Revelation Entangled: Teen

A bestselling author's groundbreaking eating plan that challenges the notion that starch is unhealthy From Atkins to Dukan, the fear-

mongering about carbs over the past few decades has reached a fever pitch; the mere mention of a starch-heavy food is enough to trigger a cavalcade of shame and longing. In *The Starch Solution*, bestselling diet doctor and board-certified internist John A. McDougall, MD, and his kitchen-savvy wife, Mary, turn the notion that starch is bad for you on its head. *The Starch Solution* is based on a simple swap: fueling your body primarily with carbohydrates rather than proteins and fats. This will help you lose weight and prevent a variety of ills. Fad diets come and go, but Dr. McDougall has been a proponent of the plant-based diet for decades, and his medical credibility is unassailable. He is one of the mainstay experts cited in the bestselling and now seminal *China Study*—called the "Grand Prix of epidemiology" by the *New York Times*. But what *The China Study* lacks is a plan. Dr. McDougall grounds *The Starch Solution* in rigorous scientific fact and research, giving readers easy tools to implement these changes into their lifestyle with a 7-Day Quick Start Plan and 100 delicious recipes. This book includes testimonials from among the hundreds Dr. McDougall has received, including people who have lost more than 125 pounds in mere months as well as patients who have conquered lifethreatening illnesses such as diabetes and cardiac ailments.

The Book of Revelation is a work of profound theology. But its literary form makes it impenetrable to many modern readers and open to all kinds of misinterpretations. Richard Bauckham explains how the book's imagery conveyed meaning in its original context and how the book's theology is inseparable from its literary structure and composition. Revelation is seen to offer not an esoteric and encoded forecast of historical events but rather a theocentric vision of the coming of God's universal kingdom, contextualised in the late first-century world dominated by Roman power and ideology. It calls on Christians to confront the political idolatries of the time and to participate in God's purpose of gathering all the nations into his kingdom. Once Revelation is properly grounded in its original context it is seen to transcend that context and speak to the contemporary church. This study concludes by highlighting Revelation's continuing relevance for today.
