Joshua Dalzelle has made a good start in bringing to life a galaxy that includes Earth, but isn ' t about Earth. The opening scenes are gripping and

lead quickly into a storyline with some interesting characters, but the book is more devoted to alien places and alien things. I enjoyed this enough to purchase Omega Force: Soldiers of Fortune.

Mr. Joshua Dalzelle, author of "Omega Rising (Omega Force Book 1)," has

written a fun romp of a space saga,

kinda as if "Spanky and Our Gang" -

where Spanky is the sole human, the

gang alien - morphed with "Guardians

of the Galaxy."
