It ' s her choice to play his game. If she says yes, there will be more on the line than just her pleasure. Zoey Parker has a three-step plan for revenge. First, gain entrance to the ultra-exclusive, upscale sex club, Phoenix. Second, act out her wildest fantasy in front of powerful old rivals, proving that they didn ' t break her. Third, disappear and never return. The only kink in her

plan? Rhys Harrington, the owner of Phoenix and the one man she needs to stay away from... Rhys ' high-end clients pay extravagant amounts to watch his stars indulge their desires. Rhys ' only rule? Watch, don ' t touch. But one look at Zoey and Rhys decides to participate in the show himself. And when an undeniable passion ignites between them, Rhys knows he wants more. Except Zoey is determined to run... and he is determined to find out why. When Rhys discovers Zoey ' s secret, he shocks her by offering his protection... and a no-strings-attached relationship. But Zoey knows there will be more on the line than just her pleasure. Because Rhys ' sizzling touch doesn ' t only capture her body, it also commands her heart. **We Are Anonymous** Simon and Schuster Love is magical. Love is amazing. But every once in a while love stinks! We've all been there. Heartbreak spawning crafty ideas of revenge. The "It's not you, it's me," syndrome.

Well, this book celebrates all those love-bumps along the great highway of life. Fourteen YA authors have come together to reveal the truth about the dark side of love that few people talk about. But with a lot of humor and a bit of mystery, you might not mind too much that LOVE STINKS! LOVE STINKS! is the second anthology from tween/teen publisher Ambush Books. Featuring stories by Vivi Barnes (Olivia Twisted), Marni Bates (Awkward), Eldritch Black (Book of Kindly Deaths), Karice Bolton (the Witch Avenue and Watchers series), Naomi Canale, Cecily Chase (aka Cecily White...Prophecy Girl), Rachel Clarke, Shanyn Day, Tara Gonzalez, Laurie McLean, Doug Rees (Vampire High), Lynda K. Scott (Great Escapes B&B), Linda Wisdom (A Demon Does It Better) and Carol Wolf, (Summoning), LOVE STINKS! will take you on a roller coaster of red hot goodness that will make you laugh, cry and everything in between. Ambush Books is the brainchild of award-winning children's book author Douglas Rees, his literary agent Laurie McLean, and social media ninja and agent Pam van Hylckama Vlieg. Often their luncheon conversations would involve tales of fabulous classic children's books that were no longer available for purchase. What a shame! So Ambush Books represents their quest to bring those abandoned treasures out of the dark caves where they've been hidden away by publishers in order to share them with the tweens and teens of today. Ambush will also publish books in series that never saw the light of day as well as anthologies introducing new voices to middle grade and YA audiences.

Emancipated HarperCollins
A thrilling, exclusive expose of the hacker

collectives Anonymous and LulzSec. WE ARE ANONYMOUS is the first full account of how a loosely assembled group of hackers scattered across the globe formed a new kind of insurgency, seized headlines, and tortured the feds-and the ultimate betrayal that would eventually bring them down. Parmy Olson goes behind the headlines and into the world of Anonymous and LulzSec with unprecedented access, drawing upon hundreds of conversations with the hackers themselves, including exclusive interviews with all six core members of LulzSec. In late 2010, thousands of hacktivists joined a mass digital assault on the websites of VISA, MasterCard, and PayPal to protest their treatment of WikiLeaks. Other targets were wide ranging-the websites of corporations from Sony Entertainment and Fox to the Vatican and the Church of Scientology were hacked, defaced, and embarrassed-and the message was that no one was safe.

Thousands of user accounts from pornography websites were released, exposing government employees and military personnel. Although some attacks were perpetrated by masses of users who were rallied on the message boards of 4Chan, many others were masterminded by a small, tight-knit group of hackers who formed a splinter group of Anonymous called LulzSec. The legend of Anonymous and LulzSec grew in the wake of each ambitious hack. But how were they penetrating intricate corporate security systems? Were they anarchists or activists? Teams or lone wolves? A cabal of skilled hackers or a disorganized bunch of kids? WE ARE ANONYMOUS delves deep into the internet's underbelly to tell the incredible full story of the global cyber insurgency movement, and its implications for the future of computer security.

Six were taken. Eleven years later, five come back--with no idea of where they've been. A riveting mystery for fans of *We Were Liars*.

Eleven years ago, six kindergartners went missing without a trace. After all that time, the people left behind moved on, or tried to. Until today. Today five of those kids return. They're sixteen, and they are . . . fine. Scarlett comes home and finds a mom she barely recognizes, and doesn't really recognize the person she's supposed to be, either. But she thinks she remembers Lucas. Lucas remembers Scarlett, too, except they're entirely unable to recall where they've been or what happened to them. Neither of them remember the sixth victim, Max--the only one who hasn't come back. Which leaves Max's sister, Avery, wanting answers. She wants to find her brother--dead or alive--and isn't buying this whole memory-loss story. But as details of the disappearance begin to unfold, no one is prepared for the truth. This unforgettable novel--with its rich characters, high stakes, and plot twists--will leave readers breathless.

Pour Judgment Entangled: Teen

In this terrifying and provocative novel by the bestselling and award-winning author of *Deadline* and *Staying Fat for Sarah Byrnes*, a teenage boy tries to uncover what happened to a girl who has vanished from his high school. Was she abducted, or did she run for her life? Paul "The Bomb" Baum tells the truth. No matter what. It was something he learned at Sunday school. But telling the truth can cause problems, and not just minor ones. And as Paulie discovers, finding the truth can be even more problematic. Period 8 is supposed to be that one period in high school where the truth can shine, a safe haven. Only what Paulie and Hannah (his ex-girlfriend, unfortunately) and his other classmates don't know is that the ultimate liar is in their midst. Terrifying, thought-provoking, and original, this novel combines all the qualities of a great psychological thriller with the controversy,

ethics, athletics, humor, and raw emotion of a classic Crutcher story.

Before I Die Harper Collins

"*Last Day on Mars* is thrillingly ambitious and imaginative. Like a lovechild of *Gravity* and *The Martian*, it's a rousing space opera for any age, meticulously researched and relentlessly paced, that balances action, science, humor, and most importantly, two compelling main characters in Liam and Phoebe. A fantastic start to an epic new series." —Soman Chainani, *New York Times* bestselling author of the *School for Good and Evil* series
"Emerson's writing explodes off the page in this irresistible space adventure, filled with startling plot

twists, diabolical aliens, and (my favorite!) courageous young heroes faced with an impossible task.” —Lisa McMann, New York Times bestselling author of the Unwanteds series It is Earth year 2213—but, of course, there is no Earth anymore. Not since it was burned to a cinder by the sun, which has mysteriously begun the process of going supernova. The human race has fled to Mars, but this was only a temporary solution while we have prepared for a second trip: a one-hundred-fifty-year journey to a distant star, our best guess at where we might find a new home. Liam Saunders-Chang is one of the last humans left on Mars. The son of two scientists who have been racing against

time to create technology vital to humanity’s survival, Liam, along with his friend Phoebe, will be on the last starliner to depart before Mars, like Earth before it, is destroyed. Or so he thinks. Because before this day is over, Liam and Phoebe will make a series of profound discoveries about the nature of time and space and find out that the human race is just one of many in our universe locked in a dangerous struggle for survival.

Where You'll Find Me Independently Published
This taut, true thriller dives into a dark world that touches us all, as seen through the brilliant, breakneck career of an extraordinary hacker—a woman known only as Alien. When she arrived at MIT in the 1990s, Alien was quickly drawn to the school’s tradition of high-

risk physical trespassing: the original “hacking.” Within a year, one of her hallmates was dead and two others were arraigned. Alien’s adventures were only just beginning. After a stint at the storied, secretive Los Alamos National Laboratory, Alien was recruited by a top cybersecurity firm where she deployed her cache of virtual weapons—and the trespassing and social engineering talents she had developed while “hacking” at MIT. The company tested its clients’ security by every means possible—not just coding, but donning disguises and sneaking past guards and secretaries into the C-suite. Alien now runs a boutique hacking outfit that caters to some of the world’s biggest and most vulnerable institutions—banks, retailers, government agencies. Her work combines devilish charm, old-school deception, and next generation spycraft. In *Breaking and Entering*, cybersecurity finally gets the rich, character-

driven, fast-paced treatment it deserves. *The Best Possible Answer* Entangled Teen Humanity needed a hero. It got a karaoke DJ. Leo MacGavin is not the brightest specimen of humanity. But when he inadvertently rescues a flirty alien heiress, he’s promoted from second-rate lounge entertainer to captain of the galaxy’s most sophisticated cruise ship. Before he can flee in terror, a human-hating executive gives Leo an ultimatum--complete the vessel’s maiden voyage or mankind’s last colony will be turned into a sewage dump. To make matters worse, a militant cyborg is undermining his authority, a giant spider is terrifying the passengers, and a sentient plant keeps stealing all the beer. If Leo ever wants to see his home again, he’ll have to keep the guests happy through

seven days of onboard antics and madcap shore excursions. As strange malfunctions tear the ship apart, can he hold his rag-tag crew together, or will he flush the last bastion of humanity down the crapper? Galaxy Cruise: The Maiden Voyage is a hilarious sci-fi comedy for readers who love The Hitchhiker's Guide to the Galaxy and Space Team. And moviegoers who love Galaxy Quest, Spaceballs, and Guardians of the Galaxy. And TV watchers who love Red Dwarf, Futurama, and The Orville. And people who basically just want to see The Love Boat on a spaceship. Don't get left on the spacedock! Grab your copy of Galaxy Cruise now!
