On a Wicked Dawn (Cynster Novels) by Stephanie Laurens

---

Amelia Cynster is stunned to hear these words from Lucien Ashford-the enigmatic sixth Viscount Calverton and the man she has always loved-just before the handsome rogue passes out at her feet. Dawn is breaking and she's already risked scandal by lying in wait for him just outside his London home.

On A Wicked Dawn Cynster

On A Wicked Dawn certainly has the most frequent and elaborate sex scenes that can be crammed into a novel of this length (421 pages). If a reader simply wants to read about sex between a man and woman who love each other but won't admit that love, then this is the book.
