The debut cookbook from the Saveur blog award-winning Internet expert on making eating cheap dependably delicious As a college grad during the recent great recession, Beth Moncel found herself, like so many others, broke. Unwilling to sacrifice eating healthy and well—and armed with a degree in nutritional science—Beth began tracking her costs with obsessive precision, and soon cut her grocery bill in half. Eager to share her tips and recipes, she launched her blog, Budget Bytes. Soon the blog received millions of readers clamoring for more. Beth's eagerly awaited cookbook proves cutting back on cost does not mean cutting back on taste. Budget Bytes has more than 100 simple, healthy, and delicious recipes, including Greek Steak Tacos, Coconut Chicken Curry, Chorizo Sweet Potato Enchilada, and Teriyaki Salmon with Sriracha Mayonnaise, to name a few. It also contains expert principles for saving in the kitchen—including how to combine inexpensive ingredients with expensive to ensure that you can still have that steak you're craving, and information to help anyone get acquainted with his or her kitchen and get maximum use out of the freezer. Whether you're urban or rural, vegan or paleo, Budget Bytes is guaranteed to delight both the palate and the pocketbook.

These fabulous, whimsical paintings, created for his own pleasure and never shown to the public, show Geisel (a.k.a. Dr. Seuss) in a whole new light. Depicting outlandish creatures in otherworldly settings, the paintings use a dazzling rainbow of hues not seen in the primary-color palette of his books for children, and exhibit a sophisticated and often quite unrestrained side of the artist. 65 color illustrations.

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply

don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

An Instant New York Times Bestseller! In their first collaboration since the Newbery Medal- and Caldecott Honor-winning *Last Stop on Market Street*, Matt de la Peña and Christian Robinson deliver a poignant and timely new picture book that's sure to be an instant classic. When Carmela wakes up on her birthday, her wish has already come true--she's finally old enough to join her big brother as he does the family errands. Together, they travel through their neighborhood, past the crowded bus stop, the fenced-off repair shop, and the panadería, until they arrive at the Laundromat, where Carmela finds a lone dandelion growing in the pavement. But before she can blow its white fluff away, her brother tells her she has to make a wish. If only she can think of just the right wish to make . . . With lyrical, stirring text and stunning, evocative artwork, Matt de la Peña and Christian Robinson have crafted a moving ode to family, to dreamers, and to finding hope in the most unexpected places.

Hearts are like balloons. Sometimes they inflate... Sometimes they deflate.. May Falkner's past two years have been a craptastic road. When her father suddenly passes away, May needs to find a job to help out her mom and possibly find some laughter along the way. Working at the bookstore helps with that problem. It also leads her to cross paths with Nico Evitts, who begins as just a co-worker, but becomes so much more. When life finally seems like it's almost normal again, reality steps in and pitches another curveball May's way, causing things to crack a bit. What May has to learn is, eventually, you just have to rip the bandage off. Perfect for fans of Jenn Bennett, friends to lovers, and second chance romance. **Contains mature themes, yet quirky and cute. KEYWORDS: second

Dr. Seuss tackles troubles—bullies, terrain, weather—in the rhyming classic *I Had Trouble in Getting to Solla Sollew*. When our hero stubs his toe, he decides to find a less troublesome place to live. Soon he's off on a journey “to the City of Solla Sollew, on the banks of the beautiful River Wah-Hoo, where they never have troubles! At least, very few.” However, between his encounters with the Midwinter Jicker and the Perilous Poozer of Pompelmoose Pass, he soon finds out that confronting his problems might actually be easier than running away from them. This Read & Listen edition contains audio narration.

In the first picture book written by a DACA Dreamer, Areli Morales tells her own powerful and vibrant immigration story. When Areli was just a baby, her mama and papa moved from Mexico to New York with her brother, Alex, to make a better life for the family--and when she was in kindergarten, they sent for her, too. Everything in New York was different. Gone were the Saturdays at Abuela's house, filled with cousins and sunshine. Instead, things were busy and fast and noisy. Areli's limited English came out wrong, and schoolmates accused her of being illegal. But with time, America became her home. And she saw it as a land of opportunity, where millions of immigrants who came before her paved their own paths. She knew she would, too. This is a moving story--one that resonates with millions of immigrants who make up the fabric of our country--about one girl living in two worlds, a girl whose DACA application was eventually approved and who is now living her American dream. The Deferred Action for Childhood Arrivals (DACA) is an immigration policy that has provided relief to thousands of undocumented children, referred to as “Dreamers,” who came to the United States as children and call this country home.

Dr. Seuss, children and adults alike have been captivated by the charming and laconic tales of whimsical characters and imaginative worlds. But Dr. Seuss' stories are more than just catchy poems; they often wrestle with serious philosophical and moral dilemmas, whether it is Horton discovering the very essence of life or the Lorax teaching us about morality. Dr. Seuss and Philosophy explores philosophical concepts such as the nature of the good life in *Oh the Places You'll Go*, the method and value of thinking critically in *Oh the Things You Can Think*, and morality and ethics in *How the Grinch Stole Christmas*, among many others. Anyone who loves Dr. Seuss or is interested in philosophy will find this book to be intriguing and enlightening.

Izumikawa comes Naptime with *Joey*, a ridiculously delightful photo book of her now internet-famous daughter dressed up in various pop culture costumes—a perfect gift for new parents everywhere. Lights, Camera...Nap! Joey Marie wears many hats (or, rather, wigs): she's dressed up as Inigo Montoya, Britney Spears, Beyoncé, Pikachu, Anna Wintour, Moana, and Barb from *Stranger Things*. She's taken trips to Hawaii, baked croissants, and blasted off to the moon as an astronaut (at least, in her dreams). She's held occupations such as pizza chef, aerobics instructor, and handy-dandy-fixer-upper (figuratively, of course). She's inspired a parenting blog, been the face of her mom Laura Izumikawa's Instagram account—and for the first time, she's taken the leap from the ranks of internet-baby-snoredom to the pages of a book. *Naptime with Joey* is chockablock full of over a hundred deliciously adorable photos of Joey dressed up as various pop culture characters, movie stars, musicians, vacationers, and holiday-goers, making this the most fun, festive, and downright delightful gift under the sun!
