The NEW edition of the best-selling guide to the GMAT Test. The Official Guide to the GMAT, 13th Edition will be the first guide on the market that contains official questions from the new Integrated Reasoning component being fully integrated into the test in June 2012. Because this component is more interactive than other core components in the GMAT exam (Verbal, Quantitative, and Analytical Writing), the Integrated Reasoning practice questions will be housed on a companion website that readers will be able to access after purchasing the book\*. In addition, 20% of the current questions will be replaced - all with official questions used on actual GMAT exams - more than 800 questions are included!. No other GMAT study guide can provide this. The book will publish three months before the new test is integrated and will be the only guide on the market to include study information and practice questions written by the writers of the test. \*To use the Integrated Reasoning companion website, you must have one of the following browsers: Safari, Google Chrome, Firefox, or Internet Explorer version 7 or higher.
