Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

Whether they focus on the bewitching song of the Sirens, his cunning escape from the cave of the terrifying one-eyed Cyclops, or the vengeful slaying of the suitors of his beautiful wife Penelope, the stirring adventures of Ulysses/Odysseus are amongst the most durable in human culture. The picaresque return of the wandering pirate-king is one of the most popular texts of all time, crossing East-West divides and inspiring poets and filmmakers worldwide. But why, over three thousand years, has the Odyssey's appeal proved so remarkably resilient and long lasting? Edith Hall explains the enduring fascination of Homer's epic in terms of its extraordinary susceptibility to adaptation. Not only has the story reflected a myriad of different agendas, but - from the tragedies of classical Athens to modern detective fiction, film, travelogue and opera - it has seemed perhaps uniquely fertile in generating new artistic forms. Cultural texts as diverse as Joyce's *Ulysses*, Suzanne Vega's *Calypso*, Monteverdi's *Il Ritorno d'Ulisse in Patria*, the Coen

Brothers' *O Brother Where Art Thou?*, Daniel Vigne's *Le Retour de Martin Guerre*, and Anthony Minghella's *Cold Mountain* all show that Odysseus is truly a versatile hero. His travels across the wine-dark Aegean are journeys not just into the mind of one of the most brilliantly creative of all the ancient Greek writers. They are as much a voyage beyond the limits of a narrative which can plausibly lay claim to being the quintessential global phenomenon.

Gillian Cross's brilliant retelling and Neil Packer's glorious illustrations bring to life Homer's *Iliad*, one of the greatest stories ever told. The team behind *The Odyssey* (2012) now tell the story of the Trojan War. Cross's vivid adaptation begins with a beauty contest: the prize, a golden apple. In return for securing her victory, the goddess Aphrodite helps Prince Paris abduct Helen, wife to the king of Sparta. Enraged, the king and his Greek allies wage war on the Trojans. Nine years later, the fighting still rages on, but the Greeks are beginning to quarrel among themselves - Achilles and Agamemnon's petty argument has dire consequences for everyone caught in the crossfire. Neil Packer's pictures capture the beauty and remoteness of the setting, and bring a profound humanity to one of the finest literary achievements of Greek civilization.
