Based on the Gospel of Matthew, this book is the first of five in the series. The only reason Luke is even at the church youth overnight event is because his mother convinced him to go after an argument. His mother wants him to be baptized but, at 15, Luke doesn't believe he is old enough and doesn't know Jesus well enough. That changes when Luke meets an angel who says he has been chosen by God to deliver a message. First Luke must decide if what he saw and heard is real and then he must decide if he will go. Luke sets out on what he is sure is a crazy adventure with his friend Keith. Starting on bicycles they end up crossing half the United States on a mission for God. Along the way, they learn much more about loving Jesus while facing bullies, drugs and even seeing death - - and Luke delivers God's message. He delivers it to a senior pastor of a large church and the pastor doesn't even know he needs the message.

When Phoebe's mom returns from Greece with a new husband and plans to move to an island in the Aegean Sea, Phoebe's well-plotted senior year becomes ancient history. Now, instead of enjoying a triumphant track season and planning for college with her best friends, Phoebe is trying to keep her head above water at the berexclusive Academy. If it isn't hard enough being the new kid in school, Phoebe's classmates are all descendents of the Greek gods! When you're running against teammates with superpowers, dealing with a stepsister from Hades, and nursing a crush on a boy who is quite literally a god, the drama takes on mythic proportions!

As eighteen-year-old Cheryl Hunter escapes rural Colorado for the bright lights of Europe, she does so with nothing more than an over-packed suitcase and a dream. Once there, her mind is bent on solving one problem alone: how does a small-town cowgirl pull off the feat of becoming an international supermodel? When Cheryl is abducted, raped and brutally beaten instead, she is faced with solving a much bigger problem: how does she survive? Using her journey of rising from the ashes as fuel, Hunter delivers a step-by-step method that can be applied by anyone who has ever dealt with less-than-favorable circumstances. In a world where—let's face it—life often hijacks our personal agendas, Cheryl shows you how to immediately take back the reins, design a life you love, and become the unstoppable force of nature you were born to be.

The Earth is in ruins. Cities and nations destroyed. Mankind is extinct. Brant and Arsha are synthetics, machines made in the image of people. They dream of bringing humans back into the world and have the technology to succeed, but the obstacles in their way are mounting. Not only are their own conflicting ideals creating a rift between them, but now the sinister Marauders are closing in as they seek revenge on Brant. Out in the wasteland, strange lights and mysterious objects in the sky herald the arrival of new factions that seek to control the region. Even in the once quiet streets of their own city, malevolent forces are beginning to unfurl that threaten the sanctity of everything they hold dear, jeopardising the future that is within their grasp. *Oh My Gods* Etch/Hmh Books for Young Readers

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all

while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

He was supposed to be a myth. But from the moment I crossed the River Styx and fell under his dark spell...he was, quite simply, mine. \*A scorchingly hot modern retelling of Hades and Persephone that's as sinful as it is sweet.\* Society darling Persephone Dimitriou plans to flee the ultra-modern city of Olympus and start over far from the backstabbing politics of the Thirteen Houses. But all that's ripped away when her mother ambushes her with an engagement to Zeus, the dangerous power behind their glittering city's dark facade. With no options left, Persephone flees to the forbidden undercity and makes a devil's bargain with a man she once believed a myth...a man who awakens her to a world she never knew existed. Hades has spent his life in the shadows, and he has no intention of stepping into the light. But when he finds that Persephone can offer a little slice of the revenge he's spent years craving, it's all the excuse he needs to help her—for a price. Yet every breathless night spent tangled together has given Hades a taste for Persephone, and he'll go to war with Olympus itself to keep her close...

'Born to Fly' is a poignant and heart warming story based on true-life adventures of captive birds being safely released back into nature...blended with a fictional story about a Rainbow Lorikeet named Cherub. It is predominantly a book for all ages, for storytelling and learning is universal. 'Born to Fly' is also a metaphor for us all - to free ourselves to live happy, fulfilling and creative lives...and as we do this we automatically assist others to do the same. It is this inherent wisdom that Cherub and her friends are lovingly and patiently teaching us. As caretakers and guardians of the natural world, our role is to observe and delight in the many wondrous miracles and beauty of nature. It is also to teach each and every one of our children this precious gift, so we can all truly fly free.

From acclaimed writer and scholar Philip Freeman, a contemporary retelling of classic Greek and Roman mythology. The Greek and Roman myths have never died out; in fact they are as relevant today as ever in their sharp observations about human nature. For thousands of years they have inspired plays, operas, and paintings; today they live on in movies and video games. Oh My Gods is a contemporary retelling of some of the most popular myths by Philip Freeman, a noted classicist. These tales of errant gods, fantastic creatures, and human heroes are brought to life in fresh and modern versions. Powerful Zeus; his perpetually aggrieved wife, Hera; talented Apollo; beautiful Aphrodite; fierce Athena; the dauntless heroes Theseus and Hercules; and the doomed lovers Orpheus and Eurydice still inspire awe, give us courage, and break our hearts. From the astonishing tales of the Argonauts to the immortal narrative of the Battle of Troy, these ancient tales have inspired writers from Shakespeare to J. K. Rowling. In Philip Freeman's vibrant retelling they will doubtless inspire a new generation of readers.

My Overdue Book: Too many stories not to tell: spells out the varied episodes in the life of a man who spent decades working in Hollywood. He began as a little boy in Cincinnati impressed early on by the broadcasting magic of radio and then TV in the middle of twentieth century America. His drive to get into broadcasting culminates in an early success that gets interrupted by an unexpected sidebar in The US Army and a subsequent tour as an Infantryman in Vietnam in the late 1960's. His yearlong excursion in "Fun City East," with its repeated life and death experiences, had lifelong effects on this soldier-of-media. Following his wanderings through the jungles of Vietnam, Bright's interactions with many of America's top public figures throughout his decades in radio and television come to life with intriguing stories that are personal, professional, positive and negative. It's life without a filter! Readers across generations will share and co-experience numerous real life feelings and emotions with writer Bright as his winding trail of life opens in front of them. book endorsement for peter bright; i always thought that peter bright and i had many things in common; we both grew up in ohio, we both had careers in the live event and variety side of television, and the few times we had times to talk i thought we shared a mutual philosophy toward the ups and downs of life. but it wasn't until i read his "overdue" book that i realized just what a rich and storied life peter has had and how much more deeply he had experienced the highs and lows, particularly during his years in the military, than i ever could have imagined. it really amazes me just how little we know about people we think we know, and just how

much more we appreciate who they are when we are fortunate enough to have that background filled in by someone as articulate and able to express both facts and feelings as peter has in this book. when i started to read it, i thought all of those common events that we shared would be an interesting parallel track to my life and as such i would have a great frame of reference, but as i read on, i realized just what an amazing story peter has to tell and just how well he tells it. ken ehrlich, executive producer, the grammy awards
