diplomats and intelligence chiefs in this time of turmoil and danger. *The Final Days* Simon and Schuster An account of the Trump presidency draws on interviews with firsthand sources, meeting notes, diaries, and confidential documents to provide details about Trump's moves as he faced a global pandemic, economic disaster, and racial unrest. *The Man who Would be*

President Diversion Books It is impossible to examine any part of the war on terrorism in the twenty-first century without seeing the hand of Dick Cheney, Colin Powell or one of their loyalists. *The Commanders*, an account of the use of the military in the first Bush administration, is in many respects their story -- the intimate account of the tensions, disagreements

and debates on the road to war. *The War Within* Simon and Schuster An analysis of the events, ideas and conflicts that have defined the 44th President's foreign policy explores his administration's struggles to enact coherent and effective policies at a time of global turmoil, discussing the contributions of such figures as Robert Gates, Hillary Clinton and Joseph Biden. By the best-selling author of *Rise*

of the Vulcans. 50,000 first printing. Fear Simon and Schuster Bill O ' Reilly is even madder today than when he wrote his last book, The O ' Reilly Factor, and his fans love him even more. He ' s mad because things have gone from bad to worse in politics, in Hollywood, in every social stratum of the nation. True to its title, The No Spin Zone cuts through all the rhetoric

that some of O ' Reilly ' s most infamous guests have spewed to expose what ' s really on their minds, while sharing plenty of his own emphatic counterpoints along the way. Shining a searing spotlight on public figures from President George W. Bush and Senator Hillary Clinton to the Reverends Jesse Jackson and Al Sharpton to his former CBS News colleague

Dan Rather, The No Spin Zone is laced with the kind of straight-shooting commentary that has made O ' Reilly the voice of middle America ' s disenfranchised . The Secret Man Simon and Schuster Two reporters were assigned to cover what seemed a routine burglary in the opulent Watergate building in downtown Washington. It was the first
