Cain Sinclair has a plan. In order to finally bring peace to his clan, he will wed the young female chief of their greatest enemy. Only

problem:
capturing her and forcing her back to Sinclair castle doesn't exactly make her want to say yes. Ella Sutherland may be clever, passionate, and shockingly beautiful, but what she isn't is willing.
Every attempt Cain makes to woo her seems to backfire on him. A gift? The kitten practically claws his eyes out. A competitive game of chess? Even when he wins, he loses.

It seems the only time the two ever see eye to eye is when they're heating up Cain's bed.
Still, the only thing Ella truly wants is the one thing he cannot offer her: freedom.
But when Cain discovers she's been harboring a secret—one that could threaten both clans' very existence—he'll have to decide between peace for the Sinclairs or the woman who's captured his

heart. (1791) is a biography of Dr. Samuel Johnson written by James Boswell. It is regarded as an important stage in the

development of the modern genre of biography; many have claimed it as the greatest biography written in English. While Boswell's personal acquaintance with his subject only began in 1763, when Johnson was 54 years old, Boswell covered the entirety of Johnson's life by means of additional research. The biography takes many critical liberties with Johnson's life, as Boswell makes various changes to Johnson's quotations and even censors many comments. Regardless of these actions,

modern biographers have found Boswell's biography as an important source of information. The work was popular among early audiences and with modern critics, but some of the modern critics believe that the work cannot be considered a proper biography. James Boswell (1740 – 1795) was a lawyer, diarist, and author born in Edinburgh, Scotland. He is best known for the biography he wrote of one of his contemporaries, the English literary figure Samuel Johnson, which the modern Johnsonian critic

Harold Bloom has claimed is the greatest biography written in the English language. Uniform Crime Reports for the United States Simon and Schuster Fleeing with only her bow, horse, enormous pet wolf, and the cryptic clues hidden in her mother's medicine journal, healer Meg Boswell gallops north towards freedom, running from the man who falsely accused her mother of witchcraft. Cursed with magical healing abilities, Meg knows that if she's captured,

she will die like her mother—atop a blazing witch's pyre. Winter winds rip across the Highlands, pressing Chief Caden Macbain forward in his desperate plan to save his clan. He's not above using an innocent woman to bargain for peace if it keeps his clan from starving. But Meg isn't who Caden thinks she is, and when she kills a man to save the clan, he must choose between duty and her life. For although he captured her to force a peace, Meg's strength and courage have captured Caden's heart. The Highland Hearts

Enter a world of breathtaking romance and

rugged adventure. Enter the world of Kilgannon--an unforgettable story of love and treachery in a great Scottish clan. Kathleen Givens's magnificent novel sweeps from Queen Anne's London to the Highland wilderness . . . and into the hearts of one proud, passionate family: the MacGannons of . . . Kilgannon. They called him a barbarian, a rough-hewn Scot--chieftain of clan MacGannon. They said no woman could hold him, as he set sail on the high seas. But Alex returned

to claim Mary Lowell as his own, to carry her off to Scotland, to his magnificent ancestral castle, Kilgannon. And as the Highlands are torn by rebellion, Mary will find passion--and danger--in the rugged land she would now call home. Watch for the next book in the magnificent Kilgannon saga: The Wild Rose of Kilgannon, coming in November 1999 from Dell.
