GKP's 'Objective?' series has
been used by engineering
students over the years to
prepare for GATE, PSU
examinations and campus
recruitment tests. The series
includes five books i.e.
Computer Science and IT,
Electrical, Electronics and
Communication,
Mechanical and Civil. In
order to make students
thorough with the variety of
questions, each book in this
series provides them with
questions segregated into two
sections. The first section

includes a set of practice
exercise under each topic and
the second section provides
previous year's questions of
exams such as GATE and
various PSUs exams. Each
question in the later section
has been tagged with the
exam name to make the
preparation all the more
easier. This combination of
conceptual questions and
previous year's questions
would completely solve the
purpose of the students for a
quick practice with complete
preparation for the exam.
The books in this series will

also be helpful to prepare for the technical section of various campus recruitment tests.
