**On Becoming a Leader Free Summary by Warren Bennis**

On Becoming a Leader (1989) Warren Bennis Bennis was a major figure in the academic study of leadership, but also popularized the subject through bestsellers. In 1985 he co-authored *Leaders*, based on observation and interviews with 90 of America's leaders, ranging from astronaut Neil Armstrong to McDonald's founder Ray Kroc. The book's conclusion was that leadership is more crucial than we know, yet can be learned by anyone.

The crucial role of followers and constituents in making a successful leader is examined in this chapter. A leader's obligation to understand the culture in which he or she operates - and will likely attempt to change -- is emphasized. The importance of vision and integrity in attracting and keeping followers is discussed.

If You Act Like A Leader You Will Think Like A Leader

The leader with a vision becomes a mission which is contagious and felt among other people until they all begin to rise alongside the leader. Combine a leader with a vision he ' s willing to implement and a movement begins. People don ' t follow a dream in itself. They follow the leader who has that dream and the ability to communicate it effectively.

On Becoming A Leader Chapter Bennis discusses the importance of reflection as a tool for excellent leadership throughout his book On becoming a leader: The leadership classic (2003).
