Cambridge International AS and

A Level Biology builds on the

skills acquired at Cambridge

IGCSE (or equivalent) level. The

syllabus includes the main

theoretical concepts which are

fundamental to the subject, a

section on some current

applications of biology, and a strong emphasis on advanced practical skills.

Harry Potter is dangerous? The beloved book series by author J.K. Rowling about a young wizard and his friends has been taken off library shelves at St. Edward Catholic School in Nashville because the school's pastor believes the books' magical spells are real.

According to Independent, the pastor named Reverend Dan Reehill elucidated his decision in an email to the parents of students ...
