and joy as we live according to the Spirit and shed the spiritual and emotional weights that hold us back. Best-selling author Derek Prince compassionately and clearly explains holy living so you can: Reflect God ' s nature and character Learn your value as God ' s special treasure Partake of God ' s supernatural provisions Receive answers to prayers Overcome fear and condemnation Be equipped for doing good works Add real meaning

to your life It is possible to live a life of holiness in everyday ways and transform your life! Developing a Servant's Heart On Being a Servant of God BE THE BEST SERVANT OF GOD AND ARMOR BEARER FOR THE GLORY OF GOD Often times, servants of God desire to serve their spiritual leaders and become their armor bearers. However, they fail to realize they're not equipped to serve their leaders. It's God who calls and equips us to serve our leaders not man.

Therefore, the purpose for writing this book is to inform armor bearers and servants of God on how to serve their leaders better. This book will give personal assistants the appropriate tools they will need to be successful, productive, and effective armor bearers and servants of God. In addition, this book will be a blessing to the body of Christ for the glory of God. Author Bio: Tavane Glass is an educator and faithful servant of God. She has a Bachelor's degree in Early Childhood Education and a Master's

---

degree in Biblical Studies. She is currently working on her Doctoral degree in Ministry. She has worked with several leaders for the Kingdom of God.

These pastoral  
letters serve as  
models of  
compassionate  
leadership. Jack  
Miller taught that

a Christian leader  
should be the chief  
servant, and that  
right attitudes  
come only from a  
heart changed by an  
encounter with God.  
Miller leads his  
reader into a  
deeper  
understanding of  
the gospel and a  
life of humility,  
faith, and prayer.  
Miller gently  
challenges those  
called to serve as  
leaders to find

their primary  
motivation in the  
glory of God alone.

*Rise of the Servant Kings* Wm.

B. Eerdmans Publishing

What did Jesus really mean  
when he said, "Anyone who  
wants to be first must be the  
very last, the servant of all"  
(Mark 9:35)? Servant  
leadership is commended by  
popular leadership writers and  
scholars. However, much of  
the practical, theoretical, and  
even theological commentary  
on servant leadership doesn't  
do the Bible justice. It fails to  
account for the context and  
history of interpretation around

---

this often-quoted saying of Jesus. This context has everything to do with a truly biblical understanding of servant leadership, and that's what *Servant of All* unfolds. In a culture where greatness is often confused with fame or competence, *Servant of All* is a much-needed correction. This useful guide includes personal and group reflection questions, ideal for ministry training and discipleship.

On Becoming a Servant Leader Kirkdale Press

In this NSBT volume Matthew Harmon carefully traces the title of "servant" from Genesis to Revelation

with the intention of seeing how earlier servants point forward to the ultimate Servant. Harmon shows how the title "servant" not only gives us a clearer understanding of Jesus Christ but also has profound implications for our lives as Christians.

Servant Leadership Moody Publishers

In a church culture that is rapidly losing its unique, intergenerational make-up in favor of small groups and even entire churches designed to target specific age groups, it

can be difficult for ministers to relate to those who are not in their own demographic. But Warren and David Wiersbe, representing two generations, believe that generational differences should not keep ministers from relating to their congregations. In this thoughtful and practical book, they offer ten principles for Christian service that always work, at all times and in all places, inviting ministers to get back to the basics of serving others. New and seasoned pastors alike will find this a welcome source of inspiration and instruction on how they

---

can relate and minister to people of all ages.

### Attitude Of A Servant: Currency

Leadership legend and bestselling author Ken Blanchard and trust expert and thought leader Randy Conley present this carefully curated collection of fifty-two essential leadership principles that are easy to implement and practice. Effective leadership is an influence process where leaders implement everyday, commonsense approaches that help people and

organizations thrive. Yet somehow, many of these fundamental principles are still missing from most workplaces. In *Simple Truths of Leadership*, legendary servant leadership expert Ken Blanchard, whose books have sold millions of copies worldwide, and his colleague Randy Conley, known and recognized for his many years of thought leadership and expertise in the field of trust, share fifty-two Simple Truths about leadership that will help leaders everywhere make commonsense

leadership common practice. Readers will discover profound, memorable, and in some cases counterintuitive leadership wisdom such as • Who should make the first move to extend trust • What role a successful apology plays in building trust • When to use different strokes (leadership styles) for different folks—and for the same folks • Where the most important part of leadership happens • How to create autonomy through boundaries • Why the key to developing people is

---

catching them doing something right A fun, easy read that will make a positive difference in leadership and organizational success, Simple Truths of Leadership will show readers how to incorporate simple but essential practices into their leadership style, build trust through servant leadership, and enhance their own lives and the lives of everyone around them. Effective Tools on How to Become a Successful Armor Bearer and Servant of God Baker Books

servant of God. Junior  
On Being a Servant of God  
Xulon Press  
Have you ever thought about the leadership style of Jesus Christ? There has never been anyone who has had an influence on the world the same as Jesus. He began His ministry with a small group of men who He equipped to change the world. Jesus's strategy of leading did not focus on prestige, wealth, power, or force. The plan of Jesus, from the start of His ministry, was to be a servant-leader. The servant-leadership style of Jesus is a strategy that

will benefit any organization, business, charity group, or congregation.  
How Then Should We Work?  
HarperChristian Resources  
A Study Guide and a Teacher ' s Manual Gospel Principles was written both as a personal study guide and as a teacher ' s manual. As you study it, seeking the Spirit of the Lord, you can grow in your understanding and testimony of God the Father, Jesus Christ and His Atonement, and the Restoration of the gospel. You can find answers to life ' s questions, gain an assurance of your purpose and self-worth,

and face personal and family challenges with faith.  
Servant of All WestBow Press  
From the author of The One-Minute Manager, a guide to leading others by serving them, featuring advice and tools from real-life leadership experts. We ' ve all seen the negative impact of self-serving leaders in every sector of our society. Not infrequently, they end up bringing down their entire organization. But there is another way: servant leadership. Servant leaders lead by serving their people, not by exalting themselves. This collection features forty-four renowned servant leadership experts and practitioners—prominent

---

business executives, bestselling authors, and respected spiritual leaders—who offer advice and tools for implementing this proven, but for some still radical, leadership model. Edited by legendary business author and lifelong servant leader Ken Blanchard and his longtime editor Renee Broadwell, this is the most comprehensive and wide-ranging guide ever published for what is, in every sense, a better way to lead. “Renowned expert Ken Blanchard with Renee Broadwell have assembled the insights of dozens of successful leaders in their new book *Servant Leadership In Action*. I doubt you will find any book or course on leadership that delivers a more on-

target message of the essential element critical to being a truly great leader. Get a copy. Read it. Be it.” —Miami Herald “A comprehensive and inspiring book presented as a servant leadership primer, action plan and how-to guide, then concludes with proof of effectiveness and inspiration to go forward. The wide-ranging yet related topics covered in *Servant Leadership In Action* is part of what makes the book so valuable. I am sure it will quickly become a must-have resource for leaders, both emerging and established.” —Being Fully Present  
Servants of the Servant

"Ordinary Servant: Lessons in Loving Jesus and Serving HIS

people, is a book that will train, equip, and prepare you to serve in your churches. Updated to include study guide for individual or group discussion. Do you want to be someone that God can use to make a difference in this world? Are you looking for help in becoming that man or woman that God uses to impact this world? Does your heart yearn and burn to be a used by God? If you answered, ¿ Yes, ¿ then I have good news for you. God wants to use you! Just as a diamond has many different facets that reflect varying levels of light, so servanthood also has

---

different sides and varying levels. In this book, you will learn some of what the Bible teaches about servanthood... Gospel Principles Jossey-Bass A jargon free introduction to what it means to be a Christian leader from the Bible, not modern management manuals. Short punchy chapters Bible studies and discussion resources in each chapter Accessible to any level of leadership in the congregation Part of the popular "Gospel Centered" series Practical and Bible based The Epistle of Paul the Apostle to The Romans Wipf and Stock Publishers To lead is not to be "the

boss," the "head honcho," or "the brass." To lead is to serve. Although serving may imply weakness to some, conjuring up a picture of the CEO waiting on the workforce hand and foot, servant leadership is actually a robust, revolutionary idea that can have significant impact on an organization's performance. Jim Hunter champions this hard/soft approach to leadership, which turns bosses and managers into coaches and mentors. By "hard,"

Hunter means that servant leaders can be hard-nosed, even autocratic, when it comes to the basics of running the business: determining the mission (where the company is headed) and values (what the rules are that govern the journey) and setting standards and accountability. Servant leaders don't commission a poll or take a vote when it comes to these critical fundamentals. After all, that's what a leader's job is, and people look to the leader to set the course and

---

establish standards. But once that direction is provided, servant leaders turn the organizational structure upside down. They focus on giving employees everything they need to win, be it resources, time, guidance, or inspiration. Servant leaders know that providing for people and engaging hearts and minds foster a workforce that understands the benefits of striving for the greater good. The emphasis is on building authority, not power; on exerting influence, not intimidation. While many believe that servant leadership is a wonderful, inspiring idea, what 's been missing is the how-to, the specifics of implementation. Jim Hunter shows how to do the right thing for the people you lead. A servant leader or a self-serving leader: Which one are you? With Jim Hunter ' s guidance, everyone has the potential to develop into a leader with character who leads with authority. The Servant John Wiley & Sons "This book presents a biblical theology of discipleship that gives the " big picture " of God ' s relationship with humanity. It surveys God ' s interaction with humankind from Eden, through the sequence of the biblical covenants, and on into the fulfillment that comes in Jesus. Throughout, the twin themes emerge—one of God ' s demand of righteousness and another of his prior, enabling grace. Discipleship to Jesus stands in relation to its Old Testament precedents, preserving continuity in the grace/demand interplay.

---

Jesus' ministry to Israel is the fulfillment of the interactions between God and his people, assuming the roles of righteous King and gracious Servant. Faithful discipleship to Jesus the King, therefore, must always involve responding to his bracing call for righteousness, but doing so in the ongoing experience of the Servant's prior, enabling grace. This book provides an understanding of Jesus that will facilitate ongoing experiences of transforming grace, which in turn will

enable faithful discipleship. As such, it presents a view of Christian discipleship that is grounded in an informed Christology of Jesus, the Servant King."

On Becoming a Servant Leader P & R Publishing

Sometimes people lose sight of the core of their ministry. They feel overwhelmed by the needs that surround them on a daily basis. Wise and beloved pastor Warren Wiersbe invites ministry leaders to listen in on thirty short "armchair chats" to encourage and strengthen them for service. He shares what he wishes he had known about ministering to others when he began his own

Christian pilgrimage. "Ministry," he says, "takes place when divine resources meet human needs through loving channels to the glory of God." With this new edition of a classic book, which includes a foreword by Jim Cymbala, the next generation of ministry leaders can take advantage of Wiersbe's years of wisdom.

Deacons Multnomah

"Have you ever felt like what you do the majority of the week at work may not have any value to God? Many Christians struggle to find any meaning in their work. Many are taught it's just a place to share your faith or earn a paycheck to donate to missions. Businessman Hugh Whelchel was

---

just that guy but knew there had to be more. His thorough biblical investigation reveals the eternal significance of work within the grand biblical story of God's mission throughout history."--Publisher description. The Servant of the Lord and His Servant People Zondervan Discover the secret to becoming a great servant leader with "A Model of Servant Leadership: 140 Actionable Ideas to Build Your Heart for Servant Leadership." Written by the Founder and CEO of Triune Leadership Services, LLC, "A Model of Servant Leadership" provides readers with the insights they need to become a leader of impact within their sphere of

influence. Being a servant leader emulates from the heart and takes a great deal of intention in a few key areas of a person's life. Servant leaders are intentional about building a solid foundation that consists of a clear purpose, vision, and values. Once the foundation is established, they focus on building energy, performance, relationships, and their own character. They recognize that their impact is one of advancing society and the greater good of others. After years of professional experience as a senior executive in the printing industry and working as an executive coach and servant leadership development consultant, Mark Deterding has

built a solid model of servant leadership that is changing people's lives and how they lead. But the truth is the principles are really timeless, coming from Jesus, the ultimate model of servant leadership. At a time when good leadership is so badly needed in all corners of our world, the "140 Actionable Ideas to Build Your Heart for Servant Leadership" is out at just the right time! This book shares the necessary insights you need to become the servant leader that will inspire others to greatness and leave the world in a better place. By harnessing personal experiences alongside Deterding's key insights, readers will be able to better understand the practices of a servant leader in

---

both their personal and professional lives. It will prepare them for living a life of significance! "A Model of Servant Leadership" is part of the THiNKaha series, whose slim and handy books contain 140 well-thought-out AhaMessages.

Increase your influence by picking up the Aha Amplifier to easily share Mark's quotes on Twitter, Facebook, LinkedIn, and Google+.

Qualities of an Excellent Servant  
IVP Academic

With an introduction on using the principles of The Servant in your life and career, this book redefines what it means to be a leader. In this absorbing tale, you watch the timeless principles of servant

leadership unfold through the story of John Daily, a businessman whose outwardly successful life is spiraling out of control. He is failing miserably in each of his leadership roles as boss, husband, father, and coach. To get his life back on track, he reluctantly attends a weeklong leadership retreat at a remote Benedictine monastery. To John's surprise, the monk leading the seminar is a former business executive and Wall Street legend. Taking John under his wing, the monk guides him to a realization that is simple yet profound: The true foundation of leadership is not power, but authority, which is built upon relationships, love, service, and sacrifice. Along with John, you

will learn that the principles in this book are neither new nor complex. They don't demand special talents; they are simply based on strengthening the bonds of respect, responsibility, and caring with the people around you. The Servant's message can be applied by anyone, anywhere—at home or at work. If you are tired of books that lecture instead of teach; if you are searching for ways to improve your leadership skills; if you want to understand the timeless virtues that lead to lasting and meaningful success, then this book is one you cannot afford to miss.
