A COVER-UP OF BIBLICAL PROPORTIONS... Centuries ago, English translators perpetrated a fraud in the New Testament, and it's been purposely hidden and covered up ever since. Your own Bible is probably included in the cover-up! In this book, which

includes a study guide for personal or group use, John MacArthur unveils the essential and clarifying revelation that may be keeping you from a fulfilling—and correct—relationship with God. It's powerful. It's controversial. And with new eyes you'll see the riches of your salvation in a radically new way. What does it mean to be a Christian the way Jesus defined it? MacArthur says it all boils down to one word: SLAVE "We have been bought with a price. We belong to Christ. We are His own possession." Endorsements: "Dr. John MacArthur is never afraid to tell the truth and in this book he does just that. The Christian's great privilege is to be the slave of Christ. Dr. MacArthur makes it clear that this is one of the Bible's most succinct ways of describing our discipleship. This is a powerful exposition of Scripture, a convincing

corrective to shallow Christianity, a masterful work of pastoral encouragement...a devotional classic." - Dr. R. Albert Mohler, President, The Southern Baptist Theological Seminary "John MacArthur expertly and lucidly explains that Jesus frees us from bondage into a royal slavery that we might be His possession. Those who would be His children must, paradoxically, be willing to be His slaves." - Dr. R.C. Sproul "Dr. John MacArthur's teaching on 'slavery' resonates in the deepest recesses of my 'inner-man.' As an African-American pastor, I have been there. That is why the thought of someone writing about slavery as being a 'God-send' was the most ludicrous, unconscionable thing that I could have ever imagined...until I read this book. Now I see that becoming a slave is a biblical command, completely redefining the idea

---

of freedom in Christ. I don't want to simply be a 'follower' or even just a 'servant'...but a 'slave'." - The Rev. Dr. Dallas H. Wilson, Jr., Vicar, St. John's Episcopal Chapel, Charleston, SC

*The Making of a Servant*  
IVP Academic

How to serve with generosity and love.

Service is giving, and giving is the very essence of the gospel. God gave His only begotten Son. Jesus gave His life on the cross. The

Holy Spirit gives us the power to resist sin and follow God's commands. It is from this abundance of what we have been given that God calls us to then freely give ourselves—to actually develop a mindset in which we look first to the needs of others above our own interests. In *Developing a Servant's Heart*, Dr. Charles Stanley shows how each of us have been equipped, empowered, and charged to do this as we follow the example of Jesus—the Supreme Servant. The Charles F. Stanley Bible Study Series is a unique approach to Bible study, incorporating biblical truth, personal insights, emotional responses, and a call to action. Each study draws on Dr. Stanley's many years of teaching the guiding principles found in God's Word, showing how we can

apply them in practical ways to every situation we face. This edition of the series has been completely revised and updated, and includes two brand-new lessons from Dr. Stanley. Each lesson includes:

Overview: A brief look at what is covered in the lesson

Life's Questions: A teaching from Dr. Stanley that unpacks the topic of the lesson

Living the Principle: Application and Bible study questions based on the key points

Servant Leader Strong The Church of Jesus Christ of Latter-day Saints

In a church culture that is rapidly losing its unique, intergenerational make-up in favor of small groups and even entire churches designed to target specific age groups, it can be difficult for

ministers to relate to those who are not in their own demographic. But Warren and David Wiersbe, representing two generations, believe that generational differences should not keep ministers from relating to their congregations. In this thoughtful and practical book, they offer ten principles for Christian service that always work, at all times and in all places, inviting ministers to get back to the basics of serving others. New and seasoned pastors alike will find this a welcome source of inspiration and instruction on how they can relate and minister to people of all ages.

Deacons are essential to a church's health--yet confusion abounds regarding their biblical job description. What's their God-given role in a local congregation and how do they relate to the church's overall mission? In this short book, Matt Smethurst makes the case that deacons are model servants called to meet tangible needs, organize and mobilize acts of service, preserve the unity of the flock, and support the ministry of the

*The Epistle of Paul the Apostle to The Romans* Zondervan  
This book explores the concepts from Scripture for Servant leadership and compare these findings with contemporary models of servant leadership. It is an examination of Christian leadership for the contemporary world in its global and increasing secular context. Leadership studies typically view leadership externally from the results. This is a good beginning but leadership needs to also view the inside of

---

leadership in the person of the leader. Scripture is uniquely qualified in this area since its first concern is the person who leads not just in leadership behaviors. The author uses examples from both the Old and New Testament to establish a new shepherd model of leadership that moves beyond the servant mode to the mode of caring direction. This model will provide scholars and researchers as well as leaders themselves with a way of leading that

overcomes negative forms of leadership which lead to failure.

*The Servant of the Lord and His Servant People* Wm. B. Eerdmans Publishing  
Leadership is a subject that has gained impressive visibility in the past two decades. The number of books, monographs and articles, as well as seminars, devoted to the development of one's leadership skills has been almost exponential growth. This study is an attempt to forge a full-orbed theology of Christian

---

leadership grounded in the teaching of Scripture. What emerges from tracing the theme of leadership through the biblical record is a servanthood pattern, one that is wholly distinct from prevailing secular models. Our exposition begins with the biblical language of the servant, the term of choice for those great leaders used of God to further his saving purposes in the world. Eleven Old Testament and five New Testament leaders are profiled. The portrait of Jesus

Christ focuses on three motifs that governed his training of the twelve for kingdom ministry. The Pauline letters are mined for those convictions that governed Paul's practice of leadership, both of his mission team and of the faith communities that emerged from that mission. The treatment of each leader, from Joseph to Paul, begins with a series of preliminary questions and concludes with a mini-profile that correlates the biblical data with these questions.

---

The final chapter offers a summary profile of the servant leader, one whose character, motives and agenda align with the divine purposes. Though designed as a textbook for upper level college and seminary courses on leadership, the book's readable format is ideal for churches and parachurch organizations in their leadership training programs. The author's prayer is that this work will serve as a catalyst to call God's people back to Scripture and thereby raise up a

whole new generation of authentic servant-leaders.

Revelation Springer  
Have you ever thought about the leadership style of Jesus Christ? There has never been anyone who has had an influence on the world the same as Jesus. He began His ministry with a small group of men who He equipped to change the world. Jesus's strategy of leading did not focus on prestige, wealth, power, or force. The plan of Jesus, from the start of His ministry, was to be a servant-leader. The servant-leadership style of Jesus is a strategy that will benefit any organization, business, charity group, or congregation.
