When Dougy's sister Gracey is

picked for the state athletics  
championships, not everybody in  
their small bush town is pleased.  
"Aborigines get special  
treatment", some of the angry  
white people say - "It's not fair!"  
The championships change  
everything for Gracey and trigger  
dramatic events in the town too-

This book is an in-depth analysis of three of the most crucial years in twentieth-century Italian history, the years 1943-46. After more than two decades of a Fascist regime and a disastrous war experience during which Italy changed sides, these years saw the

laying of the political and cultural foundations for what has since become known as Italy's First Republic. Drawing on texts from the literature, film, journalism, and political debate of the period, Antifascisms offers a thorough survey of the personalities and positions that informed the decisions taken in this crucial phase of modern Italian history.
