When Kellie's sister finally meets her birth mother and her best friend starts hanging with a cooler crowd, the feeling only grows stronger. But then she reconnects with Oliver, the sweet college guy she had a near hookup with last year. Oliver is intense and attractive, and she's sure he's totally out of her league. It'll take a new role on the school newspaper and a new job at her mom's tattoo shop for Kellie to realize that defining herself both outside and within her family is what can finally allow her to feel permanent, just like a tattoo.

Love is magical. Love is amazing. But every once in a while love stinks! We've all been there. Heartbreak spawning crafty ideas of revenge. The "It's not you, it's me," syndrome. Well, this book celebrates all those love-bumps along the great highway of life. Fourteen YA authors have come together to reveal the truth about the dark side of love that few people talk about. But with a lot of humor and a bit of mystery, you might not mind too much that LOVE STINKS! LOVE STINKS! is the second anthology from tween/teen publisher Ambush Books. Featuring stories by Vivi Barnes (Olivia Twisted), Marni Bates (Awkward), Eldritch Black (Book of Kindly Deaths), Karice Bolton (the Witch Avenue and Watchers series), Naomi Canale, Cecily Chase (aka Cecily White... Prophecy Girl), Rachel Clarke, Shanyan

Day, Tara Gonzalez, Laurie McLean, Doug Rees (Vampire High), Lynda K. Scott (Great Escapes B&B), Linda Wisdom (A Demon Does It Better) and Carol Wolf, (Summoning), LOVE STINKS! will take you on a roller coaster of red hot goodness that will make you laugh, cry and everything in between. Ambush Books is the brainchild of award-winning children's book author Douglas Rees, his literary agent Laurie McLean, and social media ninja and agent Pam van Hylckama Vlieg. Often their luncheon conversations would involve tales of fabulous classic children's books that were no longer available for purchase. What a shame! So Ambush Books represents their quest to bring those abandoned treasures out of the dark caves where they've been hidden away by publishers in order to share them with the tweens and teens of today. Ambush will also publish books in series that

never saw the light of day as well as anthologies introducing new voices to middle grade and YA audiences.

Words are weapons. Facts can be manipulated. And nothing is absolute—especially right and wrong. Tanner McKay is at Bannerman Prep for one reason: to win. The elite school recruited him after he argued his public school's debate team to victory last year, and now Bannerman wants that championship trophy. Debate is Tanner's life—his ticket out of scrimping and saving and family drama, straight to a scholarship to Stanford and a new, better future. When he's paired with the prep school playboy everyone calls the Duke, Tanner's straightforward plans seem as if they're going off the rails. The Duke is Bannerman royalty, beloved for his laissez-faire attitude, crazy

parties, and the strings he so easily pulls. And a total no-show when it comes to putting in the work to win. As Tanner gets sucked into the Duke's flashy world, the thrill of the high life and the adrenaline of the edge becomes addictive. A small favor here and there seems like nothing in exchange for getting everything he ever dreamed of. But the Duke's castle is built on shady, shaky secrets, and the walls are about to topple. A contemporary retelling of *The Great Gatsby*, Katie A.

Nelson's taut debut is perfect for anyone who's struggled to survive the cutthroat world of competitive high school.
