**Nixon and I** University of Georgia Press  
Story Matters offers students an inspiring and insightful approach to writing short fiction with 21 short stories and in-depth, in-person conversations with their accomplished authors. Each writer describes his or her source of ideas, motivation, and writing strategies, to give a personal perspective on the book's narrative of the elements of short fiction. Throughout the book, writing prompts offer ideas, advice, and jumping-off points for workshop or individual writing exercises. The writers, from Dave Eggers to Jamaica Kincaid, explain and explore the intent, technique, and meaning of their fiction, offering expert insight into the craft of writing stories. Part One: Writing Matters: This series of brief chapters provides an introduction to writing short fiction, from the spark that starts a story to the finishing touches of revision. Writing prompts integrated throughout invite readers to exercise and expand their writing muscles to create the best story possible. Part Two: Stories and Conversations: A showcase for 21 acclaimed writers, this section combines a short story, a conversation with that story's author, and related writing prompts. By reading the stories and listening to the writers talk about the joys and frustrations of the creative process, students will come to understand the challenge and satisfaction of writing well. Appendices include a set of questions a writer may want to ask when approaching a short story; a list of favorites of the authors interviewed in this book; and a bibliography of further resources in creative writing.

**The Compleat Olympus Stylus 1s** Hove Foto Books, Limited

Jane Hamilton, award-winning author of *The Book of Ruth* and *A Map of the World* brings us a rich and loving novel about a non-traditional family in the aftermath of a terrible accident. When Aaron Maciver's beautiful young wife, Madeline, suffers a head injury in a bicycle crash, she is left with the mental capabilities of a six-year-old. In the years that follow, Aaron and his second wife care for Madeline with deep tenderness and devotion as they raise two children of their own. Inspired in part by Elizabeth Spencer's *Light in the Piazza*, Hamilton offers an honest and exquisite portrait of how a family tragedy forever shapes the boundaries of love.

**Leica R8** Kent State University Press  
This book details the Leica R8 and its lenses and accessories, with guidance over handling and using this equipment. This manual will help both owners and prospective owners of an R8. ## **Leica R6 Anchor**

"Excel as a cameraman in today's evolving film industry with this updated classic. Learn what to do -and what NOT to do - during production and get the job done right the first time. This seventh edition covers the basics of cinematography and provides you with the multi-skill set needed to maintain and transport a camera, troubleshoot common problems on location, prepare for job interviews, and work with both film and digital technologies. Illustrations, checklists, and tables accompany each chapter and highlight the daily workflow of an AC. With expanded sections on problems and troubleshooting, updated formulas, tables, and checklists, as well as new information on the differences between working in the US and UK and additional information on working with digital technology. This is a must-have for anyone looking to succeed in this highly technical and ever-changing profession. Featuring a comprehensive companion website that offers plenty of useful resources, including online

tutorials that ACs can easily access while on location and supplementary downloadable forms and checklists"--

## **Vermeer's Daughter** William Andrew

A guide to landscape photography using a DSLR camera covers such topics as light, composition, perspective, lenses, black-and-white images, and HDR.

**Panaflex User's Manual** Ohio University Press

**Novel Ideas** provides a substantial introduction to the elements of fiction followed by in-depth interviews with successful novelists who speak with candor and insight into the complex process by which a novel is made. This edition includes new and updated interviews as well as writing exercises to enhance its use in the writing classroom. Dorothy Allison recalls "deliciously self-indulgent" days of writing in her bathrobe, wrapped in misery and exultation; Peter Cameron explains how he made the move from short fiction to the novel with the aid of a music composer's notebook to track the movement of his characters. Writers as different as Ha Jin, Jill McCorkle, Richard Ford, and Michael Chabon describe their unique approaches to their work while consistently affirming the necessity of committing to the hard effort of it while also remaining open to surprise.

Aspiring novelists will find hands-on strategies for beginning, working through, and revising a novel; accomplished novelists will discover new ways to solve the problems they face in process; and serious readers of contemporary fiction will enjoy a glimpse into the way novels are made. Includes interviews with: Dorothy Allison Larry Brown Peter Cameron Michael Chabon Michael Cunningham Robb Forman Dew Richard Ford Ha Jin Patricia Henley Charles Johnson Wally Lamb Valerie Martin Jill McCorkle Sena Jeter Naslund Lewis Nordan Sheri Reynolds S. J. Rozan Jane Smiley Lee

How to Predict the Weather Wadsworth Publishing Company

The Olympus Stylus 1s, and last year's model, the Olympus Stylus 1, are the only cameras on the market today to combine the following features: \* 14 oz. weight -- including the lens\* 28-300 mm f2.8 constant aperture lens\* Huge, bright EVF eye-level viewfinder\* Touch-sensitive 3" LCD monitor\* Split-second focusing and exposure controlSome might say this combination of features approaches the ideal travel and street-shooting camera. Steve bought the Stylus 1s as a back up for a \$6,000+ interchangeable lens system . A few days later, he left on a cruise that included three ports in Japan, one in Siberia and five in Alaska. He was looking for a very light, relatively inexpensive camera with a fast lens and good telephoto capabilities that he could use if anything went wrong with his more expensive camera. However, after shooting more than 300 photos the first few days in Tokyo, he found myself using the Stylus 1s nearly all of the time. It was lightweight, much more versatile and a pleasure to use. However, he was disappointed with the Olympus Stylus 1s Instruction Manual. He found himself losing valuable vacation time searching

through the manual. It didn't have a detailed table of contents and it usually it didn't suggest WHICH setting should be selected under different circumstances. These issues led to Steve writing this book. You will find yourself having to refer to the manual must less often. More importantly, you will always be told WHY you should select particular settings. These suggestions are based Steve's taking more than 1,600 photos with the Stylus 1s, the best of which are included in this book. In fact, all the photos in the book, with the exception of the cover photos and the photos of the camera, were taken with the Stylus 1s. "Really," Steve says, "this book is all you need to make shooting with the Stylus 1s or Stylus 1 one of the most satisfying photo experiences you have ever had!"

The Threat of Pandemic Influenza Emmis Books  
Laura and Charlie Rider have been married for twelve years. They share their nursery business in rural Wisconsin, their love for their animals, and their zeal for storytelling. Although Charlie's enthusiasm in the bedroom has worn Laura out, although she no longer sleeps with him, they are happy enough going along in their routine. Jenna Faroli is the host of a popular radio show, and in Laura's mind is "the single most famous person in the Town of Dover." When Jenna happens to cross Charlie's path one day, and they begin an e-mail correspondence, Laura cannot resist using Charlie to try out her new writing skills. Together, Laura and Charlie craft florid, strangely intimate messages that entice Jenna in an unexpected way. The "project" quickly spins out of control. The lines between Laura's words and Charlie's feelings are blurred and complicated, Jenna is transformed in ways that deeply disturb her, and Laura is transformed in her mind's eye into an artist. The transformations are hilarious and poignant, and for Laura Rider, beyond her wildest expectations.

The Ticking Is the Bomb: A Memoir New Holland Australia(AU)

Thoroughly revised, brought up to date, and completely reset with some 60% more pages. The layout has been redesigned to make this edition much easier to use as a work of reference. What Has Not Yet Left National Academies Press

The Canon EOS Rebel T7/2000D is an entry-level camera in the Rebel line of cameras, which has a lot of appeals but also presents some challenges to new users. The camera is ideal for someone looking to dip their toes into the world of photography or someone who wants to do

some hobby photography and needs a camera to take photos of their pets. Or, for anyone who's looking to learn more about the world of photography or to take their skills to the next level. What does this camera look like? The answer, according to Canon, is that the new EOS Rebel T7/2000D is "an excellent family companion for young photographers starting" - the digital camera company has released a digital camera specifically designed for youngsters, suitable for shooting close-up, full-size human subjects, as well as high-definition video, and for studio and event work. The Canon EOS Rebel T7/2000D has a 45-point autofocus system with 77 percent coverage; a 7-point cross-type AF system with 27 percent coverage; a 1.3-megapixel fixed-focus HD image sensor; and 3x optical zoom with digital zoom up to an extra 2x. It can shoot raw format images, and has "a high-speed continuous shooting mode." The camera offers simple control, natural-looking results, and the choice of advanced features for younger photographers and all photography enthusiasts."

Minolta Maxxum-Dynax 5xi Southeast

Missouri State University Press

Walter McCloud is a boy with dreams unlike most. Introduced as a child to the genius of Balanchine and the lyricism of Tchaikovsky, Walter has always aspired to be a dancer. As he grows older, it becomes clear that despite his desire, he lacks the talent, and he faces the painful knowledge that his more gifted friends have already surpassed him. Soon,

---

however, that pain is overshadowed when his older brother, Daniel, finds a strange lump on his neck and Walter realizes that a happy family can change overnight. The year that follows transforms the McClouds, as they try to hold together in the face of the fearful consequences of Daniel's illness, and Walter makes discoveries about himself and his friendships that will change him forever. Decades later, after Walter has left home and returned, he must come to terms with the memories of that year, and grapple once and for all with the challenge of carving out a place for himself in this all-too-familiar world. A moving story of the torments of sexuality and the redemptive power of family and friendship, *The Short History of a Prince* confirms Jane Hamilton's place as a preeminent novelist of our time.

Minolta 8000I W. W. Norton & Company

In *Dragging Wyatt Earp* essayist Robert Rebein explores what it means to grow up in, leave, and ultimately return to the iconic Western town of Dodge City, Kansas. In chapters ranging from memoir to reportage to revisionist history, Rebein contrasts his hometown 's Old West heritage with a New West reality that includes salvage yards, beefpacking plants, and bored teenagers cruising up and down Wyatt Earp Boulevard. Along the way, Rebein covers a vast expanse of place and time and revisits a number of Western myths, including those surrounding Francisco Vasquez de Coronado, the Cheyenne chief Black Kettle, George Armstrong Custer, and of course Wyatt Earp himself. Rebein rides a bronc in a rodeo, spends a day as a pen rider at a local feedlot, and attempts to " buck the tiger " at Dodge City 's new Boot Hill Casino and Resort. Funny and incisive, *Dragging Wyatt Earp* is an exciting new entry in what is sometimes called the nonfiction of place. It is a must- read for anyone interested in Western history, contemporary memoir, or the collision of Old and New West on the High Plains of Kansas.

Laura Rider's Masterpiece Steyning Photo Books LLP

*Shadow Ball* gathers together in one collection the best of Charles Harper Webb 's prize-winning books, as well as a selection of his newest poems.
