at the Riverdale High Battle of the Bands, a magical twist of fate sends them hurtling into the past--and face-to-face with none other than the Ramones! Can the legendary punks get the Archies to realize their own rock 'n' roll potential and find their way home? Probably not--but it'll be a blitzkrieg bop of a journey, as the two bands bounce from 53rd and 3rd to Rockaway Beach in this must-read crossover from the writers of the best-selling ARCHIE MEETS

KISS and WE CAN NEVER GO HOME with jaw-droppingly beautiful art from Gisele Lagace ("Occupy Riverdale")! Plus more featuring guest stars like Michael Strahan, Lady Gaga, George Takei and many more! *The Real Mother Goose* CreateSpace A young adult graphic novel about three foreign exchange students and the pleasures, and difficul

ties, of adjusting to living in Japan. Living in a new country is no walk in the park--Nao, Hyejung, and Tina can all attest to that. The three of them became fast friends through living together in the Himawari House in Tokyo and attending the same Japanese cram school. Nao came to Japan to

---

reconnect with her Japanese heritage, while Hyejung and Tina came to find freedom and their own paths. Though each of them has her own motivations and challenges, they all deal with language barriers, being a fish out of water, self discovery, love, and family. Displacement

When "Don't Ask, Don't Tell," the official U.S. policy on gays serving in the military, was repealed in September 2011, soldier Stephen Snyder-Hill (then Captain Hill) was serving in Iraq. Having endured years of this policy, which passively encouraged a culture of fear and secrecy for gay soldiers, Snyder-Hill submitted a video to a Republican primary debate held two days after the repeal. In the video he asked for the Republicans' thoughts regarding the repeal and their plans, if any, to extend spousal benefits to legally married gay and lesbian soldiers. His video was booed by the audience on national television. Soldier of Change captures not only the

media frenzy that followed that moment, placing Snyder-Hill at the forefront of this modern civil rights movement, but also his twenty-year journey as a gay man in the army: from self-loathing to self-acceptance to the most important battle of his life-protecting the disenfranchised. Since that time, Snyder-Hill has traveled the country with his husband, giving interviews on major news networks and speaking at universities, community centers, and pride parades, a champion of LGBT equality. who needs a goofy gift for a fellow-fan friend? The Star Trek Book of Opposites will transport you together to an exciting voyage of silly educational fun, pairing colorful photographs of Star Trek's classic heroes and aliens to introduce the concept of opposites through immediate visual humor. With the help of Kirk, Spock, and McCoy, you can teach children the meaning of happy and sad, open and closed, apart and together, and much more. With a hip, up-market design sensibility, The Star Trek Book of Opposites will make a great kitschy gift for Trekkies of all ages. Star Trek Book of Opposites Simon and Schuster  
Relive your favorite

episodes of the beloved My Little Pony animated cartoon in this graphic novel adaptation featuring season seven's "Shadowplay!" When Sunburst discovers the lost journal of Star Swirl the Bearded, he shares it with Twilight Sparkle. Together, they find out how the sorcerer and several other of Equestria's heroes, known as the Pillars of Old Equestria, sacrificed themselves to defeat the evil Pony of Shadows. After researching more about the heroes' disappearance, Twilight believes that the Pillars are still alive and trapped in limbo and becomes obsessed with trying to free them—but that might not be such a good idea!

leaders ranging from-- Federation, the Buddha to Maya Angelou to George Takei. The mini book is intended for those who want to foster deep reflection on how to care for the being we call the self, as well as for those who simply want a little help along the road of life

The Fifty-Year Mission: The Complete, Uncensored, Unauthorized Oral History of Star Trek: The First 25 Years First Second

On the planet Nimbus III, a harsh world deep in the neutral zone, the three major powers

Klingon, and Romulan -- attempt a revolutionary cooperative program, jointly developing the planet as an experiment in peace. But that makes Nimbus III an irresistible target for terrorists, who seize control of the planet, and the Enterprise is sent on a daring mission of rescue. And soon Kirk and his crew find themselves on a much more dangerous and disturbing journey, to the center of the galaxy and the forbidden secrets it holds.

!~\*~\*~Settle yourself in for a wicked bed time story, a hot, wild ride through nursery rhymes like you've never heard them before. Set in a fantastical world where the privileged few own and raise sex slaves like beloved pets, Mother herself is the star of the show, wielding a riding crop and taking care of and training her young charges with a firm and skillful hand. But where has Father Goose wandered off to, and who will take Mother in hand

---

when she ventures too far?-----Warnings: This title contains erotic situations, graphic language, sex, spanking, elements of bdsm, and a perspective on nursery rhymes you'll never forget!-------EXCERPT: "Peep! " The voice shook the room and the startled girl looked up as Mother came in. " Do you know where your sheep are now? " " No, Mother. " The girl looked up from her position, kneeling on the floor, her blue eyes wide. " I penned them before I left, I swear it. " Mother Goose came toward her, the high heels of her soft

boots clicking on the floor. She squatted down before Peep, whose hands were bound behind her to her feet with pink satin sashes. " You are a pretty little one, " Mother said, lifting the girl's chin and studying her face. Mother's eyes moved over the girl's body, the pink and white corset drawn tight, her blonde curls spilling over her shoulders, partially hiding Peep's rosy little nipples. " Sometimes I think you're just playing dumb. " " No, Mother, " Peep implored, shaking her head. " I penned them, I promise you. " " Is that so? " Mother asked, standing again. Peep

looked up Mother's long legs, encased in black fishnet stockings and garters, the dark triangle between her legs exposed, as it always was, for easy access. Mother had taken to wearing black since Father had crossed over, and her mood was ever changeable, but lately she seemed often cross and hard to please. Mother tapped her toe in front of Peep's knee, folding her arms over her ample breasts that were pushed up high in her black corset, but covered with the sheer, lace peignoir that she always wore, unbuttoned to the floor. " Mother, please, " Peep

---

pleaded. “ I will go  
tend them, if you let  
me. ” Mother walked  
over to the cabinet  
and the girl moaned,  
the sound caught  
halfway between  
regret and  
anticipation. “ I  
think we need a little  
correction, don't  
you? ” Mother's  
voice drifted over her  
shoulder as she chose  
a small cat o'nine tails  
from her collection.  
“ Please, ” Peep  
pleaded again, her  
eyes downcast. “ I'll  
be a good  
girl. ” “ Yes, ”  
Mother murmured,  
coming to caress the  
her cheek with her  
soft hand. “ You  
will. ” Mother  
reached behind the  
girl and began  
untying the pink  
satin ribbon that

bound her. Peep  
sighed in relief,  
rolling her tired  
shoulders once her  
arms were free. She  
leaned forward onto  
her hands and knees  
as Mother began to  
untie her feet, but  
then the older  
woman  
stopped. “ No... this  
is good, ” Mother  
said, tightening the  
sashes at the girl's  
ankles, chuckling.  
“ Turn around,  
Little Bo Peep, who's  
lost her sheep, and  
doesn't know were to  
find them. ” Peep  
did as she was told,  
turning her face  
toward the wall on  
her hands and knees,  
using her hands to  
slowly work herself  
around. She felt  
Mother's hand  
caressing her ass, and

she shivered, looking  
back over her  
shoulder at the older  
woman. Mother was  
squatting down  
behind her,  
beginning to drip the  
many straps of the  
cat o'nine tails over  
Peep's behind like a  
little leather  
waterfall. “ Peep's  
little puss, ” Mother  
whispered, parting  
the dark blonde fuzz  
with her fingers to  
peer in at the pink  
treasure. “ I love  
peeping at Peep's  
little puss. ” Mother  
giggled, wiggling her  
fingers through and  
finding the girl's  
clit. “ Oh,  
Mother! ” Peep  
moaned, lifting her  
bottom in the air as  
much as she could  
with her feet tied  
together at the

---

ankles.

They Called Us  
Enemy - Expanded  
Edition Simon and  
Schuster

In the forty-year history of Star Trek®, none of the television show's actors are more beloved than DeForest Kelley. His portrayal of Leonard "Bones" McCoy, the southern physician aboard the Starship Enterprise™, brought an unaffected humanity to the groundbreaking space frontier series. Jackson DeForest Kelley came of age in Depression-era Georgia. He was raised on the sawdust trail, a preacher's kid stepped in his

father's literal faith and judgment. But De's natural artistic gifts called him to a different way, and a visit to California at seventeen showed a bright new world. Theater and radio defined his early career -- but it was a World War II training film he made while serving in the Army Air Corps that led to his first Paramount Studios contract. After years of struggle, his lean, weathered look became well known in notable westerns and television programs such as You Are There and Bonanza. But his work on several pilots for writer-producer Gene Roddenberry

changed his destiny and the course of cultural history. This thoroughly researched actor's life is about hard work and luck, loyalty and love. It is a journey that takes us all...from sawdust to stardust.

To The Stars  
Simon and  
Schuster  
Glenn  
Beck—author of thirteen #1 New York Times bestsellers—issues a startling challenge to people on both sides of the aisle: America is addicted to outrage, we 're at the height of a twenty-year bender, and we need an

---

intervention. In the instant New York Times bestseller, Glenn Beck addresses how America has become more and more divided—both politically and socially. Americans are now less accepting, less forgiving, and have lost faith in many of the country's signature ideals. They are quick to point a judgmental finger at the opposing party, are unwilling to doubt their own ideologies, and refuse to have any self-awareness whatsoever. Beck states that this

current downward spiral will ultimately lead to the destruction of everything America has fought so hard to preserve. This is not simply a Republican problem. This is not simply a Democratic problem. This is everyone's burden, and we need to think like recovering addicts and change. Mirroring traditional twelve-step programs, Beck outlines the actions that Americans must follow in order to prevent a farther decline down this current path of

hostile bitterness. Drawing from his own life experiences and including relevant examples for each step, he is able to lead us to a more hopeful, happy future. From learning how to believe in something greater than ourselves to understanding the importance of humility, each chapter encourages self-reflection and growth. Addicted to Outrage is a timely and necessary guide for how Americans—right and left—must change to survive. Colors of

and murders  
Captain Kirk before  
the crew's eyes.  
Now Spock must  
journey back in  
time to avert the  
disaster before it  
occurs. But more is  
at stake than Kirk's  
life. Mordreaux's  
experiments have  
thrown the universe  
into chaos, and  
Spock is fighting  
time itself to keep  
the very fabric of  
reality from  
unraveling.  
Safe with Me  
Macmillan  
New York Times  
Bestseller Leonard  
Nimoy and William  
Shatner first crossed  
paths as actors on  
the set of *The Man  
from U.N.C.L.E.*  
Little did they know  
that their next roles

as Spock and Captain  
Kirk, in a new  
science fiction  
television series,  
would shape their  
lives in ways no one  
could have  
anticipated. In  
seventy-nine  
television episodes of  
*Star Trek* and six  
feature films, they  
grew to know each  
other more than  
most friends could  
ever imagine. Over  
the course of half a  
century, Shatner and  
Nimoy saw each  
other through  
personal and  
professional highs  
and lows. In this  
powerfully emotional  
book, Shatner tells  
the story of a man  
who was his friend  
for five decades,  
recounting anecdotes  
and untold stories of

their lives on and off  
set, as well as  
gathering stories  
from others who  
knew Nimoy well, to  
present a full picture  
of a rich life. As  
much a biography of  
Nimoy as a story of  
their friendship,  
Leonard is a uniquely  
heartfelt book written  
by one legendary  
actor in celebration  
of another.

Mine. The screech of tires brought Hannah Scott's world as she knew it to a devastating end. A year after she signed the papers to donate her daughter's organs, Hannah is still reeling with grief when she unexpectedly stumbles into the life of the Bell family, whose fifteen-year-old daughter, Maddie, survived only because Hannah's daughter had died. Mesmerized by this fragile connection to her own daughter and afraid to reveal who she actually is, Hannah

develops a surprising friendship with Maddie's mother, Olivia. The Bells, however, have problems of their own. Once on the verge of leaving her wealthy but abusive husband, Olivia now finds herself bound to him in the wake of the transplant that saved their daughter's life. Meanwhile, Maddie, tired of the limits her poor health puts upon her and fearful of her father's increasing rage, regularly escapes into the one place where she can be anyone she wants:

the Internet. But when she is finally healthy enough to return to school, the real world proves to be just as complicated as the isolated bubble she had been so eager to escape. A masterful narrative shaped by nuanced characters whose delicate bonds are on a collision course with the truth, *Safe with Me* is a riveting triumph. *Live Long And . . .* UNC Press Books NEW YORK TIMES BESTSELLER "It's undeniably thrilling to find words for our strangest feelings...Koenig casts light into lonely corners of human

---

experience...An enchanting book. “ —The Washington Post A truly original book in every sense of the word, The Dictionary of Obscure Sorrows poetically defines emotions that we all feel but don ’ t have the words to express—until now. Have you ever wondered about the lives of each person you pass on the street, realizing that everyone is the main character in their own story, each living a life as vivid and complex as your own? That feeling has a name: “ sonder. ” Or maybe you ’ ve watched a thunderstorm roll in and felt a primal hunger for disaster, hoping it would shake up your life. That ’ s called “ lachesism. ” Or you were looking through old photos

and felt a pang of nostalgia for a time you ’ ve never actually experienced. That ’ s “ anemoia. ” If you ’ ve never heard of these terms before, that ’ s because they didn ’ t exist until John Koenig set out to fill the gaps in our language of emotion. The Dictionary of Obscure Sorrows “ creates beautiful new words that we need but do not yet have, ” says John Green, bestselling author of *The Fault in Our Stars*. By turns poignant, relatable, and mind-bending, the definitions include whimsical etymologies drawn from languages around the world, interspersed with otherworldly collages and lyrical essays that explore forgotten corners of the human condition—from “ astrophe, ” the

longing to explore beyond the planet Earth, to “ zenosyne, ” the sense that time keeps getting faster. The Dictionary of Obscure Sorrows is for anyone who enjoys a shift in perspective, pondering the ineffable feelings that make up our lives. With a gorgeous package and beautiful illustrations throughout, this is the perfect gift for creatives, word nerds, and human beings everywhere. [Star Trek: The Motion Picture: The Art and Visual Effects](#) Simon and Schuster A gripping graphic novel that tells a boy ’ s experience in a WWII Japanese internment camp, and the lessons that baseball teaches him.

---

Sandy Saito is a happywhatever is thrown at boy who ' s obsessed you, however you with baseball — can. And it ' s about especially the Asahi finding your way team, the pride of his home. community. But Archie Crossover when the Japanese Collection Thomas attack Pearl Harbor, Dunne Books his life, like that of The official guide to every North American of the film artistry of Star Japanese descent, Trek: The Motion changes forever. Picture. Forty years Forced to move to a remote internment camp, he and his family cope as best they can. And though life at the camp is difficult, Sandy finds solace in baseball, where there ' s always the promise of possibilities. Through his experience, Sandy comes to realize that life is a lot like baseball. It ' s about dealing with

Abel, Syd Mead, Ralph McQuarrie, Andrew Probert, and Ken Adams.

Addicted to  
Outrage Simon and Schuster  
From Derf Backderf, the bestselling author of *My Friend Dahmer*, comes the tragic and unforgettable story of the Kent State shootings † ‹ On May 4, 1970, the Ohio National Guard gunned down unarmed college students protesting the Vietnam War at Kent State University. In a deadly barrage of 67 shots, 4 students were killed and 9

---

shot and wounded. It was the day America turned guns on its own children—a shocking event burned into our national memory. A few days prior, 10-year-old Derf Backderf saw those same Guardsmen patrolling his nearby hometown, sent in by the governor to crush a trucker strike. Using the journalism skills he employed on *My Friend Dahmer* and *Trashed*, Backderf has conducted extensive interviews and research to explore the lives of these four young people and the

events of those four days in May, when the country seemed on the brink of tearing apart. *Kent State: Four Dead in Ohio*, which will be published in time for the 50th anniversary of the tragedy, is a moving and troubling story about the bitter price of dissent—as relevant today as it was in 1970. *Damned Cursed Children* Dreamspinner Press Best known as Mr. Sulu, helmsman of the *Starship Enterprise™* and captain of the *Starship Excelsior*, George Takei is beloved by millions as part of the command team that

has taken audiences to new vistas of adventure in *Star Trek®*—the unprecedented television and feature film phenomenon. From the program's birth in the changing world of the 1960s and death at the hands of the network to its rebirth in the hearts and minds of loyal fans, the *Star Trek* story has blazed its own path into our recent cultural history, leading to a series of blockbuster feature films and three new versions of *Star Trek* for television. The *Star Trek* story is one of boundless hope and crushing disappointment, wrenching rivalries

---

and incredible achievements. It is also the story of how, after nearly thirty years, the cast of characters from a unique but poorly rated television show have come to be known to millions of Americans and people around the world as family. For George Takei, the Star Trek adventure is intertwined with his personal odyssey through adversity in which four-year-old George and his family were forced by the United States government into internment camps during World War II. Star Trek means much more to George Takei than an extraordinary career that has spanned

thirty years. For an American whose ideals faced such a severe test, Star Trek represents a shining embodiment of the American Dream—the promise of an optimistic future in which people from all over the world contribute to a common destiny.
