Gynaecologists Catherine and Reg Hamlin left Australia in 1959 on a short contract to

---

establish a midwifery school in Ethiopia. Over 40 years later, Catherine is still there, running one of the most outstanding medical programmes in the world. The Hamlins dedicated their lives to women suffering the catastrophic effects of obstructed labour. The awful injuries that such labour produces are called fistulae, and until the Hamlins began their work in Ethiopia, fistula sufferers were neglected and forgotten - a vast group of women facing a lifetime of incapacity and degradation. Catherine and Reg, with their team of dedicated fistula

surgeons, have successfully operated on over 25,000 women, and the Addis Ababa Fistula Hospital, the hospital they opened in 1974, has become a major teaching institution for gynaecologists from all over Ethiopia and the developing world. Since Reg's death, Catherine and her team have continued the work.

Summer on the River Graywolf Press

A Mississippi river yarn about the crew of a towboat at the beginning of WW II. Bissell tells it like it is. **Fishing the River of Time** Knopf Canada

“How impossible it was to grasp that in the end something as fine as this could be ground into dust” (p. 213). I Curse the River of Time, the new

novel from the winner of the International IMPAC Dublin Literary Award for *Out Stealing Horses*, is a mesmerizingly beautiful book about love, regret, family secrets and failed revolution. The novel takes us through thirty-seven-year-old Arvid’s life and its descent towards a moment of terrible crisis. It traces his parents’ hesitant support when he gives up his place at college to work in a paper mill, like his father; his experiences as a fervent young Maoist in Norway in the 1960s; the death of his younger brother; the passionate, enveloping romance that led to marriage and children and, for a time, happiness; the failure of that relationship, and its transformation into a source of harrowing pain. By 1989, everything that gave Arvid’s life meaning has melted into air. The collapse of the Berlin Wall mirrors the collapse of his marriage and his self-punishing alcoholism. When his mother is diagnosed with stomach cancer, Arvid sets off to their summer house in Denmark to be with her, meeting men and women from their past along the

---

way. His despairing journey is also a quest for some kind of order in his life, perhaps even a new foundation. When Arvid finds his mother, and accompanies her in her illness, the novel turns to exploring the secrets that explain the distance between them – a distance that perhaps can never be crossed. *I Curse the River of Time* describes the ways that the present and the past are always intertwined, and shows how the personal and political are one and the same. Written in a subdued and elegiac style, with flashes of devastating poetic beauty, it is an utterly absorbing experience, a book that displays wisdom of the kind that only profound loss can bring. Above all, it is a reminder of the power of great art to console us for life's burdens, an example of the way our dreams may brighten our bleakest moments.

The sequel to Thomas Wolfe's remarkable first novel, *Look Homeward, Angel*, *Of Time and the River* is one of the great classics of American literature. The book chronicles the maturing of Wolfe's autobiographical character, Eugene Gant, in his desperate search for fulfillment, making his way from small-town North Carolina to the wider world of Harvard University, New York City, and Europe. In a massive, ambitious, and boldly passionate novel, Wolfe examines the passing of time and the nature of the creative process, as Gant

---

slowly but ecstatically embraces the urban life, recognizing it as a necessary ordeal for the birth of his creative genius as a writer. The work of an exceptionally expressive writer of fertile imagination and startling emotional intensity, *Of Time and the River* illuminates universal truths about art and life, city and country, past and present. It is a novel that is majestic and enduring. As P. M. Jack observed in *The New York Times*, It is a triumphant demonstration that Thomas Wolfe has the stamina to produce a magnificent epic of American life. This edition, published in celebration of Wolfe's centennial anniversary, contains a new introduction by Pat Conroy

**Follow the River** Penguin Random House New Zealand Limited  
A gripping, gritty and award-winning coming-of-age novel for young adult readers. When Te Arepa Santos is dragged into the river by a giant eel, something happens that will change the course of his whole life. The boy who struggles to the bank is not the same one who plunged in, moments earlier. He has brushed against the spirit world, and there is

---

a price to be paid; an utu (revenge) to be exacted. Years later, far from the protection of whanau (family) and ancestral land, he finds new enemies. This time, with no one to save him, there is a decision to be made: he can wait on the bank, or leap forward into the river. At the 2013 NZ Post Childrens Book Awards *Into the River* was judged the Margaret Mahy Book of the Year. It also won the Young Adult Fiction category of the awards. An engaging coming-of-age novel, it follows its main protagonist from his childhood in small-town rural New Zealand to an elite Auckland boarding school, where he must forge his own way - including battling with his cultural identity. This prequel to Ted Dawe's award-winning novel *Thunder Road* is gritty, provocative, at times shocking, but always real and true. The awards' chief judge Bernard Beckett described a character "caught between two worlds ... the explicit content was presented as the danger of people being left adrift by society. And within that context, hard-hitting material is crucial;

it is what makes the book authentic, real and important." The Deputy Chief Censor of Film and Literature ruled that the book is not offensive: 'The book deals with some stronger content. There are sexual relationships between teenagers, encounters with possible child sexual exploitation, the use of illegal drugs and other criminal activities, violent assault, and a moderate level of highly offensive language. These are well contextualised within an exciting fast moving narrative that has as its protagonist, a young teenage Maori boy from a rural community who is finding his way through the strange uncomfortable environment of a boys' boarding school and unfamiliar social mores. The story captures the raw and real extremes of adolescence in teenage boys along with their yearnings and obsessions. The book is notable for being one of the first in the New Zealand which specifically targets teenage boys and younger men - a genre that does not have great representation. The genre character is therefore significant. The content

---

immerses the reader in action, wit, and intrigue, as well as a level of social realism, all likely to engage teen and young adult readers and with particular appeal for older boys and young men.'
