This is a reissue of the novel inspired by Hunter S. Thompson's ether-fuelled, savage journey to the heart of the American Dream: We were somewhere around Barstow on the edge of the desert when the drugs began to take hold... And suddenly there was a terrible roar all around us and the sky was full of what looked like huge bats, all swooping and screeching and diving around the car, which was going about a hundred miles an hour with the top down to Las Vegas.

The Catcher in the Rye," written by J.D.

Salinger and published in 1951, is a classic American novel that explores the themes of adolescence, alienation, and identity through the eyes of its protagonist, Holden Caulfield. The novel is set in the 1950s and follows Holden, a 16-year-old who has just been expelled from his prep school, Pencey Prep. Disillusioned with the world around him, Holden decides to leave Pencey early and spend a few days alone in New York City before returning home. Over the course of these days, Holden interacts with various people, including old friends, a former teacher, and strangers, all the while grappling with his feelings of loneliness and dissatisfaction. Holden is deeply troubled by the "phoniness" of the adult world and is haunted by the death of his younger brother, Allie, which has left a lasting impact on him. He fantasizes about being "the catcher in the rye," a guardian who saves children from losing their innocence by catching them before they fall off a cliff into adulthood. The novel ends with Holden in a mental institution, where he is being treated for a nervous breakdown. He expresses some hope for the future, indicating a possible path to recovery..

A New York Times bestseller! A visit to Washington, DC's National Portrait Gallery forever alters Parker Curry's young life when she views First Lady Michelle Obama's portrait. When Parker Curry came face-to-face with Amy Sherald's transcendent portrait of First

Lady Michelle Obama at the National Portrait Gallery, she didn't just see the First Lady of the United States. She saw a queen—one with dynamic self-assurance, regality, beauty, and truth who captured this young girl's imagination. When a nearby museum-goer snapped a photo of a mesmerized Parker, it became an internet sensation. Inspired by this visit, Parker, and her mother, Jessica Curry, tell the story of a young girl and her family, whose trip to a museum becomes an extraordinary moment, in a moving picture book. Parker Looks Up follows Parker, along with her baby sister and her mother, and her best friend Gia and Gia's mother, as they walk the halls of a museum, seeing paintings of everyone and everything from George Washington Carver to Frida Kahlo, exotic flowers to graceful ballerinas. Then, Parker walks by Sherald's portrait of Michelle Obama...and almost passes it. But she stops...and looks up! Parker saw the possibility and promise, the hopes and dreams of herself in this powerful painting of Michelle Obama. An everyday moment became an extraordinary one...that continues to resonate its power, inspiration, and indelible impact. Because, as Jessica Curry said, "anything is possible regardless of race, class, or gender."

He inadvertently becomes involved in a strange disturbance that develops over a literary prize. While Aomame and Tengo impact on each other in

various ways, at times by accident and at times intentionally, they come closer and closer to meeting. Eventually the two of them notice that they are indispensable to each other. Is it possible for them to ever meet in the real world?

Netflix's series adaptation of One Hundred Years of Solitude premieres December 11, 2024! One of the twentieth century's enduring works, One Hundred Years of Solitude is a widely beloved and acclaimed novel known throughout the world and the ultimate achievement in a Nobel Prize-winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendía family. Rich and brilliant, it is a chronicle of life, death, and the tragicomedy of humankind. In the beautiful, ridiculous, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility, the variety of life, the endlessness of death, the search for peace and truth—these universal themes dominate the novel. Alternately reverential and comical, One Hundred Years of Solitude weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an account of the history of the human race.

As their story moves back and forth in time between 1902 and 1914, the fragile surface propriety of the pre - World War I society in which these four characters live is ruptured - revealing deceit, hatred, infidelity, and betrayal. "The Good Soldier" is Edward Ashburnham, who, as an adherent to the moral code of the English upper class, is nonetheless consumed by a passion for women younger than his wife - a stoic but fallible figure in what his American friend, John Dowell, calls "the saddest story I ever heard."

NATIONAL BOOK AWARD WINNER • Is love between equals possible? This modern classic is a delightful intellectual love story that explores the deepest canyons of romantic love even as it asks large questions about society, geopolitics, and the mystery of what men and women really want.

"Luminous...Few books evoke the state of love at its apogee." —The New York Times Book Review "The best rendering of erotic politics...since D.H. Lawrence...The voice of Rush's narrator is immediate, instructive and endearing." —The New York Review of Books The narrator of this splendidly expansive novel of high intellect and grand passion is an American anthropologist at loose ends in the South African republic of Botswana. She has a noble and exacting mind, a compelling waist, and a busted thesis project. She also has a yen for Nelson Denoon, a charismatic intellectual who is rumored to have founded a secretive and unorthodox utopian society in a remote corner of the Kalahari—one in which he is virtually the only man. What ensues is an exhilarating quest and an exuberant comedy of manners: "A dryly comic love story about grown-up people who take the life of the mind seriously." —Newsweek
