*Star Trek IV* Simon and Schuster

On the planet Nimbus III, a harsh world deep in the neutral zone, the three major powers -- Federation, Klingon, and Romulan -- attempt a revolutionary cooperative program, jointly developing the planet as an experiment in peace. But that makes Nimbus III an irresistible target for terrorists, who seize control of the planet, and the Enterprise is sent on a daring mission of rescue. And soon Kirk and his crew find themselves on a much more dangerous and disturbing journey, to the center of the galaxy and the forbidden secrets it holds.

The Tea Dragon Festival Humana Press

Glenn Beck—author of thirteen #1 New York Times bestsellers—issues a startling challenge to people on both sides of the aisle: America is addicted to outrage, we're at the height of a twenty-year bender, and we need an intervention. In the instant New York Times bestseller, Glenn Beck addresses how America has become more and more divided—both politically and socially. Americans are now less accepting, less forgiving, and have lost faith in many of the country's signature ideals. They are quick to point a judgmental finger at the opposing party, are unwilling to doubt their own ideologies, and refuse to have any self-awareness whatsoever. Beck states that this current downward spiral will ultimately lead to the destruction of everything America has fought so hard to preserve. This is not simply a Republican problem. This is not simply a Democratic problem. This is everyone's burden, and we need to think like recovering addicts and change. Mirroring traditional twelve-step programs, Beck outlines the actions that Americans must follow

in order to prevent a farther decline down this current path of hostile bitterness. Drawing from his own life experiences and including relevant examples for each step, he is able to lead us to a more hopeful, happy future. From learning how to believe in something greater than ourselves to understanding the importance of humility, each chapter encourages self-reflection and growth. Addicted to Outrage is a timely and necessary guide for how Americans—right and left—must change to survive. The Entropy Effect Simon and Schuster

NEW YORK TIMES BESTSELLER "It's undeniably thrilling to find words for our strangest feelings...Koenig casts light into lonely corners of human experience...An enchanting book." —The Washington Post A truly original book in every sense of the word, *The Dictionary of Obscure Sorrows* poetically defines emotions that we all feel but don't have the words to express—until now. Have you ever wondered about the lives of each person you pass on the street, realizing that everyone is the main character in their own story, each living a life as vivid and complex as your own? That feeling has a name: "sonder." Or maybe you've watched a thunderstorm roll in and felt a primal hunger for disaster, hoping it would shake up your life. That's called "lachesism." Or you were looking through old photos and felt a pang of nostalgia for a time you've never actually experienced. That's "anemoia." If you've never heard of these terms before, that's because they didn't exist until John Koenig set out to fill the gaps in our language of emotion. *The Dictionary of Obscure Sorrows* "creates beautiful new words that we need but do not yet have," says John Green, bestselling author of *The Fault in Our Stars*. By turns poignant, relatable, and mind-bending, the definitions include whimsical etymologies drawn from languages around the world, interspersed with otherworldly collages and lyrical essays that explore forgotten corners of the human condition—from "astrophe," the longing to explore beyond the planet Earth, to "zenosyne," the sense that time keeps getting faster. *The Dictionary of Obscure Sorrows* is for anyone who enjoys a shift in perspective, pondering the ineffable feelings that make up our lives. With a gorgeous package and beautiful illustrations throughout, this is the perfect gift for creatives, word nerds, and human

beings everywhere.

Live Long And . . . Simon and Schuster

Leonard Archie Comic Publications (Trade)

Raised by unconventional Irish Catholics who knew "how to drink, how to dance, how to talk, and how to stir up the devil," Kate Mulgrew grew up with poetry and drama in her bones. But in her mother, a would-be artist burdened by the endless arrival of new babies, young Kate saw the consequences of a dream deferred. Determined to pursue her own no matter the cost, at 18 she left her small Midwestern town for New York, where, studying with the legendary Stella Adler, she learned the lesson that would define her as an actress: "Use it," Adler told her. Whatever disappointment, pain, or anger life throws in your path, channel it into the work. It was a lesson she would need. At twenty-two, just as her career was taking off, she became pregnant and gave birth to a daughter. Having already signed the adoption papers, she was allowed only a fleeting glimpse of her child. As her star continued to rise, her life became increasingly demanding and fulfilling, a whirlwind of passionate love affairs, life-saving friendships, and bone-crunching work. Through it all, Mulgrew remained haunted by the loss of her daughter, until, two decades later, she found the courage to face the past and step into the most challenging role of her

life, both on and off screen. We know Kate Mulgrew for the strong women she's played--Captain Janeway on Star Trek; the tough-as-nails "Red" on Orange is the New Black. Now, we meet the most inspiring and memorable character of all: herself. By turns irreverent and soulful, laugh-out-loud funny and heart-piercingly sad, BORN WITH TEETH is the breathtaking memoir of a woman who dares to live life to the fullest, on her own terms. Clark and Division Potomac Books, Inc.

"A lovely, gentle fantasy." -- KIRKUS Now available in paperback, revisit the enchanting world of Tea Dragons with the beloved companion story to the two-time Eisner Award-winning graphic novel The Tea Dragon Society. Rinn has grown up with the Tea Dragons that inhabit their village, but stumbling across a real dragon turns out to be a different matter entirely! Aedhan is a young dragon who was appointed to protect the village, but fell asleep in the forest eighty years ago. With the aid of Rinn's adventuring uncle Erik and his partner Hesekiel, they investigate the mystery of his enchanted sleep... but Rinn's real challenge is to help Aedhan come to terms with feeling that he cannot get back the time he has lost. Critically acclaimed graphic novelist K. O'Neill delivers another charming, gentle fantasy story about finding your purpose, and the community that helps you along the way.

Just a Geek Abrams

Mary Matsuda is a typical 16-year-old girl living on Vashon Island, Washington with her family. On December 7, 1942, the Japanese bomb Pearl Harbor, and Mary's life changes forever. Mary and her brother, Yoneichi, are U.S. citizens, but they are imprisoned, along with their parents, in a Japanese-American internment camp. Mary endures an indefinite sentence behind barbed wire in crowded, primitive camps, struggling for survival and dignity. Mary wonders if they will be killed, or if they will one day return to their beloved home and berry farm. The author tells her story with the passion and spirit of a girl trying to make sense of this terrible injustice to her and her family. Mary captures the emotional and psychological essence of what it was

like to grow up in the midst of this profound dislocation, questioning her Japanese and her American heritage. Few other books on this subject come close to the emotional power, raw honesty, and moral significance of this memoir. This personal story provides a touchstone for the young student learning about World War II and this difficult chapter in U.S. history.

Soldier of Change Simon and Schuster

The actor covers his life after leaving the television series "Star Trek: the Next Generation," describing the pitfalls associated with being a former child star and his decision to launch his weblog in 2001.

After Vorgell the barbarian fucks himself with a unicorn horn, he ends up in a cell with Maddog, a pretty young thief. It's lust at first sight for Vorgell-but honestly, he can't help it. Unicorn horn is a potent aphrodisiac, and now he can't stop thinking about sex. Luckily, Madd is one male witch who knows how to put Vorgell's new magical body to good use when he tricks Vorgell into a kiss that helps them escape. Vorgell may desire sex in general-and Madd in particular-but Madd has no intention of being screwed by a man twice his size. He has problems of his own, including an enchanted collar that causes him to desire his most hated enemy. He wants that collar off as soon as possible, but that requires stealing a basilisk egg from the castle they just escaped. Drawn together by lust and magic, the two men join forces and soon find themselves up to their necks in witches, wizards, and trouble. Vorgell and Madd might just be perfect for each other, but first they have to survive long enough to find out.

Archie Crossover Collection First Second

A "compelling and thought-provoking" (Kristin Hannah) novel about two mothers and one daughter who are linked by tragedy and bound by secrets, from the acclaimed author of Heart Like Mine. The screech of tires brought Hannah Scott's world as she knew it to a devastating end. A year after she signed the papers to donate her daughter's organs, Hannah is still reeling with grief when she unexpectedly stumbles into the life of the Bell family, whose fifteen-year-old daughter, Maddie, survived only because Hannah's daughter had died. Mesmerized by this fragile connection to her own daughter and afraid to reveal who she actually is, Hannah develops a surprising friendship with Maddie's

mother, Olivia. The Bells, however, have problems of their own. Once on the verge of leaving her wealthy but abusive husband, Olivia now finds herself bound to him in the wake of the transplant that saved their daughter's life. Meanwhile, Maddie, tired of the limits her poor health puts upon her and fearful of her father's increasing rage, regularly escapes into the one place where she can be anyone she wants: the Internet. But when she is finally healthy enough to return to school, the real world proves to be just as complicated as the isolated bubble she had been so eager to escape. A masterful narrative shaped by nuanced characters whose delicate bonds are on a collision course with the truth, Safe with Me is a riveting triumph.

Star Trek V Little, Brown

New York Times Bestseller Leonard Nimoy and William Shatner first crossed paths as actors on the set of The Man from U.N.C.L.E. Little did they know that their next roles as Spock and Captain Kirk, in a new science fiction television series, would shape their lives in ways no one could have anticipated. In seventy-nine television episodes of Star Trek and six feature films, they grew to know each other more than most friends could ever imagine. Over the course of half a century, Shatner and Nimoy saw each other through personal and professional highs and lows. In this powerfully emotional book, Shatner tells the story of a man who was his friend for five decades, recounting anecdotes and untold stories of their lives on and off set, as well as gathering stories from others who knew Nimoy well, to present a full picture of a rich life. As much a biography of Nimoy as a story of their friendship, Leonard is a uniquely heartfelt book written by one legendary actor in celebration of another.

Death Count CreateSpace

In the forty-year history of Star Trek®, none of the television show's actors are more beloved than DeForest Kelley. His portrayal of Leonard "Bones" McCoy, the southern physician aboard the Starship Enterprise™, brought an unaffected humanity to the groundbreaking space frontier series. Jackson DeForest Kelley came of age in Depression-era Georgia. He was raised on the sawdust trail, a preacher's kid steeped in his father's literal faith and judgment. But De's natural artistic gifts called him to a different way, and a visit to California at seventeen showed a bright new world. Theater and radio defined his early career -- but it was a

World War II training film he made while serving in the Army Air Corps that led to his first Paramount Studios contract. After years of struggle, his lean, weathered look became well known in notable westerns and television programs such as *You Are There* and *Bonanza*. But his work on several pilots for writer-producer Gene Roddenberry changed his destiny and the course of cultural history. This thoroughly researched actor's life is about hard work and luck, loyalty and love. It is a journey that takes us all...from sawdust to stardust.

#### The Real Mother Goose Top Shelf Productions

When "Don't Ask, Don't Tell," the official U.S. policy on gays serving in the military, was repealed in September 2011, soldier Stephen Snyder-Hill (then Captain Hill) was serving in Iraq. Having endured years of this policy, which passively encouraged a culture of fear and secrecy for gay soldiers, Snyder-Hill submitted a video to a Republican primary debate held two days after the repeal. In the video he asked for the Republicans' thoughts regarding the repeal and their plans, if any, to extend spousal benefits to legally married gay and lesbian soldiers. His video was booed by the audience on national television. *Soldier of Change* captures not only the media frenzy that followed that moment, placing Snyder-Hill at the forefront of this modern civil rights movement, but also his twenty-year journey as a gay man in the army: from self-loathing to self-acceptance to the most important battle of his life—protecting the disenfranchised. Since that time, Snyder-Hill has traveled the country with his husband, giving interviews on major news networks and speaking at universities, community centers, and pride parades, a champion of LGBT equality.

#### The Dictionary of Obscure Sorrows Simon and Schuster

The planets Earth and Vulcan experience a mysterious first contact in this fascinating *Star Trek* novel featuring the crew of the U.S.S. *Enterprise*. Years before the formal first contact between Earth and another planet's inhabitants, a Vulcan space vessel crash landed in the South Pacific, forcing humanity to decide whether to offer the hand of friendship, or the fist of war. Complicating matters is a second visitation: a group of people from two hundred years in the future, who serve on a starship

called *Enterprise*. Discover the astonishing truth about this heretofore unknown first contact and the nightmares that plague Admiral James T. Kirk. Dreams of his dead comrades, of his earliest days aboard the U.S.S. *Enterprise*, and of a forgotten past in which he somehow changed the course of history and destroyed the Federation before it began.

#### Born with Teeth Academic Press

A New York Times Best Mystery Novel of 2021 Set in 1944 Chicago, Edgar Award-winner Naomi Hirahara's eye-opening and poignant new mystery, the story of a young woman searching for the truth about her revered older sister's death, brings to focus the struggles of one Japanese American family released from mass incarceration at Manzanar during World War II. Chicago, 1944: Twenty-year-old Aki Ito and her parents have just been released from Manzanar, where they have been detained by the US government since the aftermath of Pearl Harbor, together with thousands of other Japanese Americans. The life in California the Itos were forced to leave behind is gone; instead, they are being resettled two thousand miles away in Chicago, where Aki's older sister, Rose, was sent months earlier and moved to the new Japanese American neighborhood near Clark and Division streets. But on the eve of the Ito family's reunion, Rose is killed by a subway train. Aki, who worshipped her sister, is stunned. Officials are ruling Rose's death a suicide. Aki cannot believe her perfect, polished, and optimistic sister would end her life. Her instinct tells her there is much more to the story, and she knows she is the only person who could ever learn the truth. Inspired by historical events, Clark and Division infuses an atmospheric and heartbreakingly real crime with rich period details and delicately wrought personal stories Naomi Hirahara has gleaned from thirty years of research and archival work in Japanese American history.

#### Thick As Thieves Simon and Schuster

Best known as Mr. Sulu, helmsman of the Starship *Enterprise*™ and captain of the Starship *Excelsior*,

George Takei is beloved by millions as part of the command team that has taken audiences to new vistas of adventure in *Star Trek*®—the unprecedented television and feature film phenomenon. From the program's birth in the changing world of the 1960s and death at the hands of the network to its rebirth in the hearts and minds of loyal fans, the *Star Trek* story has blazed its own path into our recent cultural history, leading to a series of blockbuster feature films and three new versions of *Star Trek* for television. The *Star Trek* story is one of boundless hope and crushing disappointment, wrenching rivalries and incredible achievements. It is also the story of how, after nearly thirty years, the cast of characters from a unique but poorly rated television show have come to be known to millions of Americans and people around the world as family. For George Takei, the *Star Trek* adventure is intertwined with his personal odyssey through adversity in which four-year-old George and his family were forced by the United States government into internment camps during World War II. *Star Trek* means much more to George Takei than an extraordinary career that has spanned thirty years. For an American whose ideals faced such a severe test, *Star Trek* represents a shining embodiment of the American Dream—the promise of an optimistic future in which people from all over the world contribute to a common destiny.
