What if we stopped avoiding the difficult people in our lives and committed to simply loving everybody? What happens when we give away love like we're made of it? In *Everybody, Always*, Bob Goff's joyful New York Times bestselling follow-up to *Love Does*, you'll discover the secret to living without fear, constraint, or worry. Bob teaches us that the path toward the outsized, unfettered, liberated existence we all long for is found in one simple truth: love people, even the difficult ones, without distinction and without limits. In *Everybody, Always*, Bob shows us the simple truths about life that have the power to shift our mindset forever: Jesus uses our blind spots to reveal himself to us. It's easy to love kind, lovely, humble people, but you have to tackle fear in order to love people who are difficult. What we do with our love will become the conversations we have with God. Dark and scary places are filled with beautiful people who need our unconditional love. Extravagant love has extraordinary power to change lives, including our own. Driven by Bob's trademark storytelling, this book reveals the wisdom Bob learned--often the hard way--about what it

means to love without inhibition, insecurity, or restriction. From finding the right friends to discovering the upside of failure, *Everybody, Always* points the way to embodying love by doing the unexpected, the intimidating, the seemingly impossible. Whether losing his shoes while skydiving solo or befriending a Ugandan witch doctor, Bob steps into life with a no-limits embrace of others that is as infectious as it is extraordinarily ordinary. *Everybody, Always* reveals how we can do the same.

Bestselling author Karen Kingsbury reminds us that before you take a stand, you've got to take a chance. Despite his quiet ways and quirky behaviors, Holden Harris is very happy and socially engaged—on the inside, in a private world all his own. But Holden is an eighteen-year-old with autism. Every day he is bullied at school by kids who only see that he is very different. Ella Reynolds is part of the in-crowd. A cheerleader and star of the high school drama production, her life seems perfect. When she catches Holden listening to her rehearse for the school play, she is drawn to him . . . the way he is drawn to the music. Then Ella makes a dramatic discovery—she and Holden were best friends as children. Frustrated by the way Holden is bullied and horrified at the indifference of her peers, Ella decides to take a stand against the most privileged and popular kids at school. Including her boyfriend, Jake. Ella believes miracles can happen in the most unlikely places and that just maybe an entire community might celebrate from the sidelines. But will Holden's praying mother, Ella, and a cast of theater kids be enough to unlock the prison that contains Holden? This time friendship, faith, and the power of a song must be strong enough to open the doors to the miracle Holden needs. This contemporary, inspirational read is a standalone novel. Book length: approximately 80,000 words. Includes a reading group guide and a letter to readers from the author.

Best Family Ever Zondervan

The hope-filled sequel to the bestselling *One Tuesday Morning*. In this

new novel by Karen Kingsbury, three years have passed since the terrorist attacks on New York City. Jamie Bryan, widow of a firefighter who lost his life on that terrible day, has found meaning in her season of loss by volunteering at St. Paul ' s, the memorial chapel across the street from where the Twin Towers once stood. Here she meets a daily stream of people touched by the tragedy, including two men with whom she feels a connection. One is a firefighter also changed by the attacks, the other a police officer from Los Angeles. But as Jamie gets to know the police officer, she is stunned to find out that he is the brother of Eric Michaels, the man with the uncanny resemblance to Jamie ' s husband, the man who lived with her for three months after September 11. Eric is the man she has vowed never to see again. Certain she could not share even a friendship with his brother, Jamie shuts out the police officer and delves deeper into her work at St. Paul ' s. Now it will take the persistence of a tenacious man, the questions from her curious young daughter, and the words from her dead husband ' s journal to move Jamie beyond one Tuesday morning.

“ Jamie Bryan took her position at the far end of the Staten Island Ferry, pressed her body against the railing, eyes on the place where the Twin Towers once stood. She could face it now, every day if she had to. The terrorist attacks had happened, the World Trade Center had collapsed, and the only man she ' d ever loved had gone down with them. Late fall was warmer than usual, and the breeze across the water washed over Jamie ' s face. If she could do this, if she could make this journey three times a week while Sierra was in school, then she could convince herself to get through another long, dark night. She could face the empty place in the bed beside her, face the longing for the man who had been her best friend, the one she ' d fallen for when she was only a girl. ”

A heartwarming story about childhood friends, broken lives, and a long ago promise that just might offer the hope of love for today.

Years ago, the day before Ellie moved from Georgia to California, she and her best friend Nolan sat beneath the Spanish moss of an ancient oak tree where they wrote letters to each other, and sealed them in a rusty old metal box. The plan was to return eleven years later and read them. But now, as that date arrives, much has changed. Ellie, bereft of the faith she grew up with, is a single mom living in a tired apartment trying to make ends meet. Sometimes she watches television to catch a glimpse of her old friend -Nolan, now an NBA star, whose terrible personal tragedies fueled his faith and athletic drive in equal measure. But Nolan also suffers from a transcendent loneliness that nothing has ever eased. In their separate lives, as Ellie and Nolan move toward the possibility of a reunion at the oak tree, Kingsbury weaves a tale of heart-wrenching loss, the power of faith, and the wounds that only love can heal.
