On Moral Fiction / Edition 1 by John Gardner, John C ...

On Moral Fiction was first published in 1976, and is author and critic John Gardner's view on the necessity for morality in fiction, arguing that fiction displays the beliefs of the author. I don't agree with his view on religion, but I suspect his view is tainted by the accident that killed his younger brother, that he apparently felt responsible for.

On Moral Fiction by John Gardner - Goodreads

On Moral Fiction is a collection of essays by the American novelist John Gardner published in 1978. (ISBN 0-465-05225-8) In this work, Gardner attacks what he sees as contemporary literature's lack of morality, which he calls the highest purpose of art and which he defines in the book. According to Gardner, morality is not an arbitrary social construct, but an eternal truth, taking on different forms but not essentially changing through the ages.
