Gospel Principles Zondervan  
The definitive playbook for driving impact as a middle manager Leading from the Middle: A Playbook for

Managers to Influence Up, Down, and Across the Organization delivers an insightful and practical guide for the backbone of an organization: those who have a boss and are a boss and must lead from the messy middle. Accomplished author and former P&G executive Scott Mautz walks readers through the unique challenges facing these managers, and the mindset and skillset necessary

---

for managing up and down and influencing what happens across the organization. You ' ll learn the winning mindset of the best middle managers, how to develop the most important skills necessary for managing from the middle, how to create your personal Middle Action Plan (MAP), and effectively influence: Up the chain of command, to your boss and those above them Down, to your direct reports and teams who report to you Laterally, to peers and teams you have no formal authority over Anyone in an organization who reports to someone and has someone reporting to them must lead from the middle. They are the most important group in an organization and have a unique opportunity to drive impact. Leading from the Middle explains how.

The Servant Whitaker House

For years, creatures

have roamed the Earth.

For years, they have walked alongside humans as equals. For years, they have lived together in peace until a rebellion occurred not so long ago. Humans who no longer wanted to live amongst the supernatural began a rebellion where their goal was to completely wipe out the supernatural but failed miserably. Now, creatures rule over mankind. As their punishment for the rebellion, humans are to be auctioned and fulfil their life as a blood servant for the rest of their lives. More Than a Servant Greenleaf Center

The blueprint for becoming the man you were made to be—in marriage, family, work, friendships, with God in all of life.

“ If you want a no-nonsense guide to getting manhood right,

---

this is it. ” —Evander Holyfield, four-time world heavyweight champion Guys often approach life like it ’ s a pickup football game. They make up the rules as they go. They are sloppy rather than disciplined. Many lose interest and simply watch from the sidelines. Yet a man who knows who he was made to be and what he ’ s pursuing is a powerful force indeed. In *Rise of the Servant Kings*, Ken Harrison, the chairman of Promise Keepers and a former Los Angeles police officer, gives men the keys to success and gets them into the battle. He explains what we ’ re fighting for and the path that will lead to victory by reinforcing the importance of holiness, humility, courage, generosity, masculinity, marriage, parenting, prayer, and more. Through scriptures, stories, and an energizing discussion guide, Harrison helps men remember what matters, defeat the Enemy, and pursue their God-given goals with intensity and passion. God ’ s plan for you as a man is bigger than you ’ ve dared to imagine. Stop settling for simply getting by and prepare to rise up as a servant king in every area of life.

Slave P & R Publishing  
New York Times bestseller *What is Jesus worth to you?* It's easy for American Christians to forget how Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, he said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily... But who do you know who lives like that? Do you? In *Radical*, David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences. He shows what Jesus actually said about being his disciple--then invites you to believe and obey what you have heard. And he tells the dramatic story of what is happening as a "successful" suburban church decides to get serious about the gospel according to Jesus. Finally, he urges you to join in *The Radical Experiment* -- a one-year journey in authentic discipleship that will transform

---

how you live in a world that desperately needs the Good News Jesus came to bring.

The Servant of the Living God Inter-Varsity Press

Neuropsychologist Offers Hope to Those Struggling with Depression As a board-certified

neuropsychologist, Dr.

Michelle Bengtson sees the devastation of depression.

Early on, she practiced the most effective treatments

and prescribed them for her clients. But when she

experienced depression herself, she found that the

treatments she had recommended were

lacking. Her experience showed her the missing

component in treating depression. In Hope

Prevails, Dr. Bengtson writes with deep

compassion, blending her training and faith, to offer

readers a hope grounded in God's love and grace. She

helps readers understand what depression is, how it

affects them spiritually,

and what, by God's grace, it cannot do. The result is an

approach that offers the hope of release, not just

the management of symptoms. For those who

struggle with depression and those who want to help

them, Hope Prevails offers hope for the future.

Rise of the Servant Kings John Wiley & Sons

The final book of the Bible, Revelation prophesies the

ultimate judgement of mankind in a series of

allegorical visions, grisly images and numerological

predictions. According to these, empires will fall, the

"Beast" will be destroyed and Christ will rule a new

Jerusalem. With an introduction by Will Self.

Radical Lifeway Church Resources

It is often recognized that the title 'servant' is

applied to key figures throughout the Bible,

culminating in Jesus Christ. Matthew Harmon carefully

traces this theme from

---

Genesis to Revelation, examining how earlier 'servants' point forwards to the ultimate Servant. While this theme is significant in its own right throughout redemptive history, it also plays a supporting role, enhancing and enriching other themes, such as son, prophet and king. Harmon shows how the title 'servant' not only gives us a clearer understanding of Jesus Christ but also has profound implications for our lives as Christians. When we grasp what it means to be servants of Christ, our love for him and our obedience to him deepen. Understanding that the ultimate Servant, Jesus Christ, indwells his people, to empower them to serve others in love, has the potential to transform how we interact with fellow believers and the world around us.

Servant Leadership John Wiley & Sons

A thorough exploration of what biblical servanthood is, why each Christian is called to serve, and how to grow as true servants of our Lord.

### On Becoming a Servant Leader Swans Are Not Silent

The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation.

control. He is failing miserably in each of his leadership roles as boss, husband, father, and coach. To get his life back on track, he reluctantly attends a weeklong leadership retreat at a remote Benedictine monastery. To John's surprise, the monk leading the seminar is a former business executive and Wall Street legend. Taking John under his wing, the monk guides him to a realization that is simple yet profound: The true foundation of leadership is not power, but authority, which is built upon relationships, love, service, and sacrifice. Along with John, you will learn that the principles in this book are neither new nor complex. They don't demand special talents; they are simply based on strengthening the bonds of respect, responsibility, and caring with the people around you. The Servant's message can be applied by anyone, anywhere—at home or at work. If you are tired of books that lecture instead of teach; if you are searching for ways to improve your leadership skills; if you want to understand the timeless virtues that lead to lasting and meaningful success, then this book is one you cannot afford to miss.

Attitude of a Servant  
Crown Currency  
"Ordinary Servant:  
Lessons in Loving

---

Jesus and Serving HIS people, is a book that will train, equip, and prepare you to serve in your churches. Updated to include study guide for individual or group discussion. Do you want to be someone that God can use to make a difference in this world? Are you looking for help in becoming that man or woman that God uses to impact this world? Does your heart yearn and burn to be a used by God? If you answered, ¿ Yes, ¿ then I have good news for you. God wants to use you! Just as a diamond has many different facets that reflect varying levels of light, so servanthood also has different sides and varying levels. In this book, you will learn some of what the Bible teaches about servanthood... Ordinary Servant Wipf and Stock Publishers Servant Leadership addresses a fundamental concern of the contemporary church by asking pertinent questions of the New Testament: Who became a leader in the Jesus movement and in Pauline Christianity? What was the social status of these leaders in the outside world as compared to the importance of such social status within the faith community? What practices characterized their leadership within the communities they served? The book

---

explores models of leadership in the New Testament's two prime exemplars, Jesus and Paul, and in their respective communities of faith. It studies both Paul's statements and actions with regard to leadership issues with specific church communities, using Thessalonians, the Corinthians, the Galatians, and the Philippians correspondence as case studies in the practice of leadership. It concludes with a discussion of leadership challenges in the modern church and how a Pauline or Deutero-Pauline model can work for us today. The author shows how understanding one's followers, as well as the goals and purposes of the group one leads, is a fundamental function of leadership today, even in the corporate world. Similarly, although we expect Christian leadership to be confrontational and assertive at times, it must also be open to creating opportunities for others to exercise their gifts and, therefore, their leadership. Good leaders move others to respond to their own personal calls and commitments.

The Gospel According to Matthew WestBow Press  
Inspired by leadership expert Robert K. Greenleaf, Schultze recommends that in

---

our communication we seek above all to wisely serve others--not to merely perform well or be "effective," but serve.

### Serve to Be Great Wm.

B. Eerdmans Publishing

The publication of the King James version of the Bible, translated

between 1603 and 1611, coincided with

an extraordinary flowering of English literature and is

universally acknowledged as the greatest influence on

English-language literature in history.

Now, world-class literary writers

introduce the book of the King James Bible in

a series of beautifully designed, small-format volumes. The

introducers' passionate, provocative, and

personal engagements

with the spirituality and the language of the text

make the Bible come

alive as a stunning

work of literature and

remind us of its

overwhelming

contemporary

relevance.

Hope Prevails John Wiley & Sons

2020 ECPA Christian Book Award Finalist for Ministry Resources. What did Jesus

really mean when he said, "Anyone who wants to be

first must be the very last, the servant of all" (Mark

9:35)? Servant leadership is commended by popular

leadership writers and scholars. However, much

of the practical, theoretical, and even theological

commentary on servant leadership doesn't do the

Bible justice. It fails to account for the context and

---

history of interpretation around this often-quoted saying of Jesus. This context has everything to do with a truly biblical understanding of servant leadership, and that's what *Servant of All* unfolds. In a culture where greatness is often confused with fame or competence, *Servant of All* is a much-needed correction. This useful guide includes personal and group reflection questions, ideal for ministry training and discipleship.

**Discovering Your Destiny** Baker Books  
These pastoral letters serve as models of compassionate leadership. Jack Miller taught that a Christian leader should be the chief servant, and that right attitudes come only from a heart changed by an encounter with God.

Miller leads his reader into a deeper understanding of the gospel and a life of humility, faith, and prayer. Miller gently challenges those called to serve as leaders to find their primary motivation in the glory of God alone. Book jacket.

**The Heart of a Servant Leader** Canongate Books

The book is about the painful hardships, tests, trials, and tribulations the Lord has put me through in the process of my calling, choosing, preparation, and ordination for ministry. It traces my calling at the age of eleven and how, from then, God protected me from the

---

numerous attempts of the enemy to kill me. It looks at my rise to power and prestige as a company executive, my calling into and gifting for full-time ministry, the liquidation of my transport company, my subsequent financial bankruptcy, and my falling into debt and sequestration. Having lost everything I had and fallen into insolvency, the Lord began to teach me what it truly meant to live by faith and to depend on him. The book details how God led me every day by his word and the abundant revelations he showed me and the tools of survival he gave me. It contains also prophecies directed at my	countrymen and Church of Christ universal. It shows how God strengthened me to overcome my tribulations, to remain positive, to not lose hope, to get back up again, and how he faithfully began to restore his favor and blessing on me once again. Servant of All Baker Books Interested in growing Christian servant leaders in the next generation? It doesn't happen by accident.
