Kyle and Kelsey Kupecky couldn't have dreamed a better love story for themselves had it been scripted by a bestselling novelist like Kelsey's mom, Karen Kingsbury. In fact, if you asked them, Kyle and Kelsey would name God as the author of their story. And they're glad they trusted him to write it for them. Unfortunately, too many girls hoping for their own happily-ever-after have taken matters into their own hands, chasing after boys when they should be chasing after God. And that inevitably leads to heartache, low self-esteem, and poor choices as girls give in to pressure from media and peers to look and act a certain way to attract guys. Kyle and Kelsey want girls to know that it's never too late to trust God with their love lives, that wherever they are, there's always hope for the future. Through their own story and the stories of others who long for love, they show girls how to put God first, how to value and protect their purity, how to deal with loneliness and bullying, and how to see themselves as God does--a one-in-a-million girl who deserves no less than God's best.

Take Two Thomas Nelson Inc

A heartwarming story about childhood friends, broken lives, and a long ago promise that just might offer the hope of love for today. Years ago, the day before Ellie moved from Georgia to California, she and her best friend Nolan sat beneath the Spanish moss of an ancient oak tree where they wrote letters to each other, and sealed them in a rusty old metal box. The plan was to return eleven years later and read them. But now, as that date arrives, much has changed. Ellie, bereft of the faith she grew up with, is a single mom living in a tired apartment trying to make ends meet. Sometimes she watches television to catch a glimpse of her old friend -Nolan, now an NBA star, whose terrible personal tragedies fueled his faith and athletic drive in equal measure. But Nolan also suffers from a transcendent loneliness that nothing has ever eased. In their separate lives, as Ellie and Nolan move toward the possibility of a reunion at the oak tree, Kingsbury weaves a tale of heart-wrenching loss, the power of faith, and the wounds that only love can heal.

Remember Tuesday Morning Tyndale House Publishers, Inc.

The hope-filled sequel to the bestselling *One Tuesday Morning*. In this new novel by Karen Kingsbury, three years have passed since the terrorist attacks on New York City. Jamie Bryan, widow of a firefighter who lost his life on that terrible day, has found meaning in her season of loss by volunteering at St. Paul's, the memorial chapel across the street from where the Twin Towers once stood. Here she meets a daily stream of people touched by the tragedy, including two men with whom she feels a connection. One is a firefighter also changed by the attacks, the other a police officer from Los Angeles. But as Jamie gets to know the police officer, she is stunned to find out that he is the brother of Eric Michaels, the man with the uncanny resemblance to Jamie's husband, the man who lived with her for three months after September 11. Eric is the man she has vowed never to see again. Certain she could not share even a friendship with his brother, Jamie shuts out the police officer and delves deeper into her work at St. Paul's. Now it will take the persistence of a tenacious man, the questions from her curious young daughter, and the words from her dead husband's journal to move Jamie beyond one Tuesday morning. "Jamie Bryan took her position at the far end of the Staten Island Ferry, pressed her body against the railing, eyes on the place where the Twin Towers once stood. She could face it now, every day if she had to. The terrorist attacks had happened, the World Trade Center had collapsed, and the only man she'd ever loved had gone down with them. Late fall was warmer than usual, and the breeze across the water washed over Jamie's face. If she could do this, if she could make this journey three times a week while Sierra was in school, then she could convince herself to get through another long, dark night. She could face the empty place in the bed beside her, face the longing for the man who had been her best friend, the one she'd fallen for when she was only a girl."
