The Artistry of the Homeric Simile  
Turtleback Books

The international Number One bestseller from the author of *The Song of Achilles*, shortlisted for the Women's Prize for Fiction

*Woman. Witch. Myth. Mortal. Outcast. Lover. Destroyer.*

*Survivor. CIRCE.* In the house of Helios, god of the sun and mightiest of the Titans, a daughter is born. Circe is a strange child - not powerful and terrible, like her father, nor gorgeous and mercenary like her mother. Scorned and rejected, Circe grows up in the shadows, at home in neither the world of gods or mortals. But Circe has a dark power of her own: witchcraft. When her gift threatens the gods,

she is banished to the island of Aiaia where she hones her occult craft, casting spells, gathering strange herbs and taming wild beasts. Yet a woman who stands alone will never be left in peace for long - and among her island's guests is an unexpected visitor: the mortal Odysseus, for whom Circe will risk everything. So Circe sets forth her tale, a vivid, mesmerizing epic of family rivalry, love and loss - the defiant, inextinguishable song of woman burning hot and bright through the darkness of a man's world. **THE NUMBER ONE INTERNATIONAL BESTSELLER CHOSEN AS A BOOK OF THE YEAR BY THE GUARDIAN, TELEGRAPH, SUNDAY TELEGRAPH, I PAPER, SUNDAY EXPRESS, IRISH TIMES, TIMES LITERARY SUPPLEMENT, AMAZON, AUDIBLE, BUZZFEED, REFINERY 29, WASHINGTON POST, BOSTON GLOBE, SEATTLE TIMES, TIME MAGAZINE, NEWSWEEK, PEOPLE, ENTERTAINMENT WEEKLY, KIRKUS, PUBLISHERS WEEKLY AND GOODREADS**

The Gray Book Liverpool University Press  
Four women. Four stories. One man's journey. Odysseus. His epic tale has been told countless times, but rarely is it heard through the voices of the women who loved and served him. Penelope, Circe, Athena, Eurycleia: Theirs are the silent voices, the voices of longing, waiting, strength. They are the women who moved him and motivated him. And now they shed new light on his age-old journey.

Fresh from his triumphs in the Trojan War, Odysseus, King of Ithaca, wants nothing more than to return home to his family. Instead, he offends the sea god, Poseidon, who dooms him to years of shipwreck and wandering. Battling man-eating monsters, violent storms, and the supernatural seductions of sirens and sorceresses, Odysseus will need all his strength and cunning--and a little help from Mount Olympus--to make his way home

prideful rage (The New York Times). The *Odyssey*: The Trojan War is over and Odysseus, the king of Ithaca, embarks to return home. But he is cursed by the god Poseidon to wander the perilous earth for ten years before reaching his destination. Homer's epic adventure of survival by wit and battling mythical creatures is presented here in a stirring prose translation by Samuel Butler. *Homer's Epics* SIPRI Publication  
300 million powerpoint presentations are given daily, yet there is a disconnect

between the amazing technology of powerpoint and a mediocre student learning experience. To unleash the full potential of powerpoint presentations, we must do a better job of creating presentations that fit the educational needs of students. Slides for Students does just that. Slides for Students is an open and honest discussion about powerpoint in the classroom. A need exists for thoughtfully designed and implemented classroom instruction that focuses on the learner rather than on the technology. This book was written to translate academic research findings into practical suggestions about powerpoint that educators can use.

---

Divided into two parts, Rwanda, Kosovo, and East Timor. Slides for Students discusses the history of powerpoint, explores academic studies on the topic, and demonstrates how to design slides to best suit educational needs and engage with students to avoid the dreaded "death by powerpoint."

Sirens and Sea Monsters Harvard University Press  
The author describes the reasons why humanitarian military interventions succeed or fail, basing his analysis on the interventions carried out in the 1990s in Iraq, Somalia, Bosnia and Herzegovina,

*Odysseus Returns Home* Bloomsbury Publishing  
No one, but God knows what is best for us and our world. In these stories where God almost seems to be the antagonist, the world either chooses prosperity and comfort at the cost of sin and man-made gods or truth at the cost of suffering. God instructs various people to do His Will while the Deceiver tries to pull them in the other direction. What happens is a result of man either doing the

---

right thing and following God or doing evil and falling to ruin. This collection includes; Holy Darkness, Abandoning Suffering, No True Hero, and The End of gods with Behind the Story extras that detail the thoughts that went behind the stories and some concept art.

Circe UPNE

Giants and Cannibals! Wonders and Witches! One Amazing Hero. Brave Odysseus is far from home, tossed by stormy seas, and cursed by an angry one-eyed giant. If he ever wants to

see his family again, he will have to face hungry cannibals, outwit a beautiful witch, and sail past a six-headed serpent. His journey is the ultimate test of endurance and courage. In this exciting series, best-selling author Mary Pope Osborne retells Homer's Odyssey, one of the most thrilling adventure stories of all time.

warned that the rest of his journey will remain challenging as they will have to face a deadly six-headed monster and a fierce whirlpool before finally reaching port.

**Escape from the Cyclops** Turtleback Books

Odysseus returns at last to Ithaca where he rids his house of the evil suitors, is reunited with Penelope, and visits his aging, grieving father.

*Waiting for*

*Odysseus* Simon and Schuster

After war and strife, a mighty king's troubles are

only just beginning . . . After ten years at war and ten years wandering the world, Odysseus has finally returned home. But he cannot reveal his identity to his faithful wife

Penelope. A gang of would-be lovers are pestering her to marry one of them - and are prepared to kill anyone who claims to be her husband. Now

Odysseus must use all his cunning and ingenuity to get rid of them, if he is to reclaim his wife and his rightful place as King of Ithaca once and for all.

It's not what students know, but what they do with what they know that is important. Schools are changing in response to this reality, and in *Transforming Schools Using Project-Based Learning, Performance Assessment, and Common Core Standards*, Bob Lenz, Justin Wells, and Sally Kingston draw on the example of the Envision Education schools, as well as other leading schools around the country, to show how the concept of deeper learning can meet

the need for students who are both college and career ready and engaged in their own education. In this book, the authors explain how project-based learning can blend with Common Core-aligned performance assessment for deeper learning. You'll discover how many schools have successfully made the transition from traditional, teacher-centered learning to project-based, deeper learning and find many practical ideas for implementation. Companion DVD and website include

---

videos showing how to implement deeper learning strategies in the classroom. Evidence-based descriptions show why deeper learning is right for students. Performance assessment experts explain how to align assessments with Common Core by shifting the emphasis from knowing to doing. Extensive game plan section provides step-by-step guidance for change. Schools are complex organizations, and transformation involves all of the stakeholders, from students to superintendents.

But as this book shows, there are amazing benefits to be realized when everyone commits to diving deeper into learning.

MyPerspectives Teacher Created Resources Katherine Kretler plumbs the virtues of the Homeric poems as scripts for solo performance. What is lost in the journey from the stage to the page? The book focuses on the performer not as transparent mediator, but as one haunted by multiple stories, bringing suppressed voices to the surface.

**The Return of Ulysses**

Penguin Classics  
A 2015 Schneider Family Book Award Winner  
With gentle humor and unflinching realism, Gail Giles

---

tells the gritty, ultimately hopeful story of two special ed teenagers entering the adult world. We understand stuff. We just learn it slow. And most of what we understand is that people what ain't Speddies think we too stupid to get out our own way. And that makes me mad. Quincy and Bidy are both graduates of their high school's special ed program, but they couldn't be more different: suspicious Quincy faces the world with her fists up, while gentle Bidy is frightened to step outside her front door. When they're thrown together as roommates in their first "real world" apartment, it initially seems to be an uneasy fit. But as Bidy's past

resurfaces and Quincy faces a harrowing experience that no one should have to go through alone, the two of them realize that they might have more in common than they thought – and more important, that they might be able to help each other move forward. Hard-hitting and compassionate, *Girls Like Us* is a story about growing up in a world that can be cruel, and finding the strength – and the support – to carry on.

*JUnit Recipes* Random House  
Since their composition almost 3,000 years ago the Homeric epics have lost none of their power to grip audiences and fire the imagination: with their stories of life and death, love and loss, war and peace

---

they continue to speak to us at the deepest level about who we are across the span of generations. That being said, the world of Homer is in many ways distant from that in which we live today, with fundamental differences not only in language, social order, and religion, but in basic assumptions about the world and human nature. This volume offers a detailed yet accessible introduction to ancient Greek culture through the lens of Book One of the *Odyssey*, covering all of these aspects and more in a comprehensive Introduction designed to orient students in their studies of Greek literature and history. The full

Greek text is included alongside a facing English translation which aims to reproduce as far as feasible the word order and sound play of the Greek original and is supplemented by a Glossary of Technical Terms and a full vocabulary keyed to the specific ways that words are used in *Odyssey I*. At the heart of the volume is a full-length line-by-line commentary, the first in English since the 1980s and updated to bring the latest scholarship to bear on the text: focusing on philological and linguistic issues, its close engagement with the original Greek yields insights that will be of use to scholars and advanced students as well as to those coming to the text for the first

Walking his two  
young children to  
school every  
morning, Thad

Carhart passes an  
unassuming little  
storefront in his  
Paris neighborhood.  
Intrigued by its  
simple sign—Desforges  
Pianos—he enters,  
only to have his way  
barred by the shop’s  
imperious owner.  
Unable to stifle his  
curiosity, he finally  
lands the proper  
introduction, and a  
world previously  
hidden is brought  
into view. Luc, the  
atelier’s master,  
proves an  
indispensable guide  
to the history and  
art of the piano.  
Intertwined with the  
story of a musical  
friendship are  
reflections on how  
pianos work, their  
glorious history, and  
stories of the people  
who care for them,
