OLYMPUS VN-8000PC INSTRUCTIONS MANUAL Pdf Download ...
I just ordered this Olympus VN-8100PC digital voice recorder a few days ago and so far it has worked pretty good. I had an older digital voice recorder, but it didn't have a USB port, so I couldn't transfer files to my PC which is what I wanted, so I bought this. I've made several recordings and transferred them to my PC and they sound good, all you do is plug it into a USB port on your computer and then you can access this device just like a USB thumb drive.
