BOOKER PRIZE WINNER • From the winner of the Nobel Prize in Literature, here is "an intricate and dazzling novel" (The New York Times) about the perfect butler and his fading, insular world in post-World War II England. This is Kazuo Ishiguro's profoundly compelling portrait of a butler named Stevens. Stevens, at the end of three decades of service at Darlington Hall, spending a day on a country drive, embarks as well on a journey through the past in an effort to reassure himself that he has served humanity by serving the "great gentleman," Lord Darlington. But lurking in his memory are doubts about the true nature of Lord Darlington's "greatness," and much graver doubts about the nature of his own life.

Since a deadly virus and the violence that followed wiped out his parents and most of his community, Finn has lived alone on the rugged coast with only his loyal dog Rowdy for company. He has stayed alive for two winters—hunting and fishing and trading food, and keeping out of sight of the Wilders, an armed and dangerous gang that controls the north, led by a ruthless man named Ramage. But Finn's isolation is shattered when a girl runs onto the beach. Rose is a Siley—an asylum seeker—and she has escaped from Ramage, who had enslaved her and her younger sister, Kas. Rose is desperate, sick, and needs Finn's help. Kas is still missing somewhere out in the bush. And Ramage wants the girls back—at any cost. A memoir of the Civil Rights Movement from one of its youngest heroes--now in paperback will an all-new discussion guide. As the youngest marcher in the 1965 voting rights march from Selma to Montgomery, Alabama, Lynda Blackmon Lowery proved that young adults can be heroes. Jailed eleven times before her fifteenth birthday, Lowery fought alongside Martin Luther King, Jr. for the rights of African-Americans. In this memoir, she shows today's young readers what it means to fight nonviolently (even when the police are using violence, as in the Bloody Sunday protest) and how it felt to be part of changing American history. Straightforward and inspiring, this beautifully illustrated memoir brings readers into the middle of the Civil Rights Movement, complementing Common Core classroom learning and bringing history alive for young readers.

NEW YORK TIMES BESTSELLER • From the beloved Pulitzer Prize-winning author, a sparkling novel about misperception, second chances, and the sometimes elusive power of human connection. Micah Mortimer is a creature of habit. A self-employed tech expert, superintendent of his Baltimore apartment building, cautious to a fault behind the steering wheel, he seems content leading a steady, circumscribed life. But one day his routines are blown apart when his woman friend (he refuses to call anyone in her late thirties a "girlfriend") tells him she's facing eviction, and a teenager shows up at Micah's door claiming to be his son. These surprises, and the ways they throw Micah's meticulously organized life off-kilter, risk changing him forever. An intimate look into the heart and mind of a man who finds those around him just out of reach, and a funny, joyful, deeply compassionate story about seeing the world through new eyes, *Redhead by the Side of the Road* is a triumph, filled with Anne Tyler's signature wit and gimlet-eyed observation.

One of the Guardian's 100 Best Books of the

21st Century "With language so vibrant it practically has a pulse, Enright makes an exquisitely drawn case for the possibility of growth, love and transformation at any age." –People From internationally acclaimed author Anne Enright comes a shattering novel set in a small town on Ireland's Atlantic coast. *The Green Road* is a tale of family and fracture, compassion and selfishness—a book about the gaps in the human heart and how we strive to fill them. Spanning thirty years, *The Green Road* tells the story of Rosaleen, matriarch of the Madigans, a family on the cusp of either coming together or falling irreparably apart. As they grow up, Rosaleen's four children leave the west of Ireland for lives they could have never imagined in Dublin, New York, and Mali, West Africa. In her early old age their difficult, wonderful mother announces that she's decided to sell the house and divide the proceeds. Her adult children come back for a last Christmas, with the feeling that their childhoods are being erased, their personal history bought and sold. A profoundly moving work about a family's desperate attempt to recover the relationships they've lost and forge the ones they never had, *The Green Road* is Enright's most mature, accomplished, and unforgettable novel to date.

Set in 1954, Towles uses the story of two brothers to show that our personal journeys are never as linear or

predictable as we might hope." –Bill Gates "A real joyride . . . elegantly constructed and compulsively readable." –NPR The bestselling author of *A Gentleman in Moscow* and *Rules of Civility* and master of absorbing, sophisticated fiction returns with a stylish and propulsive novel set in 1950s America In June, 1954, eighteen-year-old Emmett Watson is driven home to Nebraska by the warden of the juvenile work farm where he has just served fifteen months for involuntary manslaughter. His mother long gone, his father recently deceased, and the family farm foreclosed upon by the bank, Emmett's intention is to pick up his eight-year-old brother, Billy, and head to California where they can start their lives anew. But when the warden drives away, Emmett discovers that two friends from the work farm have hidden themselves in the trunk of the warden's car. Together, they have hatched an altogether different plan for Emmett's future, one that will take them all on a fateful journey in the opposite direction—to the City of New York. Spanning just ten days and told from multiple points of view, Towles's third novel will satisfy fans of his multi-layered literary styling while providing them an array of new and richly imagined settings, characters, and themes. "Once again, I was wowed by Towles's writing—especially because *The Lincoln Highway* is so different from *A Gentleman in Moscow* in terms of setting, plot, and themes. Towles is not a one-trick pony. Like all the best storytellers, he has range. He takes inspiration from famous hero's journeys, including *The Iliad*, *The Odyssey*, *Hamlet*, *Huckleberry Finn*, and *Of Mice and Men*. He seems to be saying that our personal journeys are never as linear

or predictable as an interstate highway. But, he suggests, when something (or someone) tries to steer us off course, it is possible to take the wheel." - Bill Gates

"Stony the Road presents a bracing alternative to Trump-era white nationalism. . . . In our current politics we recognize African-American history—the spot under our country's rug where the terrorism and injustices of white supremacy are habitually swept. Stony the Road lifts the rug." -Nell Irvin Painter, New York Times Book Review A profound new rendering of the struggle by African-Americans for equality after the Civil War and the violent counter-revolution that resubjugated them, by the bestselling author of *The Black Church*. The abolition of slavery in the aftermath of the Civil War is a familiar story, as is the civil rights revolution that transformed the nation after World War II. But the century in between remains a mystery: if emancipation sparked "a new birth of freedom" in Lincoln's America, why was it necessary to march in Martin Luther King, Jr.'s America? In this new book, Henry Louis Gates, Jr., one of our leading chroniclers of the African-American experience, seeks to answer that question in a history that moves from the Reconstruction Era to the "nadir" of the African-American experience under Jim Crow, through to World War I and the Harlem Renaissance. Through his close reading of the visual culture of this tragic era, Gates reveals the many faces of Jim Crow and how, together, they reinforced a stark color line between white and black Americans. Bringing a lifetime of wisdom to bear as a scholar, filmmaker, and public intellectual, Gates uncovers the roots of structural racism in our own time, while showing how African Americans after slavery combatted it by articulating a vision of a "New Negro" to force the nation to recognize their humanity and unique contributions to America as it hurtled toward the modern age. The story Gates tells begins with great hope, with the Emancipation Proclamation, Union victory, and the liberation of nearly 4 million enslaved African-Americans. Until 1877, the federal government, goaded by the activism of Frederick Douglass and

many others, tried at various turns to sustain their new rights. But the terror unleashed by white paramilitary groups in the former Confederacy, combined with deteriorating economic conditions and a loss of Northern will, restored "home rule" to the South. The retreat from Reconstruction was followed by one of the most violent periods in our history, with thousands of black people murdered or lynched and many more afflicted by the degrading impositions of Jim Crow segregation. An essential tour through one of America's fundamental historical tragedies, *Stony the Road* is also a story of heroic resistance, as figures such as W. E. B. Du Bois and Ida B. Wells fought to create a counter-narrative, and culture, inside the lion's mouth. As sobering as this tale is, it also has within it the inspiration that comes with encountering the hopes our ancestors advanced against the longest odds.

The Church in the United States is greatly blessed by the contributions of Black Catholics and the legacy of holiness of so many men and women of color. These men and women lived lives that are worthy of our study and emulation. In *Black Catholics on the Road to Sainthood*, Michael R. Heinlein provides the first book to explore the lives of the six Black Catholics from the United States whose causes are under formal consideration by the Catholic Church for canonization. Including biographies and personal reflections from diverse contributors, this book shows how these six men and women provide a model of holiness

for all Catholics and people of good will. Venerable Pierre Toussaint, Venerable Henriette Delille, Venerable Father Augustus Tolton, Servant of God Mother Mary Lange, Servant of God Julia Greeley, and Servant of God Sister Thea Bowman are sources of inspiration for us all. As we continue to pray for the advancement of their causes for canonization, all Catholics of every race can learn a great deal from these holy men and women. By their stories of faith and virtue, they show us how to respond to the call to holiness, bringing healing, reconciliation, and peace to our wounded nation and world. "It is my profound honor to add my voice in support of Black Catholics on the Road to Sainthood. This book gives an insightful look at the Black Americans that are on the path to canonized sainthood in the Catholic Church. The book introduces readers to six Black Americans who dealt in their lifetimes with the human denigration and suffering that is manifested by America's Original Sin of racism. Yet they not only persevered, but truly lived as Christian people, which so many Americans claim to be, but whose actions do not support that claim. These Black Americans sought to show love, compassion, and forgiveness to all people, regardless of their race, ethnicity, or station in life. All of the men and women you will meet in *Black Catholics on the Road to Sainthood* – through their faith in God and by giving of themselves to God's people, their sisters and brothers – did what Servant of God Sister Thea Bowman said: 'we must return love, no matter what.' These men and women show us the way forward." Most Reverend Roy E. Campbell, Jr., Auxiliary Bishop of Washington, President of the National Black

Catholic Congress "*Black Catholics on the Road to Sainthood* is an inspiring look at six holy Black men and women who mirrored Christ in service to others. All of them persevered, despite the many rejections they encountered, giving Black Catholics today the inspiration to meet the obstacles of racial inequity with equal grace and love, and providing insight to all Catholics, regardless of race, into the effects of systemic racism and the many gifts and talents people of color bring to the Church. The accompanying reflections, written by Catholic laity and religious, provide deeper insight into the lives of the six candidates for Canonization, and how best we can learn from them and emulate their examples in our own lives." The National Black Catholic Congress "*Black Catholics on the Road to Sainthood* is a great expose on the lives and faith of some of our Black ancestors who responded with both prayer and action to overcome racism. Discovering through this book their life stories, their suffering, and their faith-filled response, one is inspired to seek the conversion of hearts with regard to racism through prayer and action so that we too can aspire to be saints by the manner in which we love one another." Most Reverend Shelton J. Fabre, Diocese of Houma-Thibodaux, Chairman of the USCCB Ad Hoc Committee Against Racism "*Black Catholics on the Road to Sainthood* provides a glimpse into the power of God's grace at work in the lives of men and women who were often treated with disdain. The Archdiocese of Denver has been blessed by the heroic, charitable witness of Julia Greeley on our streets, in our churches, and in our homes. This book extends that blessing to all who are seeking additional examples of courage,

perseverance, and determination. As our country and Church work to address racism, may we turn to these holy men and women for their example and intercession." Most Reverend Samuel J. Aquila, Archbishop of Denver "Michael Heinlein performs a great service in bringing together engaging reflections on and portraits of Black Catholics who are on the road to sainthood. Their stories differ but they have at least one thing in common: They rose above the racism of their day to the heights of holiness. From their place in eternity, they challenge us to root out racism from our midst. This volume should prompt us to pray and work for the canonization of these worthy witnesses to the Lord's truth and love." Most Reverend William E. Lori, Archbishop of Baltimore "The last three Bishops of Rome have called Christ's Church to a New Evangelization, a renewal of the mandate given at Pentecost: to carry on the mission of the Redeemer. Heinlein's book offers us a glimpse of a central theme of our renewal – personal witness, the heart of it seen in the cloud of witness of these holy ones. These men and women of color lived their faith life and became living gospels of the Gift: the Passion of the Cross, seen in the evil of racism; the Liberation of the Resurrection, recognized in the courage of the prophets; and the songs of the Kingdom, heard and shared in the joy of the Spirit. They call us to witness." Most Reverend David P. Talley, Bishop of Memphis "'Can anything good come from Nazareth?' was Nathaniel's response in John's gospel to Philip's invitation to meet Jesus. Philip's words in reply echo down the centuries: 'Come and see' (John 1:45-46). Within this book is a cohort of six awe-inspiring disciples who encountered

the Lord and proved that, when grasped by Jesus Christ, God can raise up goodness from anywhere. As former slaves and descendants of chattel slavery, they bore fruit a hundred-fold in their time and place and bequeathed to the Church a lasting legacy. I invite all who yearn for racial justice and peace to come and see in this book six black women and men who show us the path to life in this world as they continue on the road to sainthood." Most Reverend Joseph Kopacz, Bishop of Jackson "Black Catholics on the Road to Sainthood gives us an opportunity to become better acquainted with six black women and men from the United States and to be inspired by their lives of faith. As we strive for holiness, we are given the privilege to learn more about their journey to canonization and to participate in their process." Most Reverend Gregory M. Aymond, Archbishop of New Orleans "Black Catholics on the Road to Sainthood is essential reading for all Catholics, particularly at this time in our country's history. There is a common thread in the stories of these six holy men and women: a strong faith, love for others, and personal sacrifice. I appreciate OSV raising awareness of the lives of these candidates for sainthood. It is my hope that reading about their lives and struggles will inspire not just devotion but others to follow in their footsteps. The world desperately needs models of holiness and virtue like the ones contained in this short volume. May their testimony of faith help us bring healing and reconciliation to a divided world and inspire us to respond to our own call to holiness." Most Reverend Nelson J. Pérez, Archbishop of Philadelphia, chairman USCCB Committee on Cultural Diversity in the

NEW YORK TIMES BESTSELLER • Gloria  
Steinem—writer, activist, organizer, and  
inspiring leader—tells a story she has

never told before, a candid account of her life as a traveler, a listener, and a catalyst for change. ONE OF O: THE OPRAH MAGAZINE'S TEN FAVORITE BOOKS OF THE YEAR | NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Harper's Bazaar • St. Louis Post-Dispatch • Publishers Weekly When people ask me why I still have hope and energy after all these years, I always say: Because I travel. Taking to the road—by which I mean letting the road take you—changed who I thought I was. The road is messy in the way that real life is messy. It leads us out of denial and into reality, out of theory and into practice, out of caution and into action, out of statistics and into stories—in short, out of our heads and into our hearts. Gloria Steinem had an itinerant childhood. When she was a young girl, her father would pack the family in the car every fall and drive across country searching for adventure and trying to make a living. The seeds were planted: Gloria realized that growing up didn't have to mean settling down. And so began a lifetime of travel, of activism and leadership, of listening to people whose voices and ideas would inspire change and revolution. My Life on the Road is the moving, funny, and profound story of Gloria's growth and also the growth of a revolutionary movement for equality—and the story of how surprising encounters on the road shaped both. From her first experience of social activism among women in India to her work as a journalist in the 1960s; from the whirlwind of political campaigns to the founding of Ms. magazine; from the historic 1977 National Women's Conference to her travels through Indian Country—a lifetime spent on the road allowed Gloria to listen and connect deeply with people, to understand

that context is everything, and to become part of a movement that would change the world. In prose that is revealing and rich, Gloria reminds us that living in an open, observant, and "on the road" state of mind can make a difference in how we learn, what we do, and how we understand each other. Praise for My Life on the Road "This legendary feminist makes a compelling case for traveling as listening: a way of letting strangers' stories flow, as she puts it, 'out of our heads and into our hearts.'"—People "Like Steinem herself, [My Life on the Road] is thoughtful and astonishingly humble. It is also filled with a sense of the momentous while offering deeply personal insights into what shaped her."—O: The Oprah Magazine "A lyrical meditation on restlessness and the quest for equity . . . Part of the appeal of My Life is how Steinem, with evocative, melodic prose, conveys the air of discovery and wonder she felt during so many of her journeys. . . . The lessons imparted in Life on the Road offer more than a reminiscence. They are a beacon of hope for the future."—USA Today "A warmly companionable look back at nearly five decades as itinerant feminist organizer and standard-bearer. If you've ever wondered what it might be like to sit down with Ms. Steinem for a casual dinner, this disarmingly intimate book gives a pretty good idea, mixing hard-won pragmatic lessons with more inspirational insights."—The New York Times "Steinem rocks.
