The kingdom of France, a byword for upheaval and instability for a century before 1660, was transformed over the subsequent generation into the greatest power in Europe and an institutional model admired and imitated almost everywhere. A further century elapsed befoer this hegemony was challenged, and even then the collapse of monarchy in 1788 took most people by surprise. This book, bringing together an authoritative international panel of historians, portrays and analyses the life of France between two revolutions, a time later known as the old regime. All aspects of French life are covered: the economy, social development, religion and culture, French activity overseas, and not least politics and public life, where our understanding has been completely renewed over recent years. A detailed chronology and full bibliography complete this compelling analysis of an age behind whose calm and assured facade forces were developing which were to shape a very

different country and continent.
Wine & Spirit International Univ of California Press
A Companion to Contemporary French Cinema presents a comprehensive collection of original essays addressing all aspects of French cinema from 1990 to the present day. Features original contributions from top film scholars relating to all aspects of contemporary French cinema Includes new research on matters relating to the political economy of contemporary French cinema, developments in cinema policy, audience attendance, and the types, building, and renovation of theaters Utilizes groundbreaking research on cinema beyond the fiction film and the cinema-theater such as documentary, amateur, and digital filmmaking Contains an unusually large range of methodological approaches and perspectives, including those of genre, gender, auteur, industry, economic, star, postcolonial and psychoanalytic studies Includes essays by important French cinema scholars from France, the U.S., and New Zealand, many of whose work is here presented in English for the first time

Science on Stage in Early Modern Spain features essays by leading scholars in the fields of literary studies and the history of science, exploring the relationship between technical innovations and theatrical events that incorporated scientific content into dramatic productions. Focusing on Spanish dramas between 1500 and 1700, through the birth and development of its playhouses and coliseums and the phenomenal success of its major writers, this collection addresses a unique phenomenon through the most popular, versatile, and generous medium of the time. The contributors tackle subjects and disciplines as diverse as alchemy, optics, astronomy, acoustics, geometry, mechanics, and mathematics to reveal how theatre could be used to deploy scientific knowledge. While Science on Stage contributes to cultural and performance studies it also engages with issues of censorship, the effect of the Spanish Inquisition on the circulation of ideas, and the influence of the Eastern traditions in Spain.
Homer the Preclassic The Christological Witness Function of the Old Testament Characters in the Gospel of John
Also known as Au Bonheur des Dames; The Ladies' Delight or The Ladies' Paradise; is the eleventh novel in the Rougon-Macquart series by É mile Zola. The novel is set in the world of the department store, an innovative development in mid-nineteenth century retail sales. Zola models his store after Le Bon March é , which consolidated under one roof many of the goods hitherto sold in separate shops. In Au Bonheur des Dames, the store is a symbol of capitalism, the modern city and the bourgeois family. It is emblematic of changes in consumer culture, sexual attitudes and class relations taking place at the end of the century. The novel tells the story of Denise Baudu, a 20-year-old woman from Valognes who comes to Paris with her brothers and begins working at the department store Au Bonheur des Dames as a saleswoman. Zola describes the inner workings of the store from the employees' perspective, including the 13-hour workdays, the substandard food and the bare lodgings (for the female staff). Many of the conflicts in

the novel spring from the struggles for advancement and the malicious infighting and gossip among the staff. *Au Bonheur des Dames* is a sequel to "Pot-Bouille". Like its predecessor, *Au Bonheur des Dames* focuses on Octave Mouret (b. 1840), who at the end of the previous novel married Caroline H é douin, the owner of a small silk shop. Now a widower, Octave has expanded the business into an international retail powerhouse occupying (at the beginning of the book) most of an entire city block. *Au Bonheur des Dames* has been made into a number of films, television series and plays. É mile Zola (1840 – 1902), French novelist, critic, and political activist who was the most prominent French novelist of the late 19th century. He was noted for his theories of naturalism, which underlie his monumental 20-novel series *Les Rougon-Macquart*, and for his intervention in the Dreyfus Affair through his famous open letter, "J'accuse."

The Complete Car Cost Guide, 2001 Cambridge Scholars Publishing

Drawing largely on the etymological meaning of the word 'confusion' as the action of mixing or blending, John C. O'Neal traces the development of a progressive poetics of confusion in the French Enlightenment. This project, he claims, aimed to reject dogmatic thinking in all of its forms and to recognize the need to embrace complexity. Eighteenth-century thinkers used the notion of confusion in a progressive way to reorganize social classes, literary forms, metaphysical substances, scientific methods, and cultural categories such as taste and gender.

The Columbia Guide to the Latin American Novel Since 1945 Columbia University Press

She likes tea, sews, draws on papers and is a self-taught master of tying and untying knots. But she is not a crafty woman of the DIY set: she is Wattana, an orangutan who lives in the Jardin des Plantes Zoo in Paris. And it is in Paris where Chris Herzfeld first encounters and becomes impressed by Wattana and her exceptional abilities with knots. In *Wattana: An Orangutan in Paris* Herzfeld tells not only Wattana ’ s fascinating story, but also the story of orangutans and other primates—including bonobos, chimpanzees, and gorillas—in captivity. Offering a uniquely intimate look at the daily lives of captive great apes, Herzfeld uses Wattana ’ s life to trace the history of orangutans from their first arrival in Europe in 1776 to the inhabitants of the Zoo of Paris and other zoos today. She provides a close look at the habits, technical know-how, and skills of Wattana, who, remarkably, uses strings, paper rolls, rope, and even pieces of wood to make things. And she thoughtfully explores how apes individually—and often with ingenuity—come to terms with and adapt to their captive

environments and caretakers. Through these stories, Wattana sympathetically reveals the extraordinary psychology and distinctive personalities of great apes as well as the interconnections between animal and human lives, especially in zoos. Scientists predict that orangutans will disappear from the wild by 2030, and captive animals like Wattana may, as a result, provide our best chance to understand and appreciate their astonishing intelligence and abilities. Wattana, the accomplished maker of knots, is the hero of this poignant book, which will enthrall anyone curious about the lives of our primate cousins.

"Tin's Dictionary of Homophobia is so sweeping in its scope that one can dip into it again and again and learn something, or confront an idea in which even the most well-read queer will find fresh intellectual nourishment and historical illumination."—Gay City News Based on the work of seventy researchers in fifteen countries, *The Dictionary of Homophobia* is a mammoth, encyclopedic book that documents the history of homosexuality, and various cultural responses to it, in all regions of the world: a masterful, engaged, and wholly relevant study that traces the political and social emancipation of a culture. The book is the first English translation of *Dictionnaire de L ’ Homophobie*, published in France in 2003 to worldwide acclaim; its editor, Louis-Georges Tin, launched the first International Day Against Homophobia in 2005, now celebrated in more than fifty countries around the world. *The Dictionary of Homophobia* includes over 175 essays on various aspects of gay rights and homophobia as experienced in all regions in Africa, the Americas, Asia, Europe, and the South Pacific, from the earliest epochs to present day. Subjects include religious and ideological forces such as the Bible, Communism, Judaism, Hinduism, and Islam; historical subjects, events, and personalities such as AIDS, Stonewall, J. Edgar Hoover, Matthew Shepard, Oscar Wilde, Pat Buchanan, Joseph McCarthy, Pope John Paul II, and Anita Bryant; and other topics such as coming out, adoption, deportation, ex-gays, lesbiphobia, and bi-phobia. In a world where gay marriage remains a hot-button political issue, and where adults and even teens are still being executed by authorities for the “ crime ” of homosexuality, *The Dictionary of Homophobia* is a both a revealing and necessary history lesson for us all.

Wattana John Wiley & Sons

This book investigates the narrative function of the Old Testament characters in the Gospel of John. The intriguing thesis is that the Hebrew characters in John's narrative uniformly function as a witness for the messianic identity of Jesus. The Jewish scriptural traditions (Hebrew and intertestamental ones) are compared to shed light on John's indebtedness for its formation of his Christology. A compelling argument ensues that informs our understanding, not only of the Gospel itself, but also of Jesus Christ revealed in the Gospel.

Science on Stage in Early Modern Spain Pelican Publishing

The *New Old World* looks at the history of the European Union, the core continental countries within it, and the issue of its further expansion into Asia. It opens with a consideration of the origins and outcomes of European integration since the Second World War, and how today ’ s EU has been theorized across a range of contemporary disciplines. It then moves to more detailed accounts of political and cultural developments in the three principal states of the original Common Market—France, Germany and Italy. A third section explores the interrelated histories of Cyprus and Turkey that pose a leading geopolitical challenge to the Community. The book ends by tracing ideas of European unity from the Enlightenment to the present, and their bearing on the future of the Union. *The New Old World* offers a critical portrait of a continent now increasingly hailed as a moral and political example to the world at large.

Einstein, Bergson, and the Debate That Changed Our Understanding of Time Edward C Armstong Monographs on

In 1409 Laurent de Premierfait produced a French translation of Boccaccio's *De casibus virorum illustrium*. Richly illustrated copies of the translation, known as *Des cas des nobles hommes et femmes*, became enormously popular, allowing for a consideration not only of how Boccaccio's Latin made its way into Laurent's French but also how the text was converted into visual images. In *Translating the Past*, art historian Anne D. Hedeman traces the history of Laurent's work from the first copies made for the dukes of Berry and Burgundy, to manuscripts independently produced by artists and booksellers in Paris.

The Ladies' Delight Intellichoice

This study is an intellectual and cultural history of the French nobility in the seventeenth and eighteenth centuries. It examines attitudes toward sexuality and gender and analyzes the origins of the stereotype of the French libertine.

Philologies Old and New Berghahn Books

This book takes a fresh look at the brutal story of the war between the sons of Israel and the sons of Benjamin in Judges 19-21. Relying on archaeological and survey data largely overlooked by biblical scholars, Krisel engages critically with the predominant scholarly view that Judges 19-21 uses “ irony ” to cast the explicit heroes in the narrative, the sons of Israel, as the implicit villains.
