Book Review of "On Becoming a Leader" - ProjectConnections

The crucial role of followers and constituents in making a successful leader is examined in this chapter. A leader's obligation to understand the culture in which he or she operates -

and will likely attempt to change -- is emphasized. The importance of vision and integrity in attracting and keeping followers is discussed.

Bennis, Warren. (1989) On becoming a leader. New York ...

On Becoming a Leader (1989) Warren Bennis Bennis was a major figure in the academic study of leadership, but also popularized the subject through bestsellers. In 1985 he co-authored Leaders, based on observation and interviews with 90 of America's leaders, ranging

from astronaut Neil Armstrong to McDonald's founder Ray Kroc. The book's conclusion was that leadership is more crucial than we know, yet can be learned by anyone.

Bennis discusses the importance of reflection as a tool for excellent leadership throughout his book *On becoming a leader: The leadership classic* (2003). I was particularly interested in his insight on reflection because it seems that few leaders have time to luxuriate in quiet time for reflection.

**On Becoming a Leader
by Warren G. Bennis
- Goodreads**

The leader with a

vision becomes a mission which is contagious and felt among other people until they all begin to rise alongside the leader. Combine a leader with a vision he's willing to implement and a movement begins.

People don't follow a dream in itself. They follow the leader who has that dream and the ability to communicate it effectively.
