The disappearance of Andorian scientific genius Muav Haslev fuels tensions between the Orions and Andorians -- tensions that come dangerously close to full scale war. Captain Kirk and the crew of the U.S.S. Enterprise™ are called to Starbase Sigma 1, located on the edge of Andorian-Orion space, to patrol the sector as a deterrent to

hostilities. On arrival, the crew encounters an inexplicable series of events, beginning with missing equipment and shipboard malfunctions. After a deadly transporter accident, Kirk suspects sabotage -- suspicions that are confirmed by the mysterious murders of three Federation officials. Now, Kirk and crew must put together the fragmented pieces of the puzzle, before the Starship Enterprise faces destruction and the galaxy faces interplanetary war.

Oni Press

An erotically charged, addictive thriller from the future queen of suspense. Living in Toronto for a year, Elena is leading the normal life she has always dreamed of, including a stable job as a journalist and a nice apartment shared with her boyfriend. As the lone female werewolf in existence, only her secret

midnight prowls and her occasional inhuman cravings set her apart. Just one year ago, life was very different. Adopted by the Pack when bitten, Elena had spent years struggling with her resentment at having her life stolen away. Torn between two worlds, and overwhelmed by the new passions coursing through her body, her only option for control was to deny her awakening needs and escape. But now the Pack has called Elena home to help them fight an alliance of renegade werewolves who are bent on exposing and annihilating the Pack. And although Elena is obliged to rejoin her "family," she vows not to be swept up in Pack life again, no matter how natural it might feel. She has made her choice. Trouble is, she's increasingly uncertain if it's the right one. An erotically charged thriller, Bitten will awaken the voracious appetite of every reader, as the age-old battle between man and beast, between human and inhuman forces, comes to a head in one small town and within one woman's body.

Damned Cursed Children Little, Brown

A young adult graphic novel about three foreign exchange students and the pleasures, and difficulties, of adjusting to living in Japan. Living in a new country is no walk in the park—Nao, Hyejung, and Tina can all attest to that. The three of them became fast friends through living together in the Himawari House in Tokyo and attending the same Japanese cram school. Nao came to Japan to reconnect with her Japanese heritage, while Hyejung and Tina came to find freedom and their own paths. Though each of them has her own motivations and challenges, they all deal with language barriers, being a fish out of water, self discovery, love, and family.

"It's undeniably thrilling to find words for our strangest feelings...Koenig casts light into lonely corners of human experience...An enchanting book. " —The Washington Post

A truly original book in every sense of the word, *The Dictionary of Obscure Sorrows* poetically defines emotions that we all feel but don't have the words to express—until now. Have you ever wondered about the lives of each person you pass on the street, realizing that everyone is the main character in their own story, each living a life as vivid and complex as your own? That feeling has a name: "sonder." Or maybe you've watched a thunderstorm roll in and felt a primal hunger for disaster, hoping it would shake up your life. That's called "lachesism." Or you were looking through old photos and felt a pang of nostalgia for a time you've never actually experienced. That's "anemoia." If you've never heard of these terms before, that's because they didn't

exist until John Koenig set out to fill the gaps in our language of emotion. *The Dictionary of Obscure Sorrows* "creates beautiful new words that we need but do not yet have," says John Green, bestselling author of *The Fault in Our Stars*. By turns poignant, relatable, and mind-bending, the definitions include whimsical etymologies drawn from languages around the world, interspersed with otherworldly collages and lyrical essays that explore forgotten corners of the human condition—from "astrophe," the longing to explore beyond the planet Earth, to "zenosyne," the sense that time keeps getting faster. *The Dictionary of Obscure Sorrows* is for anyone who enjoys a shift in perspective, pondering the ineffable feelings that make up our lives. With a gorgeous

package and beautiful illustrations throughout, this is the perfect gift for creatives, word nerds, and human beings everywhere.

Live Long And . . . Simon and Schuster

The official guide to the film artistry of Star Trek: The Motion Picture. Forty years ago, Star Trek: The Motion Picture brought Kirk, Spock, and the Enterprise crew to the big screen and changed the course of the Star Trek franchise. Now, celebrate this landmark anniversary by discovering the visual artistry that made this an enduring science fiction classic. For the first time ever, explore archival material created by legendary Star Trek collaborators, including Robert Abel, Syd Mead, Ralph McQuarrie, Andrew Probert, and Ken Adams.

From Derf Backderf, the bestselling author of My Friend Dahmer, comes the tragic and unforgettable story of the Kent State shootings † ‹ On May 4, 1970, the Ohio National Guard

gunned down unarmed college students protesting the Vietnam War at Kent State University. In a deadly barrage of 67 shots, 4 students were killed and 9 shot and wounded. It was the day America turned guns on its own children—a shocking event burned into our national memory. A few days prior, 10-year-old Derf Backderf saw those same Guardsmen patrolling his nearby hometown, sent in by the governor to crush a trucker strike. Using the journalism skills he employed on My Friend Dahmer and Trashed, Backderf has conducted extensive interviews and research to explore the lives of these four young people and the events of those four days in May, when the country seemed on the brink of tearing apart. Kent State: Four Dead in Ohio, which will be published in time for the 50th anniversary of the tragedy, is a moving and troubling story about the bitter price of dissent—as relevant today as it was in 1970.

Just a Geek Threshold Editions

A teenager is pulled back in time to witness her grandmother's experiences in World War II-era

Japanese internment camps in Displacement, a historical graphic novel from Kiku Hughes. Kiku is on vacation in San Francisco when suddenly she finds herself displaced to the 1940s Japanese-American internment camp that her late grandmother, Ernestina, was forcibly relocated to during World War II. These displacements keep occurring until Kiku finds herself "stuck" back in time. Living alongside her young grandmother and other Japanese-American citizens in internment camps, Kiku gets the education she never received in history class. She witnesses the lives of Japanese-Americans who were denied their civil liberties and suffered greatly, but managed to cultivate community and commit acts of resistance in order to survive. Kiku Hughes weaves a riveting, bittersweet tale that highlights the intergenerational impact and power of memory. [Displacement](#) Vintage Canada Raised by unconventional Irish

Catholics who knew "how to drink, how to dance, how to talk, and how to stir up the devil," Kate Mulgrew grew up with poetry and drama in her bones. But in her mother, a would-be artist burdened by the endless arrival of new babies, young Kate saw the consequences of a dream deferred. Determined to pursue her own no matter the cost, at 18 she left her small Midwestern town for New York, where, studying with the legendary Stella Adler, she learned the lesson that would define her as an actress: "Use it," Adler told her. Whatever disappointment, pain, or anger life throws in your path, channel it into the work. It was a lesson she would need. At twenty-two, just as her career was taking off, she became pregnant and gave birth to a daughter. Having already signed the adoption papers, she was allowed only a fleeting glimpse of her child. As her star continued to rise, her life became increasingly demanding and fulfilling, a whirlwind of passionate

love affairs, life-saving friendships, and bone-crunching work. Through it all, Mulgrew remained haunted by the loss of her daughter, until, two decades later, she found the courage to face the past and step into the most challenging role of her life, both on and off screen. We know Kate Mulgrew for the strong women she's played--Captain Janeway on Star Trek; the tough-as-nails "Red" on Orange is the New Black. Now, we meet the most inspiring and memorable character of all: herself. By turns irreverent and soulful, laugh-out-loud funny and heart-piercingly sad, BORN WITH TEETH is the breathtaking memoir of a woman who dares to live life to the fullest, on her own terms.

Tiny Dancer Simon and Schuster
On the planet Nimbus III, a harsh world deep in the neutral zone, the three major powers -- Federation, Klingon, and Romulan -- attempt a revolutionary cooperative program, jointly developing the planet as an experiment in peace. But that makes Nimbus III an irresistible

target for terrorists, who seize control of the planet, and the Enterprise is sent on a daring mission of rescue. And soon Kirk and his crew find themselves on a much more dangerous and disturbing journey, to the center of the galaxy and the forbidden secrets it holds.

The Fifty-Year Mission: The Complete, Uncensored, Unauthorized Oral History of Star Trek: The First 25 Years Humana Press

Find your way to happiness and better self care with this pocket-sized collection of meditations and wisdom. Whether you 're well versed in the art of finding joy in everyday moments, or could use a little help taking care of your soul,

this gorgeously presented and highly giftable book is filled with cheer and inspiration, featuring over 150 moments of wisdom from writers, speakers, thinkers, and leaders ranging from the Buddha to Maya Angelou to George Takei. The mini book is intended for those who want to foster deep reflection on how to care for the being we call the self, as well as for those who simply want a little help along the road of life

Biomaterials Simon and Schuster "Siena Cherson Siegel dreamed of being a ballerina. Her love of movement and dedication to the craft earned her a spot at the School of American Ballet. [She's] worked hard her whole life to be a professional ballet dancer, then makes the difficult decision to quit dancing and tries to figure out what comes next. But what do you do when you have spent your entire life working toward a goal, having that shape your identity, and then decide it's time to move on? How

do you figure out what to do with your life? And how do you figure out who you are?"--

Addicted to Outrage Simon and Schuster The New York Times bestselling graphic memoir from actor/author/activist George Takei returns in a deluxe edition with 16 pages of bonus material! Experience the forces that shaped an American icon -- and America itself -- in this gripping tale of courage, country, loyalty, and love. George Takei has captured hearts and minds worldwide with his magnetic performances, sharp wit, and outspoken commitment to equal rights. But long before he braved new frontiers in STAR TREK, he woke up as a four-year-old boy to find his own birth country at war with his father's -- and their entire family forced from their home into an uncertain future. In 1942, at the order of President Franklin D. Roosevelt, every person of Japanese descent on the west coast was rounded up and shipped to one of ten "relocation centers," hundreds or thousands of miles from home, where they would be held for years under armed guard. THEY CALLED US ENEMY is Takei's firsthand account of those years behind barbed wire, the terrors and small joys of childhood in the shadow of legalized racism, his mother's hard

choices, his father's tested faith in democracy, and the way those experiences planted the seeds for his astonishing future. What does it mean to be American? Who gets to decide? George Takei joins cowriters Justin Eisinger & Steven Scott and artist Harmony Becker for the journey of a lifetime.

Kent State Abrams

Relive your favorite episodes of the beloved My Little Pony animated cartoon in this graphic novel adaptation featuring season seven's "Shadowplay!" When Sunburst discovers the lost journal of Star Swirl the Bearded, he shares it with Twilight Sparkle. Together, they find out how the sorcerer and several other of Equestria's heroes, known as the Pillars of Old Equestria, sacrificed themselves to defeat the evil Pony of Shadows. After researching more about the heroes' disappearance, Twilight believes that the Pillars are still alive and trapped in limbo and becomes obsessed with trying to free them—but that might not be such a good idea!

My Little Pony: Shadowplay Simon and Schuster

In the forty-year history of Star Trek®, none of the television show's actors are more beloved than DeForest Kelley. His portrayal of Leonard "Bones" McCoy, the southern physician aboard the Starship Enterprise™, brought an unaffected humanity to the groundbreaking space frontier series. Jackson DeForest Kelley came of age in Depression-era Georgia. He was raised on the sawdust trail, a preacher's kid steeped in his father's literal faith and judgment. But De's natural artistic gifts called him to a different way, and a visit to California at seventeen showed a bright new world. Theater and radio defined his early career -- but it was a World War II training film he made while serving in the Army Air Corps that led to his first Paramount Studios contract. After years of struggle, his lean, weathered look became well known

in notable westerns and television programs such as You Are There and Bonanza. But his work on several pilots for writer-producer Gene Roddenberry changed his destiny and the course of cultural history. This thoroughly researched actor's life is about hard work and luck, loyalty and love. It is a journey that takes us all...from sawdust to stardust.

Strangers From The Sky Titan Books (US, CA)

Mary Matsuda is a typical 16-year-old girl living on Vashon Island, Washington with her family. On December 7, 1942, the Japanese bomb Pearl Harbor, and Mary's life changes forever. Mary and her brother, Yoneichi, are U.S. citizens, but they are imprisoned, along with their parents, in a Japanese-American internment camp. Mary endures an indefinite sentence behind barbed wire in crowded, primitive camps, struggling for survival and dignity. Mary wonders if they will be killed, or if they will one day return to their beloved home and berry farm. The author tells her story with the passion and spirit of a girl trying to make sense of this terrible injustice to her and her family. Mary captures the emotional

and psychological essence of what it was like to grow up in the midst of this profound dislocation, questioning her Japanese and her American heritage. Few other books on this subject come close to the emotional power, raw honesty, and moral significance of this memoir. This personal story provides a touchstone for the young student learning about World War II and this difficult chapter in U.S. history.

The Tea Dragon Festival Top Shelf Productions

The Starship Enterprise™ is summoned to transport a dangerous criminal to rehabilitation: the brilliant physicist, Dr. Georges Mordreaux, who is accused of promising to send people back in time, then killing them instead. But when a crazed Mordreaux escapes, he inexplicably bursts onto the bridge and murders Captain Kirk before the crew's eyes. Now Spock must journey back in time to avert the disaster before it occurs. But more is at stake than Kirk's life. Mordreaux's experiments have thrown the universe into chaos, and Spock is fighting time itself to keep the very fabric of reality from unraveling.

Stealing Home Macmillan

The planets Earth and Vulcan experience a mysterious first contact

in this fascinating Star Trek novel featuring the crew of the U.S.S. Enterprise. Years before the formal first contact between Earth and another planet's inhabitants, a Vulcan space vessel crash landed in the South Pacific, forcing humanity to decide whether to offer the hand of friendship, or the fist of war. Complicating matters is a second visitation: a group of people from two hundred years in the future, who serve on a starship called Enterprise. Discover the astonishing truth about this heretofore unknown first contact and the nightmares that plague Admiral James T. Kirk. Dreams of his dead comrades, of his earliest days aboard the U.S.S. Enterprise, and of a forgotten past in which he somehow changed the course of history and destroyed the Federation before it began.

Born with Teeth IDW Publishing
Fundamental Neuroscience, 3rd Edition introduces graduate and upper-level undergraduate students to the full range of contemporary neuroscience. Addressing instructor and student feedback on the previous

edition, all of the chapters are rewritten to make this book more concise and student-friendly than ever before. Each chapter is once again heavily illustrated and provides clinical boxes describing experiments, disorders, and methodological approaches and concepts. Capturing the promise and excitement of this fast-moving field, Fundamental Neuroscience, 3rd Edition is the text that students will be able to reference throughout their neuroscience careers!

New to this edition: 30% new material including new chapters on Dendritic Development and Spine Morphogenesis, Chemical Senses, Cerebellum, Eye Movements, Circadian Timing, Sleep and Dreaming, and Consciousness Additional text boxes describing key experiments, disorders, methods, and concepts Multiple model system coverage beyond rats, mice, and monkeys Extensively expanded index for easier referencing

Thick As Thieves Kids Can Press Ltd
A gripping graphic novel that tells a boy's experience in a WWII Japanese internment camp, and the lessons that

baseball teaches him. Sandy Saito is a happy boy who's obsessed with baseball — especially the Asahi team, the pride of his community. But when the Japanese attack Pearl Harbor, his life, like that of every North American of Japanese descent, changes forever. Forced to move to a remote internment camp, he and his family cope as best they can. And though life at the camp is difficult, Sandy finds solace in baseball, where there's always the promise of possibilities. Through his experience, Sandy comes to realize that life is a lot like baseball. It's about dealing with whatever is thrown at you, however you can. And it's about finding your way home.
