Star Trek legend and veteran author William Shatner discusses the meaning of life, finding value in work, and living well whatever your age. "I have always felt," William Shatner says early in his newest memoir, that "like the great comedian George Burns, who lived to 100, I couldn't die as long as I was booked." And Shatner is always booked. Still, a brief health scare in 2016 forced him to take stock. After mulling over the lessons he's learned, the places he's been, and all the miracles and strange

occurrences he's witnessed over the course of an enduring career in Hollywood and on the stage, he arrived at one simple rule for living a long and good life: don't die. It's the only one-size-fits-all advice, Shatner argues in *Live Long and...What I Learned Along the Way*, because everyone has a unique life—but, to help us all out, he's more than willing to share stories from his unique life. With a combination of pithy humor and thoughtful vulnerability, Shatner lays out his journey from childhood to peak stardom and all the bumps in the road. (Sometimes the literal road, as in the case of his 2,400-mile motorcycle trip across the country with a bike that didn't function.) William Shatner is one of our most beloved entertainers, and he intends never to stop

entertaining. His funny, provocative, and poignant reflections offer an unforgettable read about a remarkable man.

Death Count Vintage Canada
A series of terrifying attacks have left a city overrun by children gone murderous! In the sudden aftermath of a series of horrifying attacks, a group of strangers are forced to get together in a city gone mad under the onslaught of an unimaginable terror! Children! Can they overcome every deeply ingrained human instinct and do the unimaginable to survive in a world overrun with Damned, Cursed Children?! ~*~*~2010 EPIC AWARD FINALIST!~*~*~Settle yourself in for a wicked bed time story, a hot, wild ride through nursery rhymes like you've never heard them before. Set in a fantastical world where the privileged few own and raise sex slaves like beloved pets, Mother herself is the star of the show, wielding a riding crop and taking care of and training her young charges with a firm and skillful hand. But where has Father Goose wandered off to, and who will take Mother in hand when she ventures too far?-----Warnings: This title contains erotic situations, graphic language, sex, spanking, elements of bdsm, and a perspective on nursery rhymes you'll never forget!-----EXCERPT: "Peep!" The voice shook the room and the startled girl looked up as Mother came in. "Do you know where your sheep are now?" "No, Mother." The girl looked up from her position, kneeling on the floor, her blue

eyes wide. "I penned them before I left, I swear it." Mother Goose came toward her, the high heels of her soft boots clicking on the floor. She squatted down before Peep, whose hands were bound behind her to her feet with pink satin sashes. "You are a pretty little one," Mother said, lifting the girl's chin and studying her face. Mother's eyes moved over the girl's body, the pink and white corset drawn tight, her blonde curls spilling over her shoulders, partially hiding Peep's rosy little nipples. "Sometimes I think you're just playing dumb." "No, Mother," Peep implored, shaking her head. "I penned them, I promise you." "Is that so?" Mother asked, standing again. Peep looked up Mother's long legs, encased in black fishnet stockings and garters, the dark triangle between her legs exposed, as it always was, for easy access. Mother had taken to wearing black since Father had crossed over, and her mood was ever changeable, but lately she seemed often cross and hard to please. Mother tapped her toe in front of Peep's knee, folding

her arms over her ample breasts that were pushed up high in her black corset, but covered with the sheer lace peignoir that she always wore, unbuttoned to the floor. "Mother, please," Peep pleaded. "I will go tend them, if you let me." Mother walked over to the cabinet and the girl moaned, the sound caught halfway between regret and anticipation. "I think we need a little correction, don't you?" Mother's voice drifted over her shoulder as she chose a small cat o'nine tails from her collection. "Please," Peep pleaded again, her eyes downcast. "I'll be a good girl." "Yes," Mother murmured, coming to caress the her cheek with her soft hand. "You will." Mother reached behind the girl and began untying the pink satin ribbon that bound her. Peep sighed in relief, rolling her tired shoulders once her arms were free. She leaned forward onto her hands and knees as Mother began to untie her feet, but then the older woman stopped. "No... this is good," Mother said, tightening the sashes at the girl's ankles, chuckling. "Turn around, Little Bo Peep,

who's lost her sheep, and doesn't know were to find them." Peep did as she was told, turning her face toward the wall on her hands and knees, using her hands to slowly work herself around. She felt Mother's hand caressing her ass, and she shivered, looking back over her shoulder at the older woman. Mother was squatting down behind her, beginning to drip the many straps of the cat o'nine tails over Peep's behind like a little leather waterfall. "Peep's little puss," Mother whispered, parting the dark blonde fuzz with her fingers to peer in at the pink treasure. "I love peeping at Peep's little puss." Mother giggled, wiggling her fingers through and finding the girl's clit. "Oh, Mother!" Peep moaned, lifting her bottom in the air as much as she could with her feet tied together at the ankles.

Soldier of Change Abrams
Admiral James T. Kirk is charged by the Klingon Empire for the commandeering of a Klingon starship. The Federation honors the Klingon demands for extradition, and Kirk and the crew of the Starship

Enterprise are drawn back to Earth. But their trip is interrupted by the appearance of a mysterious, all-powerful alien space probe. Suddenly, Kirk, Spock, McCoy and the rest of the crew must journey back through time to twentieth-century Earth to solve the mystery of the probe.

The Queer Advantage Springer
Best known as Mr. Sulu, helmsman of the Starship Enterprise™ and captain of the Starship Excelsior, George Takei is beloved by millions as part of the command team that has taken audiences to new vistas of adventure in Star Trek®—the unprecedented television and feature film phenomenon. From the program's birth in the changing world of the 1960s and death at the hands of the network to its rebirth in the hearts and minds of loyal fans, the Star Trek story has blazed its own path into our recent cultural history, leading to a series of blockbuster feature films and three new versions of Star Trek for television. The Star Trek story is one of boundless hope and crushing disappointment, wrenching rivalries and incredible achievements. It is also the story of how, after nearly thirty years, the cast of characters from a unique but poorly rated television show have come to be known to millions of Americans and people around the world as family. For George Takei, the Star Trek adventure is intertwined with his personal odyssey through adversity in which four-year-old George and his family were forced by the United States government into internment

camps during World War II. Star Trek means much more to George Takei than an extraordinary career that has spanned thirty years. For an American whose ideals faced such a severe test, Star Trek represents a shining embodiment of the American Dream—the promise of an optimistic future in which people from all over the world contribute to a common destiny. *Live Long And . . .* Newsage Press

Fundamental Neuroscience, 3rd Edition introduces graduate and upper-level undergraduate students to the full range of contemporary neuroscience. Addressing instructor and student feedback on the previous edition, all of the chapters are rewritten to make this book more concise and student-friendly than ever before. Each chapter is once again heavily illustrated and provides clinical boxes describing experiments, disorders, and methodological approaches and concepts. Capturing the promise and excitement of this fast-moving field, *Fundamental Neuroscience, 3rd Edition* is the text that students will be able to reference throughout their neuroscience careers! New to this edition: 30% new material including new chapters on Dendritic Development and Spine Morphogenesis, Chemical Senses, Cerebellum,

Eye Movements, Circadian Timing, Sleep and Dreaming, and Consciousness Additional text boxes describing key experiments, disorders, methods, and concepts

Multiple model system coverage beyond rats, mice, and monkeys Extensively expanded index for easier referencing

[Tryptophan Metabolism: Implications for Biological Processes, Health and Disease](#)

Oni Press

An erotically charged, addictive thriller from the future queen of suspense. Living in Toronto for a year, Elena is leading the normal life she has always dreamed of, including a stable job as a journalist and a nice apartment shared with her boyfriend. As the lone female werewolf in existence, only her secret midnight prowls and her occasional inhuman cravings set her apart. Just one year ago, life was very different. Adopted by the Pack when bitten, Elena had spent years struggling with her resentment at having her life stolen away. Torn between two worlds, and overwhelmed by the new passions coursing through her body, her only option for control was to deny her awakening needs and escape. But now the Pack has called Elena home to help

them fight an alliance of renegade werewolves who are bent on exposing and annihilating the Pack. And although Elena is obliged to rejoin her "family," she vows not to be swept up in Pack life again, no matter how natural it might feel. She has made her choice. Trouble is, she's increasingly uncertain if it's the right one. An erotically charged thriller, *Bitten* will awaken the voracious appetite of every reader, as the age-old battle between man and beast, between human and inhuman forces, comes to a head in one small town and within one woman's body.

Star Trek IV Hachette Go
New York Times Bestseller
Leonard Nimoy and William Shatner first crossed paths as actors on the set of *The Man from U.N.C.L.E.* Little did they know that their next roles as Spock and Captain Kirk, in a new science fiction television series, would shape their lives in ways no one could have anticipated. In seventy-nine television episodes of *Star Trek* and six feature films, they grew to know each other more than most friends could ever imagine. Over the course of half a century, Shatner and Nimoy saw each other through personal and professional highs and lows. In this powerfully emotional book, Shatner tells the story of a man who was his friend for five decades, recounting anecdotes

and untold stories of their lives and off set, as well as gathering stories from others who knew Nimoy well, to present a full picture of a rich life. As much a biography of Nimoy as a story of their friendship, Leonard is a uniquely heartfelt book written by one legendary actor in celebration of another.

Stealing Home Simon and Schuster

From Derf Backderf, the bestselling author of *My Friend Dahmer*, comes the tragic and unforgettable story of the Kent State shootings † ‹ On May 4, 1970, the Ohio National Guard gunned down unarmed college students protesting the Vietnam War at Kent State University. In a deadly barrage of 67 shots, 4 students were killed and 9 shot and wounded. It was the day America turned guns on its own children—a shocking event burned into our national memory. A few days prior, 10-year-old Derf Backderf saw those same Guardsmen patrolling his nearby hometown, sent in by the governor to crush a trucker strike. Using the journalism skills he employed on *My Friend Dahmer* and *Trashed*, Backderf has conducted extensive interviews and research to explore the lives of these four young people and the events of those four days in May, when the country seemed on the brink of tearing apart. *Kent State: Four Dead in Ohio*, which will be published in time for the 50th anniversary of the

ontragedy, is a moving and troubling story about the bitter price of dissent—as relevant today as it was in 1970.

Safe with Me Kids Can Press Ltd

A gripping graphic novel that tells a boy ' s experience in a WWII Japanese internment camp, and the lessons that baseball teaches him. Sandy Saito is a happy boy who ' s obsessed with baseball — especially the Asahi team, the pride of his community. But when the Japanese attack Pearl Harbor, his life, like that of every North American of Japanese descent, changes forever. Forced to move to a remote internment camp, he and his family cope as best they can. And though life at the camp is difficult, Sandy finds solace in baseball, where there ' s always the promise of possibilities. Through his experience, Sandy comes to realize that life is a lot like baseball. It ' s about dealing with whatever is thrown at you, however you can. And it ' s about finding your way home.

Star Trek Book of Opposites Simon and Schuster

Meet the LGBTQ+ dealmakers, trailblazers, and glass-ceiling breakers in business, politics, and beyond. The people who are creating national public policy, running billion-dollar tech enterprises, and winning

Olympic medals. Andrew Gelwicks interviews the leaders who have forged their own paths and changed the world. From Troye Sivan to Margaret Cho, George Takei to Billie Jean King, Shangela to Adam Rippon, each person credits their queer identity with giving them an edge in their paths to success. Their stories brim with the hard-won lessons gained over their careers. With variances in age, background, careers, and races, key themes shine through: Channeling anger in a positive way -- using it as rocket fuel to succeed Leveraging your difference to beget new ideas and strategies Bridging generational gaps Accessing resources to conquer crippling denial, internalized homophobia, and doubt The power of the Internet as a tool of self-discovery Using your sensitivity and attunement to read the room, deciding when to fit in and when to stand out Finding a queer tribe and learning to help and lean on one another Collecting incisive, deeply personal conversations with LGBTQ+ trailblazers about how they leveraged the challenges and insights they had as relative outsiders to succeed in the worlds of business, tech, politics, Hollywood, sports and beyond, *The Queer Advantage* celebrates the unique, supercharged power of queerness.

Relive your favorite episodes of

the beloved My Little Pony animated cartoon in this graphic novel adaptation featuring season seven's "Shadowplay!" When Sunburst discovers the lost journal of Star Swirl the Bearded, he shares it with Twilight Sparkle. Together, they find out how the sorcerer and several other of Equestria's heroes, known as the Pillars of Old Equestria, sacrificed themselves to defeat the evil Pony of Shadows. After researching more about the heroes' disappearance, Twilight believes that the Pillars are still alive and trapped in limbo and becomes obsessed with trying to free them—but that might not be such a good idea!

Bitten Simon and Schuster

The planets Earth and Vulcan experience a mysterious first contact in this fascinating Star Trek novel featuring the crew of the U.S.S. Enterprise. Years before the formal first contact between Earth and another planet's inhabitants, a Vulcan space vessel crash landed in the South Pacific, forcing humanity to decide whether to offer the hand of friendship, or the fist of war. Complicating matters is a second visitation: a group of people from two hundred years in the future, who serve on a starship called Enterprise. Discover the astonishing truth about this heretofore unknown first contact and the nightmares that plague Admiral James T. Kirk. Dreams of his dead comrades, of his earliest days aboard the U.S.S. Enterprise, and of a forgotten past in which he somehow changed the course of history and destroyed the

Federation before it began.

Colors of Confinement Little, Brown

The Starship Enterprise™ is summoned to transport a dangerous criminal to rehabilitation: the brilliant physicist, Dr. Georges Mordreaux, who is accused of promising to send people back in time, then killing them instead. But when a crazed Mordreaux escapes, he inexplicably bursts onto the bridge and murders Captain Kirk before the crew's eyes. Now Spock must journey back in time to avert the disaster before it occurs. But more is at stake than Kirk's life. Mordreaux's experiments have thrown the universe into chaos, and Spock is fighting time itself to keep the very fabric of reality from unraveling.

They Called Us Enemy -

Expanded Edition First Second

A young adult graphic novel about three foreign exchange students and the pleasures, and difficulties, of adjusting to living in Japan. Living in a new country is no walk in the park—Nao, Hyejung, and Tina can all attest to that. The three of them became fast friends through living together in the Himawari House in Tokyo and attending the same Japanese cram school. Nao came to Japan to reconnect with her Japanese heritage, while Hyejung and Tina came to find freedom and their own paths. Though each of them has her own motivations and

challenges, they all deal with language barriers, being a fish out of water, self discovery, love, and family.

Star Trek V Humana Press

On the planet Nimbus III, a harsh world deep in the neutral zone, the three major powers -- Federation, Klingon, and Romulan -- attempt a revolutionary cooperative program, jointly developing the planet as an experiment in peace. But that makes Nimbus III an irresistible target for terrorists, who seize control of the planet, and the Enterprise is sent on a daring mission of rescue. And soon Kirk and his crew find themselves on a much more dangerous and disturbing journey, to the center of the galaxy and the forbidden secrets it holds. Star Trek: The Motion Picture: The Art and Visual Effects First Second

In the forty-year history of Star Trek®, none of the television show's actors are more beloved than DeForest Kelley. His portrayal of Leonard "Bones" McCoy, the southern physician aboard the Starship Enterprise™, brought an unaffected humanity to the groundbreaking space frontier series. Jackson DeForest Kelley came of age in Depression-era Georgia. He was raised on the sawdust trail, a preacher's kid steeped in his father's literal faith and judgment. But De's natural

artistic gifts called him to a different way, and a visit to California at seventeen showed a bright new world. Theater and radio defined his early career -- but it was a World War II training film he made while serving in the Army Air Corps that led to his first Paramount Studios contract. After years of struggle, his lean, weathered look became well known in notable westerns and television programs such as *You Are There* and *Bonanza*. But his work on several pilots for writer-producer Gene Roddenberry changed his destiny and the course of cultural history. This thoroughly researched actor's life is about hard work and luck, loyalty and love. It is a journey that takes us all...from sawdust to stardust. *Tiny Dancer* Dreamspinner Press

Mary Matsuda is a typical 16-year-old girl living on Vashon Island, Washington with her family. On December 7, 1942, the Japanese bomb Pearl Harbor, and Mary's life changes forever. Mary and her brother, Yoneichi, are U.S. citizens, but they are imprisoned, along with their parents, in a Japanese-American internment camp. Mary endures an indefinite sentence behind barbed wire in crowded, primitive camps, struggling for survival and dignity. Mary wonders if they will be killed, or if they will one day return to their beloved home and berry farm. The author tells her story with the passion and spirit of a girl trying to make sense of this terrible injustice to her and her family. Mary captures the emotional and psychological essence of what it

was like to grow up in the midst of this profound dislocation, questioning her Japanese and her American heritage. Few other books on this subject come close to the emotional power, raw honesty, and moral significance of this memoir. This personal story provides a touchstone for the young student learning about World War II and this difficult chapter in U.S. history.

From Sawdust to Stardust Soho Press

Is your child exploring strange new words? Or are you simply a Trekkie who needs a goofy gift for a fellow-fan friend? *The Star Trek Book of Opposites* will transport you together to an exciting voyage of silly educational fun, pairing colorful photographs of Star Trek's classic heroes and aliens to introduce the concept of opposites through immediate visual humor. With the help of Kirk, Spock, and McCoy, you can teach children the meaning of happy and sad, open and closed, apart and together, and much more. With a hip, up-market design sensibility, *The Star Trek Book of Opposites* will make a great kitschy gift for Trekkies of all ages.
